

Reading The New Testament Today An Introduction To New Testament Study

PHEME PERKINS

Reading The New Testament Today An Introduction To New Testament Study:

Reading the New Testament Today Brian E. Beck, 1977 Why do we have to study the New Testament Is it not simply enough to read it Beginning with a reading of the Lord's Prayer Brian Beck sets out to show how even the most familiar passages may benefit from more detailed study He writes simply and directly about the problems which arise from translation not only for the student but for every Christian who cares enough about the New Testament to want to understand it better He then goes on to show the way in which the different books came to be written and how they were brought together Though he is ready to criticise a number of scholars when he thinks they are mistaken he nevertheless yields to nobody in his high regard for many of the fruits of contemporary New Testament scholarship

Reading the New Testament Pheme Perkins, 1988 Discusses the history and nature of the New Testament provides outlines of each book and information on archaeological discoveries and shares an interpretation of the Scriptures

Reading the New Testament Pheme Perkins, 2012 An introduction to the writings of the New Testament written by a prominent scholar who is able to communicate the main ideas and results with a clear and simple style This third edition although leaving intact the structure of the book has been rewritten extensively updating the information and adding the results of new biblical approaches and research Includes new maps and illustrations

Reading the New Testament as Christian Scripture (Reading Christian Scripture) Constantine R. Campbell, Jonathan T. Pennington, 2020-08-04 This survey textbook by two respected New Testament scholars is designed to meet the needs of contemporary evangelical undergraduates The book effectively covers the New Testament books and major topics in the New Testament assuming no prior academic study of the Bible The authors pay attention to how the New Testament documents fit together as a canonical whole that supplements the Old Testament to make up the Christian Scriptures They also show how the New Testament writings provide basic material for Christian doctrine spirituality and engagement with culture Chapters can be assigned in any order making this an ideal textbook for one semester courses at evangelical schools This is the first volume in a new series of survey textbooks that will cover the Old and New Testaments The book features full color illustrations that hold interest and aid learning and offers a full array of pedagogical aids photographs sidebars maps time lines charts glossary and discussion questions Additional resources for instructors and students are available through Textbook eSources

New Testament Books for Pastor and Teacher: Revised and Updated to 2002 Ralph P. Martin, 2002-07-23 Designed to serve as a companion volume to Brevard S Childs' acclaimed Old Testament Books for Pastor and Teacher this convenient reference provides authoritative up to date listings of books in the New Testament field for those in the pastoral ministry as well as for teachers in churches colleges and seminaries Comprehensive in scope it considers basic exegetical tools translations dictionaries encyclopedias introductions histories theological reference works and commentaries Dr Martin gives priority to books in English although he cites exceptional works in German and French This practical book includes a basic list of what the author considers the most

valuable current publications along with classic older volumes that should be the nucleus of a good New Testament library. Containing a complete bibliography it will help readers of all denominations acquire the basic tools to understand and communicate the message of the New Testament. **The New Testament Today** Mark Allan Powell, 1999-01-01 This volume offers the collective insight of eleven scholars who represent the spectrum of New Testament studies. Their expert commentaries make this book an invaluable resource for both the seasoned researcher and the beginning student.

Introducing the New Testament Mark Allan Powell, 2009-10-01 This beautifully written and engaging survey offers an up to date New Testament introduction for undergraduate students and general readers. Powell presents disputed and controversial issues fairly, neither dictating conclusions nor privileging skepticism over faith based perspectives. The book is written in a lively and engaging style and includes helpful sidebars, maps, tables, charts, glossary, diagrams, and suggestions for further reading. In addition, this full color book includes beautiful artwork illustrating the reception of the New Testament through various times and cultures. A companion Web site through Baker Academic's Textbook eSources features a video introduction from the author and a wealth of additional resources for students and instructors. Resources for students include introductory videos, chapter summaries, chapter objectives, study questions, flash cards, extra sidebars, and charts, self quizzes, and bibliographies. Resources for professors include discussion prompts, pedagogical suggestions, PowerPoint outlines, and a test quiz bank. [Interpreting the New Testament](#) Francis J. Moloney, Sherri Brown, 2019-10-03 A succinct and accessible text for teaching students how to interpret the New Testament. This new textbook effectively introduces students to the art and craft of biblical interpretation. New Testament scholars Sherri Brown and Francis Moloney begin by orienting students to the world of the Bible, exploring contemporary methods for interpreting the biblical literature and showing how the Old Testament is foundational to the formation of the New Testament. The book proceeds to lead readers through the books of the New Testament by genre: The Narratives, Gospels, and Acts; Paul and His Letters; Hebrews and the Catholic Epistles; Apocalyptic Literature; and the Book of Revelation. Unlike book by book introductory textbooks that tend to overshadow the primary biblical text with lots of detailed information, Brown and Moloney's *Interpreting the New Testament* actually facilitates the study of the New Testament itself. Their concluding chapter reflects on the challenge of the New Testament to our present world.

