into the rose garden at No 10 to launch the first coalition government since the Second World War it was amid a sea of uncertainty Some doubted whether the coalition could survive a full term or even a full year Five years later this bold departure for British politics had weathered storms spending cuts and military strikes rows referendums and riots In this compelling insider account David Laws lays bare the inner workings of the coalition government from its birth in 2010 to its demise in 2015 As one of the chief Lib Dem negotiators Laws had a front row seat from the very beginning of the parliament Holding key posts in the heart of government he was there for the triumphs the tantrums and the tactical manoeuvrings Now he brings this experience to bear revealing how crucial decisions were made uncovering the often explosive divisions

between and within the coalition parties and candidly exploring the personalities and positions of the leading players on both sides of the government Honest insightful and at times shocking Coalition shines a powerful light on perhaps the most fascinating political partnership of modern times
