Readings In Christian Ethics A Historical Sourcebook:

Readings in Christian Ethics J. Philip Wogaman, Douglas M. Strong, 1996-01-01 Contains 70 readings from the Fathers to Bernard Haring from Catholic and Protestant traditions Christian Ethics J. Philip Wogaman, 2010-12-24 This updated survey of Christian ethics addresses major thinkers movements and issues from the early church to the present A broad range of topics is discussed including the biblical and philosophical legacies of Christian ethics and ethics through the early medieval Reformation Enlightenment and modern eras This new edition contains more extensive discussions of ethics in the twentieth century including Vatican II ecumenical social ethics and Orthodox Christian ethics A new section Toward the Third Millennium looks at the issues we will face in the coming decades including medical scientific and political dilemmas and issues of terrorism war and peace **Tensions in Christian Ethics** Malcolm Brown, 2011-01-01 The book draws on the author's teaching of ethics at undergraduate and postgraduate level for the Cambridge Theological Federation since 2000 Its purpose is to introduce the reader to questions in Christian ethics through a careful examination of the fundamental meta ethical questions posed by the state we're in whether understood as a new phase of modernity or as postmodernity Brown draws on sources and authors from a variety of Christian traditions and from Britain the U S A and Europe The book will be of use not only to university departments and denominational and ecumenical teaching institutions but also as a more general exposition of the current state of ethical thinking in the Christian churches **The A to Z of Ethics** Harry J. Gensler, Earl Spurgin, 2010-02-12 The A to Z of Ethics covers a very broad range of ethical topics including ethical theories historical periods historical figures applied ethics ethical issues ethical concepts non Western approaches and related disciplines Harry J Gensler and Earl W Spurgin tackle such issues as abortion capital punishment stem cell research and terrorism while also explaining key theories like utilitarianism natural law social contract and virtue ethics This reference provides a complete overview of ethics through a detailed chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries including bioethics business ethics Aristotle Hobbes autonomy confidentiality Confucius and psychology **From the Eye of the Storm** J. Philip Wogaman, 1998-01-01 According to J Philip Wogaman the drama being played out in Washington represents a struggle for the nation's soul On one side is an emphasis on repentance and forgiveness time honored themes of the nation's formative religious traditions On the other side is an emphasis on condemnation and punishment for wrongdoing The question is which represents the more appropriate path for the future of the United States This is the question Wogaman sets out to answer in this fascinating book **Ethics beyond Rules** Keith D Stanglin, 2021-08-17 An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time How should Christians live How should we interact with one another Why do we think the way we do about right and wrong How should we approach today's complex moral questions Keith Stanglin realigns our ethical thinking around the central question What does real love require applying it to our ethical reasoning on many of the

social issues present in today's culture: abortion, sexual ethics, consumerism, technology, race, and politics. Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community. But thinking objectively and reasonably about our ethical commitments is a process that's rarely taught in contemporary education or even in churches. *Ethics Beyond Rules* is a clear and accessible introduction for thoughtful Christians who want to lead moral lives, who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand. Stanglin's love-based framework for moral decision making engages Scripture and the historic Christian faith, giving Christians the tools to clear-mindedly consider the ethical problems of today and the foundation to confront new issues in the years to come.

Faith and Fragmentation J. Philip Wogaman, 2004-01-01 In this classic reissue, scholar, pastor, and author J. Philip Wogaman addresses people who wonder whether Christian Faith makes sense in light of the sweeping changes of our age. Changes that have created at the same time a pluralistic world, a technologically sophisticated world, a dangerous world, a world of great prosperity and yet great suffering. What are we to make of this time we live in? Can the Christian faith really provide a stable foundation? Wogaman wrestles with these and other questions as he investigates the true meaning of a Christian faith with a positive understanding of religious pluralism and a rejection of fanaticism. He concludes that this faith is a hopeful love that proclaims the centrality of love against selfishness and the power of hope against despair.

