The Human Odyssey Thomas Armstrong, PhD, 2019-03-20 This is truly a major contribution brilliant beguiling and as broad in concept as it is deep Jean Houston PhD author of The Possible Human Thomas Armstrong Ph D an award winning educator and expert on human development offers a cross cultural view of life s entire journey from before birth to death to the possibilities of an afterlife Dr Armstrong cites both clinical research and anecdotal evidence in a comprehensive view of the challenges and opportunities we face at every stage of our development His accessible narrative incorporates elements of history literature psychology spirituality and science in a fascinating guide to understanding our past as well as our future I loved the tone the pacing the sense of audience and especially the richness of the associations It s a book that one would like to keep around a guidebook even John Kotre Ph D co author of Seasons of Life The Dramatic Journey from Birth to Death The Human Odyssey is superb magnificent astonishing unique engrossing eminently readable informative enjoyable entertaining profound What else I could go on I hadn t expected anything like so remarkable a book Joseph Chilton Pearce author of The Crack in the Cosmic Egg and Magical Child I have read through The Human Odyssey It is in many ways impressive I also think that it has great commercial potential Many people will find attractive your dual focus on the scientific and the soul spiritual dimensions Howard Gardner Ph D The John H and Elizabeth A Hobbs Professor in Cognition and Education at the Harvard Graduate School of Education author of Frames of Mind I extend my congratulations to you for this monumental undertaking and wish you the very best for your impressive efforts Marian Diamond Ph D Professor Department of Integrative Biology University of California Berkeley co author of Magic Trees of the Mind pioneer researcher into the effect of the environment on brain development dissected Einstein s brain I very much enjoyed The Human Odyssey Your breadth of sources is remarkable and you have put them all together in a smooth and integrative way I think it will be informative for people and also inspiring for them to make their stages of life more meaningful Overall this is an impressive tour de force Arthur Hastings Ph D Professor and Director William James Center for Consciousness Studies Institute of Transpersonal Psychology Past President Association of Transpersonal Psychology Extraordinary I hope that it is read by many people Laura Huxley widow of Aldous Huxley founder of Children Our Ultimate Investment and author of This Timeless Moment and The Child of Your Dreams A wonderful and encyclopedic summary of human development Allan B Chinen M D Clinical Professor of Psychiatry University of California San Francisco author of Once Upon a Mid Life Classic Stories and Mythic Tales to Illuminate the Middle Years and In the Ever After Fairy Tales and the Second Half of Life Absolutely remarkable The Human Odyssey is written with lively scholarship and contains great depth and breadth a wide

range of fascinating materials and many useful resources. It's a kind of everything book. George Leonard, the granddaddy of the consciousness movement, *Newsweek* and author of *The Transformation* and *The Ultimate Athlete*. *The Human Odyssey* provides readers with a fresh approach to developmental psychology. Dr. Armstrong has included a spiritual dimension of human growth that is lacking from most accounts but which is essential for a complete understanding of the human condition. It is a splendid, brilliant work. Stanley Krippner, Ph.D., former president of the Association for Humanistic Psychology, author of *Personal Mythology*, *The Psychology of Your Evolving Self*, and co-editor of *The Psychological Impact of War Trauma on Civilians: An International Perspective*. An integral approach to human development from birth to death that provides practical information for all who see spirit interpenetrating all of life. Michael Murphy, co-founder of the Esalen Institute and author of *The Future of the Body*, *The Life We Are Given*, and *God and the Evolving Universe*. This is a thoroughly researched and beautifully written account of the story of human development. Drawing on the most recent scientific studies as well as literature and films, mythology and major spiritual traditions, Armstrong shows the way to a truly integrated understanding of the complexities of the human life cycle. Ralph Metzner, Ph.D., author of *Maps of Consciousness* and *The Unfolding Self*, co-author with Timothy Leary and Richard Alpert of *The Psychedelic Experience*, which was the inspiration for the Beatles song "Tomorrow Never Knows." I loved this book. What a vast terrain it covers. I enjoyed the way it wove into each developmental stage a rich array of materials from Greek myths, Martin Buber, psychology, rituals, spirituality, and so many wonderful stories. As people read this book, they will be much more aware of the different stages of life and how they impact all of us personally and collectively. Barbara Findeisen, President, The Association for the Prevention of Cruelty to Children. *The Human Odyssey* is just that: a tour de force by one of the leading experts in whole person development. I've never before seen such a comprehensive and readable work on the many stages that we humans go through on our journey through this life. John W. Travis, M.D., founder of the first wellness center in the United States in 1975, co-author of *Wellness Workbook* and co-founder of Alliance for Transforming the Lives of Children. Thomas Armstrong's *The Human Odyssey* is an extraordinary book, an intellectual feast. Armstrong has amassed and integrated an amazing amount of information from developmental and transpersonal psychology, modern consciousness research, biology, anthropology, mythology, and art, and created an extraordinary guide through all the stages of the adventure of human life. While the rich content of this book will impress professional audiences, its clear and easy style makes it quite accessible to the general public. Stanislav Grof, M.D., former Chief of Psychiatric Research, Maryland Psychiatric Research Center, author of *Realms of the Human Unconscious*, *Beyond the Brain*, *Birth, Death, and Transcendence in Psychotherapy*, and *Adventures in Self-Discovery*. Thomas Armstrong has written a brilliant, caring, and beautiful book on the human lifecycle. Such an all-inclusive book is rare and adds a sense of the wholeness of life into and beyond death in the mere reading of it. Stuart Sovatsky, Ph.D., author of *Words From the Soul*, *Your Perfect Lips*, and *Eros, Consciousness, and Kundalini*, and co-President of

