Thomas Merton and the Monastic Vision Lawrence Cunningham, 1999 Cunningham, theology U of Notre Dame explores Merton's monastic life and his subsequent growth into a modern day spiritual master. Starting from Merton's entrance into the Abbey of Gethsemani in 1941, he highlights the development of Merton's monastic life against the cultural background of the American experience and the vast upheavals in the Roman Catholic Church, thus showing how his writings and continuing influence can only be understood against the background of his contemplative experience as a Trappist monk. Father Timothy Kelley, the current abbot of the Abbey of Gethsemani and a former novice under Merton, provides a foreword. Annotation copyrighted by Book News Inc. A meditation a day from Thomas Merton This convenient day book is a compendium of inspiring passages from the writings of one of this century's spiritual giants It offers daily challenges for thoughtful meditation intended to stimulate provoke and lead to grace Here are some enduring thoughts found in these pages We cannot be happy if we expect to live all the time at the highest peak of intensity Happiness is not a matter of intensity but of balance and order and rhythm and harmony Every moment and every event of every man's life on earth plants something in his soul Nothing is more suspicious in a man who seems holy than an impatient desire to reform other men Pay as little attention as you can to the faults of other people and none at all to their natural defects and eccentricities The wise heart lives in Christ Wisdom manifests itself and yet is hidden The more it hides the more it is manifest and the more it is manifest the more it is hidden For God is known where he is apprehended as unknown and he is heard when we realize that we do not know the sound of his voice God utters me like a word containing a partial thought of himself Our full spiritual life is life in wisdom life in Christ The darkness of faith bears fruit in the light of wisdom Love cannot come of emptiness It is full of reality