The Future of Religion in American Politics Charles Dunn, 2010-09-12 Should parents receive vouchers to send their children to religious schools? What limits, if any, should the government place on abortion? Should the government permit and fund stem cell research? Should religious organizations have the right to prohibit the employment of homosexuals? Should public schools teach both creationism and evolution? How does religion influence our political stances on gay marriage, the death penalty, immigration? The issues are real. The emotions are intense. The solutions are difficult to reach and often problematic. From the White House to the courthouse, from governors' mansions to the United States Supreme Court, religion factors into many contemporary legal controversies. Efforts to establish the proper balance between church and state create heated debates in America and raise seemingly insoluble questions. Politicians and their advisers walk a fine line when addressing religious issues in an increasingly pluralistic society where religious factions attempt to impose their values on the electoral and legislative processes. *The Future of Religion in American Politics* presents thoughtful, wide-ranging essays by twelve eminent public intellectuals and scholars, offering rich and stimulating views on one of the most divisive issues of our time. Editor Charles W. Dunn and the contributors assess the impact of religion on American politics in four distinct time periods: the founding, the Civil War, the New Deal era, and the modern era. Dunn outlines seven propositions that characterize the interaction of religion and politics during these time periods and describes how and why religion continues to influence politics in America. Contributors to this volume argue that whereas religion in the founding era held society together in a shared belief of the biblical portrayal of humanity, today's pluralistic religious interpretations of God appear to

be tearing society apart The rise of Islam and other world religions poses perplexing questions about the issue of tolerance Can America survive as a free society without commonly accepted morals that are based in religion Is America a secular society with a clear separation of church and state or a government created and informed by ever changing religious values The Future of Religion in American Politics includes essays about religion in the public square evangelical and faith based politics in presidential elections The authors investigate many thought provoking questions about the extent of religious influence in the U S government today and its likely impact in the future Lucid and accessible this book covers a wide range of issues and will be invaluable to students of politics religious studies and history **An Unexpected Journey** J. Philip Wogaman,2004-01-01

J Philip Wogaman offers candid reflections on his service as Senior Minister at Foundry United Methodist Church in Washington D C an unexpected journey that he began at the age of sixty following a full career as an ethics professor Wogaman chronicles the tasks he faced as a new pastor tasks with which every pastor deals effective and faithful preaching balancing pastoral and prophetic roles presenting the church to the public media dealing with prominent church members and addressing stewardship He also discusses the challenges of succeeding a long loved pastor who departed under a cloud the responsibilities of pastoring to a president and his efforts to balance the roles of a pastor against such a dramatic backdrop Identifying his own successes and mistakes Wogaman provides fresh insights on parish ministry that are sure to become guideposts for all pastors **The Roots of Reformed Moral Theology** Bruce P.

Baugus,2022-09-24 Reformed moral teaching embraces the authority of Scripture a stable moral order from creation and the moral law expressed in the Ten Commandments as a guide for developing a virtuous life But did such ideas radically appear during the Reformation In The Roots of Reformed Moral Theology Bruce P Baugus traces the story of moral theology from its biblical origins to the eve of the Reformation demonstrating that Reformed moral sensibilities were received and developed from the greater church tradition The result is a commendable survey that pays particular attention to the questions and themes most significant to the formation of what became a distinctly Reformed moral theology Table of Contents 1 The Character of Reformed Moral Theology 2 Origins of Moral Theology 3 Redemptive History Old Testament 4 Redemptive History New Testament Part 1 5 Redemptive History New Testament Part 2 6 Early Church History 7 Late Antiquity and Medieval Eras 8 High Medieval Era Thomas 9 Late Medieval Era Scotus and Ockham **Christian Perspectives on**

Politics J. Philip Wogaman,2000-01-01 Minister Wogaman updates his comprehensive discussions on the meaning and importance of politics the history of Christian political thought and church state relations the legislation of social morality and criminal justice issues **The Mirage Shall Become a Pool** Ondrej Hron,2012-11-01

Few things are as important as our notions of justice and mercy Yet how are we to make sense of our moral treatment of the poor given all the political philosophical and theological voices While Christian Scripture is not silent on the matters of social justice and charity even here our variously conditioned presuppositions cause us significant interference Only a careful hermeneutical reset can move

us beyond our personal and cultural situatedness This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses So how would the New Testament witness have us treat the materially needy How do we act justly and love mercy in walking humbly with our God **Fundamental Christian Ethics** Daniel Heimbach,2022-11-01 In *Fundamental Christian Ethics* Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues

