Readings in the Sociology of Migration

Clifford J. Jansen,2016-04-20 Readings in the Sociology of Migration deals with migration as a sociological problem with greater emphasis on internal migrations than on international migrations Some of the problems covered by sociological inquiry in the study of migration are discussed along with theories of migration such as the push pull theory differential migration and motivation for migration This book is comprised of 16 chapters and opens by outlining types of migration according to the professional and social composition of migrants mass migration economic migration from an underdeveloped country economic emigration from an industrial country and immigration into an industrial nation A general typology of migration is then presented before the problem of migration in various countries such as Britain France Italy Spain Sweden and the United States is considered The final chapter presents preliminary findings from a demographic and socioeconomic sample survey of the population of the metropolitan area of San Salvador El Salvador This monograph will be a useful resource for sociologists and policymakers concerned with migration

Readings in Social Evolution and Development S. N. Eisenstadt,2013-10-22 Readings in Social Evolution and Development presents a collection of articles on a

specialized aspect of sociology or social psychology The book starts by describing social change and development and the role of institutionalization individual behavior and role performance on such change and development The text also discusses the basic problems of evolutionary perspective in sociology and studies of development and modernization The theories of social change the problem of evolution and the major trends of change in the contemporary setting such as changes in the industrial societies and alternative courses of political development in the new states are also encompassed Sociologists and social psychologists and students taking sociology courses will find the book useful
