## **Readings In Sociology Introduction To Social Problems:**

**Social Problems** Joel M. Charon, 2002 A unique and groundbreaking collection of 58 articles organized in 13 thematic sections that takes a structural conflict approach yet lets the voices of those impacted by social problems be heard The articles are a mix of classic and contemporary readings that cover a wide range of issues in the United States and the world The introductory article written by the author focuses on four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done This Four Questions approach gives students a consistent sociological framework within which to analyze social problems The articles have been painstakingly selected to hold student interest highlight contemporary social problems and help professors show students how to think sociologically about the social problems around us Readings in Social Problems Albert Benedict Wolfe, 1916

SAGE Readings for Social Problems Benjamin Drury, 2021-02-23 SAGE Readings for Social Problems is a convenient and economical option for instructors who want to introduce students to scholarly literature in their social problems courses It contains 16 short readings on topics covered in typical courses including economic inequality race gender crime substance abuse education health medicine the environment family and the social construction of social problems The articles in this collection were all chosen because they are accessible to undergraduate avoid complicated statistical analysis and demonstrate the range of methodological approaches to studying social problems **SAGE**

**Readings for Introductory Sociology** Kimberly McGann, 2015-01-27 SAGE Readings for Introductory Sociology is a concise affordable anthology that contains 22 popular sociology statements designed to introduce readers to the sociological perspective Kimberly McGann puts together readings that cover core topics in sociology including culture socialization interaction deviance gender class and race An alternate topical table of contents suggests ways to match readings to other subfields in sociology like family education work and religion and identifies readings that reflect four theoretical traditions functionalism symbolic interactionism conflict theory and feminism **Standard Catalog for Public Libraries**, 1929

**Contemporary Social Problems (First Edition)** Brandon Lang, Molly Lang, 2017-08-15 The reader Seeing Social Problems Readings on Contemporary Issues in the United States examines a wide array of social problems that currently exist in the United States and that impact every member of society Designed to present the kind of information found in a standard textbook but in an accessible relatable high interest way the text links the readings to real world issues of the day The carefully curated reading selections are organized into eight sections each of which includes several articles Topics include socioeconomic inequality and poverty racial and ethnic inequality gender inequality and homophobia and crime Students also explore social problems as they are manifested in medicine and health families and education as well as environmental social problems Each section begins with an introduction that features basic information and instructional content related to the topic The chapter readings then provide a variety of perspectives Developed to be specific and

manageable in scope while also increasing students understanding of foundational concepts Seeing Social Problems is well suited to survey courses in sociology that focus on society s challenges Introduction to Social Issues (First Edition) Stephanie Southworth,2016-12-02 Theory and Application in Sociology Readings on Contemporary Issues introduces readers to overarching theoretical paradigms in sociology through current high interest readings in the discipline Selected from a variety of sources each reading engages students in thinking about the social world from a particular theoretical perspective and helps them understand how that perspective is then applied The reading selections explore social issues in the United States that students see and hear about every day such as poverty homelessness education healthcare the environment and crime The material illustrates the ways in which these larger societal occurrences and policies impact students life experiences and opportunities Students learn how race class and gender shape their interaction in the world and how different sociologists view those interactions based on their different sociological perspective Effectively linking real world experiences to both theory and scholarship Theory and Application in Sociology is an excellent choice for sociology courses as well as those in social justice and public policy Stephanie Southworth is a lecturer at Coastal Carolina University where she teaches courses such as race and ethnicity social problems and introduction to sociology She earned her Ph D in public policy and her M A in sociology from University of North Carolina at Charlotte She has presented papers at numerous conferences nationwide and has had work published in several journals such as Research in Higher Education and Youth and Society