[A Walk Through the New Testament](#) Margaret Nutting Ralph, 2009 *A Walk Through the New Testament* is a companion volume for adult Catholics as they read the New Testament, helping them apply the Catholic approach to Scripture, the contextualist approach to their reading, in order to better understand what inspired biblical authors are teaching them about their relationship with God. **The People's New Testament Commentary** M. Eugene Boring, Fred B. Craddock, 2010-01-25 M. Eugene Boring and Fred B. Craddock present this new one volume commentary on the New Testament. Writing from the fundamental conviction that the New Testament is the people's book, Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship. Their work clarifies

matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible **Encountering the New Testament (Encountering Biblical Studies)** Walter A. Elwell, Robert W. Yarbrough, 2013-07-15 Studying the New Testament can be an exciting and intimidating experience This readable survey is designed to make the adventure less daunting and more rewarding Two experienced classroom teachers offer a new edition of their bestselling and award winning textbook now with updated content and a new interior design Other distinguishing features include abundant images maps and charts all in full color sidebars that address ethical and theological concerns and provide primary source material focus boxes isolating key issues chapter outlines learning objectives and summaries study questions Students of the New Testament will find this introductory text both informative and engaging An accompanying website through Baker Academic s Textbook eSources offers a wide array of resources for students and professors Resources for students include flash cards self quizzes and introductory videos Resources for professors include discussion questions suggestions for class activities PowerPoint slides an instructor s manual and a test bank **Matthew's Account of the Massacre of the Innocents in Light of its Reception History**

Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great s massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho s examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

Exploring the New Testament David Wenham, Steve Walton, 2021-03-30 Written by scholars with extensive experience teaching in colleges and universities the Exploring the Bible series has for decades equipped students to study Scripture for themselves Filled with classroom friendly features this first volume now in its third edition provides an accessible introduction for anyone studying Jesus the Gospels and Acts *Current Trends in New Testament Study* Robert E. Van

Voorst, 2020-01-15 This book focuses on seven of the most important formal methods used to interpret the New Testament today Several of the chapters also touch on Old Testament Hebrew Bible interpretation In line with the multiplicity of methods for interpretation of texts in the humanities in general New Testament study has never before seen so many different methods This situation poses both opportunities and challenges for scholars and students alike The articles in this book introduce the latest methods and give examples of these methods at work The seven methods are as follows post colonial narrative historical performance mathematical analysis of style womanist and ecological The Blackwell

Companion to The New Testament David E. Aune, 2010-01-22 The Blackwell Companion to the New Testament is a detailed introduction to the New Testament written by more than 40 scholars from a variety of Christian denominations. It treats the 27 books and letters of the New Testament systematically, beginning with a review of current issues and concluding with an annotated bibliography. It considers the historical, social, and cultural contexts in which the New Testament was produced, exploring relevant linguistic and textual issues. An international contributor list of over 40 scholars represents worldwide field expertise and a variety of Christian denominations. Distinctive features include a unified treatment of Luke through Acts, articles on the canonical Gospels, and a discussion of the apocryphal New Testament.

Emmaus Stage 3 Stephen Cottrell, Steven Croft, John Finney, Felicity Lawson, Robert Warren, 2004-05-21 Emmaus: The Way of Faith is a course designed to welcome people into the Christian faith and the life of the Church. Growing as a Christian contains five short courses to encourage believers toward maturity in key areas of the Christian life: prayer, the Scriptures, church worship, sacraments, and Christian hope.

Minor Publications Prepared Under the Chairmanship of Ira M. Price American Baptist Convention. Committee on Religious Education, 1913

Peter and Paul in Acts: A Comparison of Their Ministries David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament. It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire. Luke tells this story by focusing primarily on two men, Peter and Paul. This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles. Their apostolic ministries are examined in the context of several different components: Leadership, Evangelism, and Church Planting; Miracle Working and Healing; and Mystical or Supernatural Experiences. These categories are shown to detail particular aspects of each man's apostleship work. These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke. Spell also devotes a chapter each to Luke's literary method and the relationship of Peter and Paul as seen in their letters. These two chapters lay important groundwork for examining the apostles. This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry. By looking at how Peter and Paul conducted their ministries in the first century, we can be more effective in the twenty-first.

Reading Revelation Gordon W. Campbell, 2022-01-01 The Book of Revelation can be read in various ways. Where interpretation opts not to venture beyond Revelation or approach the book as a forecast of end-time events, it typically favours either going behind the text in search of a socio-historical context of origin to which it might refer, or else standing in front of the text and investigating the book's reception history or its present relevance and impact. Comparatively little interpretative work has been undertaken inside the text, exploring the mechanics of how Revelation works, still less how its complex parts might fit together into a meaningful whole. Gordon Campbell considers Revelation to be a coherent narrative composition that draws its hearer or reader into its text-world. In *Reading Revelation: A Thematic Approach*, Campbell gives an innovative account of Revelation's sophisticated thematic content. Mindful of Revelation's

narrative verve or its architecture en mouvement as Jacques Ellul once put it Campbell plots a series of thematic trajectories through the book On this reading parody and parallelism fundamentally shape the whole narrative As a first ever integrated account of Revelation s macro themes Reading Revelation makes an important contribution to Revelation scholarship In its light the book may justifiably be seen as the crowning achievement of the Scriptures **What is Contextual Bible Study?**

John Riches,2010-09-17 Contextual Bible Study CBS is an exciting approach to group Bible study that encourages people of all ages and all walks of life to read the Bible together and to allow it to shape their understanding of the burning issues of the day It is a way of reading that both established Christians and those new to the Bible find insightful empowering even life changing What is Contextual Bible Study offers a wealth of practical guidance on how to make this approach work for you and how to start a CBS group in your own area It also provides stimulating questions for use during Advent and Lent along with inspiring stories of the CBS approach in action Read and apply the advice in this book and group Bible study will never be the same again
