Foreword by Tracey Rae Beck

# Readings In Delaware History

**Indiana State Teachers Association.  
History Section**

## Readings In Delaware History:

*Readings in Delaware History* Carol E. Hoffeecker, 1979-10-01 This volume represents an effort to overcome the deficiencies in the literature by bringing together a selection from among the best writings from both books and journals on various aspects of Delaware's history. The selections deal with social, political, and economic aspects of Delaware's development from the landing of the Swedes through the early twentieth century.

*Readings in Delaware History* Carol E. Hoffeecker, 1973 Compilation of previously published articles on the history of Delaware from the landing of the Swedes to the early 20th century.

*Readings in Delaware History* University of Delaware. Department of History and Political Science, Henry Clay Reed, 1939

**Readings in Delaware History** University of Delaware. History and Political Science Department, 1934

*Proceedings of the House of Assembly of the Delaware State, 1781-1792, and of the Constitutional Convention of 1792* Claudia L. Bushman, Harold Bell Hancock, Elizabeth Moyne Homsey, 1988 This volume of the proceedings of Delaware's lower house completes the publication of Delaware's legislative papers, a project envisioned by Delawareans more than one hundred years ago.

**Readings in the Economic and Social History of the United States** Felix Flügel, Harold Underwood Faulkner, 1929

*Readings in Indiana History* Indiana State Teachers Association. History Section, 1914

*A Delaware Album, 1900-1930* George David Miller, 2011-04-15 A Delaware Album 1900-1930 contains over 300 postcard photographs from the entire state taken during the period from 1900 to 1930. Arranged by subjects: City and Town Views, Delaware Beaches, Amusements, Industry and Agriculture, Signs of the Times, Trains, Trolleys, and Automobiles, Water Transportation, Schools, Religion, Businesses, Hotels and Motels. Each photo has a caption ranging from a sentence or two to several paragraphs. The book's introduction details how the cards were produced, analyzes the subject matter depicted on the cards, documents the history of several of the most prominent local photographers in the state whose work is found almost only on postcards, and traces the evolution and popularization of postcard photography. Through the photographs, readers can witness the development of Delaware agriculture and fisheries, the expansion of the railroad into southern Delaware, the declining days of steamship service on Delaware rivers and creeks, the fate of Middletown's last trolley, and Delaware's unsuccessful campaign against King Alcohol. They can see how Delawareans worshiped, worked, and shopped. They can visit local amusement parks and beaches from New Castle county to Sussex county. For the early decades of the twentieth century, the postcard recorded every aspect of American life. As local historians will tell you, the photographic record of small town America during the period from 1900 to 1930 exists almost only on postcards. That is why historical societies, libraries, and museums have begun to amass postcard collections. In the last twenty years, historians and scholars have increasingly turned to the postcard as a way of seeing what our past literally looked like, what we enjoyed doing, where we worked and played, how we viewed one another, what we thought was important, and what prejudices we held.

*Encyclopedia of Local History* Amy H. Wilson, 2017-02-06 The Encyclopedia of Local History addresses nearly every

aspect of local history including everyday issues theoretical approaches and trends in the field This encyclopedia provides both the casual browser and the dedicated historian with adept commentary by bringing the voices of over one hundred experts together in one place Entries include Terms specifically related to the everyday practice of interpreting local history in the United States such as African American History City Directories and Latter Day Saints Historical and documentary terms applied to local history such as Abstract Culinary History and Diaries Detailed entries for major associations and institutions that specifically focus on their usage in local history projects such as Library of Congress and Society of American Archivists Entries for every state and Canadian province covering major informational sources critical to understanding local history in that region Entries for every major immigrant group and ethnicity Brand new to this edition are critical topics covering both the practice of and major current areas of research in local history such as Digitization LGBT History museum theater and STEM education Also new to this edition are graphics including 48 photographs Overseen by a blue ribbon Editorial Advisory Board Anne W Ackerson James D Folts Tim Grove Carol Kammen and Max A van Balgooy this essential reference will be frequently consulted in academic libraries with American and Canadian history programs public libraries supporting local history museums historic sites and houses and local archives in the U S and Canada This third edition is the first to include photographs

**Encyclopedia of Local History** Carol Kammen, Amy H. Wilson, 2012-10-12 The Encyclopedia of Local History addresses nearly every aspect of local history including everyday issues theoretical approaches and trends in the field The second edition highlights local history practice in each U S state and Canadian province

*The Philadelphareans, and Other Essays Relating to Delaware* John Andrew Munroe, 2004 This volume presents a varied sampling of the author's writings from the past sixty years along with some previously unpublished materials It begins with a long prologue that the author calls a literary autobiography and this story is continued and amplified in introductory notes that accompany each of the following items the relationship between Delaware and the city of Philadelphia This theme reappears in many guises in the background of other items as for example in a summary of New Castle's history in an investigation of an experiment in nonresident representation in Congress and in explanation of the unique importance of an early Wilmington collector of customs In the last essay previously unpublished the relationship is personalized in a reminiscence contributing to the autobiographical theme with which the book began at the University of Delaware

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976

Readings in American Legal History Mark De Wolfe Howe, 2001-02

*Integrating Delaware* Annette Woolard-Provine, 2003 The personal stories of lesser known leaders in the civil rights movement remain unwritten Moreover the peculiar situation of the black middle class which produced many of these civil rights heroes remains largely unknown The Reddings of Wilmington Delaware were in many ways typical of their class in twentieth century America Their story is important because they were ordinary hardworking people who strove for excellence and achieved success and who for a moment in time helped make a difference in their community and their

country Jacket     History of Delaware John Andrew Munroe, 2001 The standard history of the state this volume chronicles the history of Delaware from the early 1600s to the present     *Readings in the History of the American Nation* Andrew Cunningham McLaughlin, 1914     *Phase I/II Archaeological Research Plan* Jay F. Custer, David Charles Bachman, David J. Grettler, 1987     **Red Book, 3rd edition** Alice Eichholz, 2004-01-01 No scholarly reference library is complete without a copy of Ancestry's Red Book In it you will find both general and specific information essential to researchers of American records This revised 3rd edition provides updated county and town listings within the same overall state by state organization Whether you are looking for your ancestors in the northeastern states the South the West or somewhere in the middle Ancestry's Red Book has information on records and holdings for every county in the United States as well as excellent maps from renowned mapmaker William Dollarhide In short the Red Book is simply the book that no genealogist can afford not to have The availability of census records such as federal state and territorial census reports is covered in detail Unlike the federal census state and territorial census were taken at different times and different questions were asked Vital records are also discussed including when and where they were kept and how     Selected Readings in American Military History Infantry School (U.S.), 1953