the Association of Transpersonal Psychology I cannot imagine anyone who will not benefit from this wise beautifully written description of life's journey. If you are looking for encouragement, understanding, and strength, this is your book. Larry Dossey M.D., author of *The Extraordinary Power of Ordinary Things* and *Healing Words*, a beautiful compilation of world wisdom, well-written and inspiring. James Fadiman Ph.D., co-founder of the Institute for Transpersonal Psychology and author of *The Other Side of Haight*, Armstrong synthesizes an enormous amount of material from many fields and wisdom traditions to create a book that is fresh, provocative, and important. His holistic approach presents us with the largest possible map as we navigate across our own lives. Bravo, Captain Mary Pipher, author of *Writing to Change the World* and *Reviving Ophelia*. Thomas Armstrong is an original thinker whose perceptions broaden our understanding of children, education, and society. In *The Human Odyssey*, Armstrong provides a comprehensive framework for human development with characteristic depth and optimism. Peggy O'Mara, Editor and Publisher of *Mothering Magazine*. This is truly a major contribution, brilliant, beguiling, and as broad in concept as it is deep. Jean Houston Ph.D., author of *The Possible Human*. [Jumpstart Your Job](#) Marcia J. Hall, 2007-11. In her practical and entertaining book, Hall describes the qualities people at any stage of their career must display to succeed in the workplace. **Subject Guide to Books in Print**, 1991. **Counseling Women Across the Life Span** Jill Schwarz, 2017-03-15. Dr. Jill Schwarz's *Counseling Women Across the Lifespan* is tailor-made for gender-specific counseling courses. This text is highly accessible and comprehensive and includes specific learning objectives, state-of-the-art research, and questions for student reflection and discussion. Importantly, each chapter is a Call to Action for all counselors to be advocates for change in a world that desperately needs empowering approaches for counseling girls and women. Mark Woodford. Within the pages of *Counseling Women Across the Lifespan* lay the seeds of professional and personal transformation. The text provides a comprehensive review of the issues that today's women face while providing practical ideas for intervention and advocacy. With thought-provoking reflection questions at the end of each chapter, testimonials from graduate students who have been transformed as a result of this work, and actionable steps that you can take on behalf of women's rights, you cannot be but changed after engaging with this compelling text. Corinne Zupko. This book, the first comprehensive text to focus specifically on counseling women and girls, provides a sweeping overview of female life-span development and issues and offers a unique integration of prevention, advocacy, and interventions. With contributions from leading scholars and practitioners in diverse fields, it provides information, resources, and practical suggestions that counselors can use to help empower individual women and girls to live as their authentic selves and to engage as effective collaborators in addressing societal inequities. With a strong focus on empowerment and adherence to a social justice framework, the book highlights the value of mental health practitioners employing strengths-based approaches and advocating for systemic change. Based on a foundation of understanding females' diverse holistic development, the text explores the major theoretical approaches relevant to counseling and psychotherapy with women and girls. It then discusses

the key issues faced by females at different developmental stages and describes appropriate counseling strategies for each focusing on prevention as well as intervention Specific concerns and strategies for women in different contexts such as education physical health and body image concerns and violence are emphasized Unique to the text is coverage of how men specifically can serve as allies and advocates in creating healthier and safer societies for women and girls Replete with supporting features such as learning objectives self reflection prompts personal narratives discussion questions abundant resources and strategies for how professionals can serve as advocates and change agents this book is an ideal core text for courses on counseling women or gender issues in counseling social work psychology marriage and family therapy and women s studies programs as well as a useful resource for mental health practitioners Key Features Uniquely covers life span development and counseling issues needs and application for females across the life span Emphasizes advocacy prevention and practical intervention strategies Examines the contextual elements that affect the female experience including the oppressive structures in which they live Addresses global perspectives diverse women a social justice framework and empowerment Includes learning objectives first person accounts Calls to Action and self reflection and discussion questions A sample course calendar and syllabus are available to instructors to aid in course development
