Reading Ladders Teaching Guide Grade 4:

Jacob's Ladder Reading Comprehension Program William & Mary Center for Gifted Education, 2021-09-03 The Jacob's Ladder Reading Comprehension Program targets reading comprehension skills in high ability learners by moving students through an inquiry process from basic understanding to critical analyses of texts using a field tested method developed by the Center for Gifted Education at William Mary. Students in grade 4 will learn to comprehend and analyze any reading passage after completing the activities in Jacob's Ladder Grade 4 2nd ed previously published as Level 2. Research conducted by the Center for Gifted Education with Title 1 students demonstrated that the Jacob's Ladder Reading Comprehension Program delivers results related to improved reading comprehension, increased critical thinking, and an enhanced interest in reading. Using skill ladders connected to short stories, poetry, essays, and nonfiction, students move from lower order concrete thinking skills to higher order critical thinking skills. The ladders include multiple skills necessary for academic success covering language arts standards such as sequencing, determining cause and effect, classifying, inferencing, and recognizing main ideas. The second edition of the book builds off the previous Level 2 edition, including new readings and ladders for student use. This book provides teachers with an explanation of the nature of supplementary tasks that scaffold reading comprehension. Also included is an overview of the goals and objectives of the Jacob's Ladder tasks and suggestions for implementation, giving every teacher the tools needed to promote successful reading comprehension. Optional Student Workbook Packs. In addition to this teacher's guide, companion student workbooks are available for the short story readings, the poetry readings, and the nonfiction readings. The student workbooks feature more space for student responses and make checking and providing feedback on student work easier than ever. **Resources in Education**, 1998 **Talent**

Development in School Julie Dingle Swanson, Meta Van Sickle, 2021-09-23 Talent Development in School helps educators utilize research-based curriculum and strategies to implement talent development in the classroom. This practical guide focuses on a talent development model that is centered on teacher learning. Highlights talent development's impact on culturally, linguistically, and economically diverse learners. Details how to apply the talent development model in one's school or district and opening access and opportunity to all students. Reviews current theories, concepts, and research on talent development in the field of gifted education. Is perfect for teachers, coordinators, and administrators. Talent Development in School features techniques for culturally responsive teaching and considerations for how psychosocial skills and noncognitive influences on learning such as motivation, grit, resiliency, and growth mindset affect talent development. Written by experts in the field, this book will become a go-to for professional learning and development. **Jacob's Ladder Reading**

Comprehension Program Joyce VanTassel-Baska, Tamra Stambaugh, 2021-09-03 The Jacob's Ladder Reading Comprehension Program Nonfiction targets reading comprehension skills in high ability learners by moving students through an inquiry process from basic understanding to critical analyses of texts using a field tested method developed by the Center
