Reading The Bible Wisely:

Reading the Bible Wisely Richard S. Briggs, 2011-09-09 Covers how to read the Bible in historical literary and theological context highlighting the significance of its two testament structure and its contribution to a doctrine of scripture

Reading the Bible Wisely Richard Briggs, 2003 This work explores issues of biblical interpretation in connection with reading the Bible in three particular contexts historical literary and theological It also considers doctrines about the Bible its clarity its inspiration and its authority and asks what it means to read the Bible

Reading the Gospels Wisely Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation

Reading the Bible outside the Church David G. Ford, 2018-07-12 In many places in the Western world churchgoing is in decline and it cannot be assumed that people have a good grasp of the Bible's content In this evolving situation how would the person on the street read the Bible Reading the Bible Outside the Church begins to answer this question David Ford spent ten months at a chemical industrial plant providing non churchgoing men with the opportunity to read and respond to five different biblical texts Using an in depth qualitative methodology he charts how their prior experiences of religion sense of non religious identity attitudes towards the Bible and beliefs about the Bible all shaped the readings that occurred

The Bible Reading of Young Evangelicals Ruth H. Perrin, 2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in

Britain and beyond **Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson)** Jason C.

Meyer, 2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way **Reading the Book of**

Views on Moving Beyond the Bible to Theology Zondervan, 2009-12-01 Learn to identify evaluate and refine your approach to forming theological conclusions based on the biblical text The Bible has long served as the standard for Christian practice yet believers still disagree on how biblical passages should be interpreted and applied Only when readers fully understand the constructs that inform their process of moving from Scripture to theology and those of others can Christians fully evaluate teachings that claim to be biblical In this book part of the Counterpoints series scholars who affirm an inspired Bible relevant and authoritative for every era present models they consider most faithful to Scripture Walter C Kaiser Jr Principlizing Model Daniel M Doriani Redemptive Historical Model Kevin J Vanhoozer Drama of Redemption Model William J Webb Redemptive Movement Model Each position receives critiques from the proponents of the other views Moreover due to the far reaching implications this topic holds for biblical studies theology and church teaching this book includes three additional reflections by Christopher J H Wright Mark L Strauss and Al Wolters on the theological and practical interpretation of biblical texts The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Reading the**

Bible in the Strange World of Medicine Allen Verhey, 2003-12-11 Author of such major books as Remembering Jesus Christian Community Scripture and the Moral Life Allen Verhey has become one of today's most trusted Christian voices in contemporary ethics including the moral challenges that new medical technologies pose to Christian faith and decision making With this new book Verhey brings the biblical tradition to bear on contemporary bioethical concerns Drawing on an unmatched depth of insight in these two realms Verhey explores how the Bible can illuminate and guide medical ethics He argues that churches are called to think and speak clearly about bioethical concerns and he lays out here the scriptural tools for them to do so After firmly grounding Christian ethical discourse in Scripture Verhey shows how the Bible can be applied

to such pressing questions as suffering genetic intervention abortion reproductive technologies end of life care physician assisted suicide and more Filled with faith based wisdom and apt illustrations of the moral dilemmas discussed this book is a must read for Christians grappling with the ethical dimensions of medicine today **New Testament Studies: Bible reading in the early church** Adolf von Harnack,1912 **Biblical Inspiration and the Authority of Scripture** Carlos R. Bovell,2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible **Bible Reading in the Early Church** Adolf Harnack,2005-07-01 Adolf von Harnack 1851 1930 is recognized as one of the outstanding church historians of his day He was Professor of Church History successively in the universities of Leipzig Giessen Marburg and Berlin His great work A History of Dogma has exerted an important influence upon modern theological study Other titles translated into English include A History of the Expansion of Christianity The Apostles Creed and The Acts of the Apostles *Women, Ministry and the Gospel* Mark Husbards,Timothy Larsen,2007-03-16 This outstanding collection of essays presented at the 2005 Wheaton Theology Conference explores the current issue of women in ministry from biblical theological and ecclesiological perspectives Bringing to bear the ministerial and sociological insights on the issue this impressive integrative work aims to break through the current impasse between complementarians and egalitarians These essays point the way forward for women and men in ministry in our churches Contributors include Henri Blocher Timothy George James Hamilton I Howard Marshall Cheryl J Sanders Sarah Sumner and Mary Stewart Van Leeuwen **Sound Doctrine** Bobby Jamieson,2013 Sound doctrine is the life blood of God s people providing the foundation for the church s unity and witness This short readable book speaks to the importance of good theology for godly living Part of the 9Marks Building Healthy Churches series **Making Sense of the Bible** Helen-Ann Hartley,2011-06-17 One of a series of 6 small books dealing in a short and accessible way with the key concerns for Christians Again and again we hear that such and such an opinion is not biblical implying that the Bible speaks with a unified voice on any matter With humour and examples drawn from art and life Helen Ann Hartley argues that our reading of this varied collection of writings has to be generous not exclusive To appreciate fully the Bible s richness and diversity we have to wrestle critically and creatively with themes that attract us and repel us Not only should we draw meaning from the Bible we must let our lives contribute meaning to the stories it tells engaging in conversation with those stories and allowing them to urge us into being to think speak and act Ultimately to make sense of the Bible we need to make sense of who we are in relationship to God **Jesus for Life** Richard S. Briggs,2019-07-25 This book is for all those who wonder how to hold

together spiritual life and the study of the Bible It asks How may we read Scripture for a word of life The answer by reading carefully critically imaginatively theologically in short spiritually Richard Briggs offers a series of spiritual readings in John s Gospel going in search of life and life to the full Along the way he discovers surprises love humor tears truth and suffering all wrapped up in a profound theology that is designed to be understood by everyone from newcomers right through to those who have loved John s Gospel for a long time He leads readers on a life giving adventure and models the best of careful reading of the biblical text In a short concluding essay he helps readers understand what it means to read John s Gospel well to read it in life long pursuit of a word of life *A Valid Religion for the Times* Parley Paul Womer,1910 *Route 66 New Edition* Krish Kandiah,2021-07-23 The intention of this book is to teach Christians how to use the Bible to live well It has eight sections living faithfully distinctively emotionally imaginatively discerningly purposefully infectiously and hopefully Each provides an introduction to a different kind of literature within the Bible and follows with questions for discussion and five days of daily readings *CrossTalk* Michael R. Emlet,2009-11-10 Your friend just left his wife You catch your child posting something inappropriate on the Internet Someone in your small group is depressed A relative was just diagnosed with an incurable disease When those you know experience trouble you want to offer real hope and help from God s Word Using case studies and concrete examples Michael **Christian Perspectives on Sexuality and Gender** Elizabeth Stuart,Adrian Thatcher,1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family
