

Readings in the economics of contract law

Edited by VICTOR P. GOLDBERG

Readings In The Economics Of Contract Law

Edward Allan Farnsworth

Readings In The Economics Of Contract Law:

Readings in the Economics of Contract Law Victor P. Goldberg, 1989 This collection brings together some of the main contributions to an important area of this work the economics of contract law **Economic Principles of Law** Cento G. Veljanovski, 2007-05-31 Economic Principles of Law first published in 2007 applies economics to the doctrines rules and remedies of the common law In plain English and using non technical analysis it offers an introduction and exposition of the economic approach to law one of the most exciting and vibrant fields of legal scholarship and applied economics Beginning with a brief history of the field it sets out the basic economic concepts useful to lawyers and applies these to assess the core areas of the common law property contract tort and crime with particular emphasis on their doctrinal structure and remedies This is done using leading cases drawn from the birthplace of the common law England Wales and other common law jurisdictions The book serves as a primer to the wider use of economics which has become increasingly important for law students lawyers legislators regulators and those concerned with our legal system generally **Bibliography of Law and Economics** B. Bouckaert, G. de Geest, 2013-04-18 Law and economics can be considered as the most exciting development in legal scholarship in recent decades This volume is the first all encompassing bibliography in this area It lists approximately 7000 publications covering the whole area of law and economics including old law and economics topics such as antitrust law labor law tax law social security economic regulation etc as well as new law and economics with such topics as tort law contract law family law procedure criminal law etc The volume also includes the literature on the philosophical foundations and the fundamental concepts of the approach Part Two gives a special survey of law and economics publications in Europe written in other languages than English The Bibliography of Law and Economics is an invaluable reference work for students scholars lawyers economists and other people interested in this field *Economic Analysis of the DCFR* Filomena Chirico, Pierre Larouche, 2010-03-12 The Economic Impact Group EIG was created to support the work on the DCFR with insights from law and economics It brings together a number of leading European law and economics scholars The Group looked at the main elements of the DCFR with two questions in mind from an economic perspective is it sensible to harmonize private law across Europe for this specific element and is the solution chosen in the DCFR optimal This book presents the outcome of the work of the EIG It deals with key issues such as the function of contract law contract formation good faith non discrimination specific performance versus damages standard contractual terms and consumer protection in contract law The EIG complements the work of the drafters of the DCFR with insightful and critical assessments based on the well established law and economics literature *Accounting for Profit for Breach of Contract* Katy Barnett, 2012-05-31 This book defends the view that an award of an account of profits or disgorgement damages for breach of contract will sometimes be justifiable and fits within the orthodox principles and cases in contract law However there is some confusion as to when such an award should be made The moral bases for disgorgement damages are deterrence and punishment which shape the

remedy in important ways Courts are also concerned with vindication of the claimant's performance interest and it is pivotal in these cases that the claimant cannot procure a substitute performance via an award of damages or specific relief The book argues that disgorgement damages should be available in two categories of case second sale cases where the defendant breaches his contract with the claimant to make a more profitable contract with a third party and agency problem cases where the defendant promises the claimant he will not do a certain thing and the claimant finds it difficult to supervise the performance Moreover disgorgement may be full or partial and reasonable fee damages for breach of contract are best understood as partial disgorgement rather than restitutionary damages Equitable bars to relief should also be adopted in relation to disgorgement damages as should allowances for skill and effort This book will be of interest to contract and commercial lawyers and will be especially valuable to anyone with an interest in contract remedies and restitution It draws on case law in a number of common law jurisdictions primarily England and Wales and Australia

An Introduction to the Legal System of the United States, Fourth Edition E. Allan Farnsworth, 2010-07-16 BAn Introduction to the Legal System of the United States Fourth Edition is an updated edition of the classic and world renowned general introduction to the structure and function of the legal system of the United States by E Allan Farnsworth It is especially useful for those readers who lack familiarity with fundamental establishments and practices It includes a new introduction by Steve Sheppard

Contract and Organisation Terence Daintith, Gunther Teubner, 2011-08-30 No detailed description available for Contract and Organisation

International Perspectives on Consumers' Access to Justice Charles E. F. Rickett, Thomas G. W. Telfer, 2003-03-20 Consumer protection law in the age of globalisation poses new challenges for policy makers This book highlights the difficulties of framing regulatory responses to the problem of consumers access to justice in the new international economy The growth of international consumer transactions in the wake of technological change and the globalisation of markets suggests that governments can no longer develop consumer protection law in isolation from the international legal arena Leading scholars consider the broader theme of access to justice from socio legal law and economics perspectives Topics include standard form contracts the legal challenges posed by mass infections such as mad cow disease and CJD ombudsman schemes class actions alternative dispute resolution consumer bankruptcy conflict of laws and cross border transactions This book demonstrates that advancing and achieving access to justice for consumers proves to be a challenging and sometimes elusive task

Forever Contemporary: The Economics of Ronald Coase Cento Veljanovski, 2015-10-26 Ronald Coase is one of the most important economists of the twentieth century Amongst other great achievements Coase taught us why firms exist and how we can better understand how to solve environmental problems He also made a profound contribution to our understanding of the provision of so called public goods and helped join the often distinct intellectual fields of law and

economics Coase coined the phrase blackboard economics to describe an approach to economics that involved ignoring what happens in practice and instead led the profession to obsess with theory He once said If economists wished to study the horse they wouldn't go and look at horses They'd sit in their studies and say to themselves what would I do if I were a horse There is much that students teachers policymakers and regulators can learn from the economics of Ronald Coase and he will no doubt provide a rich seam of material for decades to come The authors of this short book have taken up the challenge They apply Coase's ideas to a number of different areas of economics and in doing so provide a practical and very readable introduction to a number of topics that have direct relevance for regulation and for public policy

Economic Analysis of Property Rights Yoram Barzel, Douglas W. Allen, 2023-08-31 Economic property rights are the fundamental unit of economic analysis necessary to resource allocation organizations and institutions

Implicit Dimensions of Contract David Campbell, Hugh Collins, John Wightman, 2003-07-30 This book explores the significance of implicit understandings and tacit expectations of the parties to different kinds of contractual agreements

Readings In The Economics Of Contract Law Introduction

In today's digital age, the availability of Readings In The Economics Of Contract Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Readings In The Economics Of Contract Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Readings In The Economics Of Contract Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Readings In The Economics Of Contract Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Readings In The Economics Of Contract Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Readings In The Economics Of Contract Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Readings In The Economics Of Contract Law books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Readings In The Economics Of Contract Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Readings In The Economics Of Contract Law books and manuals for download and embark on your journey of knowledge?

FAQs About Readings In The Economics Of Contract Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