Christianity and Cultures David Emmanuel Singh,Bernard C. Farr,2008 This volume on Christianity and Cultures is a way of marking an important milestone in the relatively short story of the Oxford Centre for Mission Studies OCMS The papers here have been exclusively sourced from Transformation a quarterly journal of OCMS and seek to provide a tripartite view of Christianity s engagement with cultures by focusing on the question how is Christian thinking forming or reforming through its interaction with the varied contexts it encounters As Christianity has taken and still takes shape in multiple contexts it naturally results in a variety of expressions and emphases One can gain an appreciation of these by studying different strands of theological missiological thinking socio political engagements and forms of family relationships in interaction with the host cultures BOOK JACKET **The Literature of Theology** David R. Stewart,2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology **Dirty Hands** Garth Baker-Fletcher,2000-05-01 How can one make the ethical and right decision in a deeply ambiguous moral world Baker Fletcher s basic introduction to Christian Ethics with attitude examines the fundamental ethical problems of moral decision making in which knowledge will always be unsure time short decisions ambiguous and consequences multiple and unforeseeable Baker Fletcher treats ethics as engagement getting one s hand s dirty with life He employs a journey motif in order to aid readers in plotting their own moralscape the fundamental commitments that affect their own decisions *Moral Formation and the Virtuous Life* Paul M. Blowers,2019-07-02 In *Moral Formation and the Virtuous Life* volume editor Paul M Blowers has translated and gathered several key texts from early Christian sources to explore the broad themes of moral conscience and ethics Readers will gain a sense of how moral formation was part of a process sustained by pastoral instruction and admonition based on ritual practice baptism eucharist and liturgy as well as learned ethical behaviors related to moral issues such as sexual ethics marriage and celibacy wealth and poverty pagan entertainment military service and more *Moral Formation and the Virtuous Life* is part of *Ad Fontes Early Christian Sources* a series designed to present ancient Christian texts essential to an understanding of Christian theology ecclesiology and practice The books in the series will make the wealth of early Christian thought available to new generations of students of theology and provide a valuable resource for the Church Developed in light of recent Patristic scholarship the volumes will provide a representative sampling of theological contributions from both East and West The

series aims to provide volumes that are relevant for a variety of courses from introduction to theology to classes on doctrine and the development of Christian thought The goal of each volume is not to be exhaustive but rather representative enough to denote for a non specialist audience the multivalent character of early Christian thought allowing readers to see how and why early Christian doctrine and practice developed the way it did **Banned Questions About Christians** Christian D Piatt,2014-01-15 This latest book in the insightful and entertaining Banned Questions series addresses fifty questions about Christians that many of us have wondered regarding Hell sprinkle vs dunk baptism gay and lesbian issues in ministry the inconsistencies of communion the multitude of denominations God s allowance of suffering in the world and more This is a great addition to your library as you or your study group ponder the questions many have wanted to ask and few were brave enough to answer *The African American Challenge to Just War Theory* R. Cumming,2015-12-04 In this innovative treatment of the ethics of war Ryan P Cumming brings classical sources of just war theory into conversation with African American voices The result is a new direction in just war thought that challenges dominant interpretations of just war theory by looking to the perspectives of those on the underside of history and politics **Historical Dictionary of Ethics** Harry J. Gensler,Earl W. Spurgin,2008 Historical Dictionary of Ethics covers a broad range of topics including theories issues and concepts historical periods and historical figures applied ethics non Western approaches and related disciplines Harry J Gensler and Earl W Spurgin tackle such issues as abortion capital punishment stem cell research and terrorism and explain such key theories as utilitarianism natural law social contract and virtue ethics This reference provides a complete overview of ethics through a detailed chronology an introductory essay a bibliography and more than 200 cross referenced dictionary entries including bioethics business ethics Aristotle Hobbes autonomy confidentiality Confucius and psychology BOOK JACKET
