Effective Schools and School Improvement Ronald S. Brandt, 1989 Instructional Leadership for School Improvement Sally J. Zepeda, 2013-11-20 This book explores the principal's role in meeting high expectations for student achievement. It provides detailed tips and strategies to show you what principals need to do to assess and promote a culture and climate for school improvement, build teams and support the work they create, the conditions so that teacher leaders can emerge and monitor school improvement efforts.

School Improvement Rocky Wallace, 2021-08-15 This book is a descriptive treatment of the Professional Standards for Education Leaders (PSEL) developed by several professors in Kentucky who teach graduate-level leadership courses and their colleagues at the Kentucky Department of Education. PSEL has been adopted by the Kentucky Educational Professional Standards Board as the leadership standards that drive instruction and practice. This resource is an excellent guide for any school leader as it breaks down PSEL and follows with bulleted examples and scenarios that illustrate best practice in serving a school effectively and creating a culture of school improvement.

The International Handbook of School Effectiveness Research David Reynolds, Charles Teddlie, 2002-11 What constitutes quality schooling? What are the implications for educational practice and administration? The text looks at these questions and examines international research evidence and reform initiatives with particular emphasis on North America, UK, Australasia, and the Third World. It offers a synopsis of the Third World School Effects Research (SER). The authors claim that the challenges now facing educational leaders is to find a balance between SER and the other school movements and to ask more demanding questions of our educational systems.

in need of attention and tackle them. It provides case study accounts of schemes in a number of schools together with accounts of the action research based development work undertaken by teachers to improve their schools. The studies illuminate issues such as improving the quality of learning and teaching, developing an effective school council, building partnerships and community schemes, developing economic and industrial understanding. Encyclopedia of Educational Leadership and Administration Fenwick W. English, 2006-02-16. The SAGE Encyclopedia of Educational Leadership and Administration presents the most recent theories, research, terms, concepts, ideas and histories on educational leadership and school administration as taught in preparation programs and practiced in schools and colleges today. With more than 600 entries written by more than 200 professors, graduate students, practitioners and association officials, the two volumes of this encyclopedia represent the most comprehensive knowledge base of educational leadership and school administration that has as yet been compiled. **Resources in Education**, 2001-04. **Selected Readings in Educational Leadership** Azam bin Othman, Hairuddin bin Mohd. Ali, 2016. Foundations of Education Leslie S. Kaplan, William A. Owings, 2022-01-21. Foundations of Education makes core topics in education accessible and personally meaningful to students pursuing a career within the education profession. The Third Edition offers readers the breadth of coverage, scholarly depth and conceptual analysis of contemporary issues that will help them gain a realistic and insightful perspective of the field. Preparing School Leaders for the 21st Century Stephan Gerhard Huber, 2004-01-01. The quality and success of schools depend upon school leadership. Increasingly in many countries worldwide, this belief has led to designing and implementing appropriate training and development programs for educational leaders. In an international comparative research project, current school leader training and development programs in fifteen countries were examined. **Formation and Development for Catholic School Leaders: The principal as educational leader** Maria J. Ciriello, 1998-04. Addresses seven competencies in leadership and nine in curriculum and instruction. Includes more than 150 sources in the bibliography. **Managing Schools Towards High Performance** A.J. Visscher, 2013-09-13. This text aims to connect school organization theory with the school effectiveness knowledge base. Each chapter presents a comprehensive overview of the knowledge base on the central theme and addresses the question of what is known about the subject as a school effectiveness enhancing condition. **Subject Leadership and School Improvement** Hugh Busher, Alma Harris, 2000-11-17. Curriculum and subject leadership in schools has recently gained substantial attention from both researchers and policy makers. The Teacher Training Agency (TTA) has reinforced the importance of subject leadership in school improvement, proposing a new measure of such leadership competence through the creation of national subject leader standards (NPQSL). Subject Leadership and School Improvement reflects critically on the work of subject and curriculum leaders, especially in schools in England and Wales, that is those within the policy framework of The National Curriculum and the Teacher Training Agency. The book debates the functions of subject leaders in primary and secondary schools, using current research-based conceptual frameworks and considers how they can bring about

improvement and change with their colleagues in their subject areas It emphasizes what is particular about leading and managing the middle realm of education organizations showing how structural cultural and individual imperatives and perspectives interact with each other in the professional practice of being a subject leader The book is of interest not only to subject leaders and curriculum co ordinators to help them reflect rigorously on their practice but also to those responsible for supervising them such as headteachers and school governors as well as for those accountable to them It will be a useful text for serving teachers undertaking higher degrees programmes or programmes for gaining national standards qualifications the National Professional Qualification for Headteachers NPQH as much as for the NPQSL National Professional Qualification for Subject Leaders when it is implemented
