Real Life The Story Of A Survivor:

From Victim to Victor: A Survivor's True Story of Her Experiences with School Bullying. How She Overcame, Won Back Her Confidence and Found Peace and Happiness Cherie White, 2017-03-17 Cherie White shares her own story of what were the worst six years of her life during which she was relentlessly bullied after moving to a small Tennessee town. She describes the heartache, loneliness, and despair she felt as a victim of school bullying and how her cries for help went ignored. She is brutally honest about how she viewed her bullies and the bystanders who watched but did nothing to help. She is also candid about how she too became a bully and the torment she inflicted on her own victims whom she herself viewed as inferior as a means to preserve what little self-esteem she had left and feel better about herself. Finally, she tells of how she was able to escape her tormentors by changing schools, make several new friends out of her new classmates, and go from victim to victor. From Victim to Victor is a story of survival, trial, heartache, self-discovery, reflection, growth, and the eventual escape and triumph.

James Herbert - The Authorised True Story 1943-2013 Craig Cabell, 2013-08-05. James Herbert reigned supreme as Britain's undisputed master of horror before his death in March 2013. But his legacy lives on in this fully authorised work. Craig Cabell examines the story behind horror writing's most darkly brilliant mind. For almost 40 years, Herbert was Britain's most popular horror author. With sales of over 50 million copies, he carved a niche in quality bestselling fiction. All of his own. Famous for his Rats trilogy and *The Fog*, he broke away from the cut and thrust populist horror novels of the 1970s and 80s to more thought-provoking works featuring the scientific reasoning behind the manifestations of the ghosts and spirits in which he truly believed. Books such as *Others*, *Once*, and *The Secret of Crickley Hall* bear testament to his growth as a writer and his continuing desire to chill his readers. Craig Cabell's exploration into the dark, sinister world of James Herbert is given incredible depth thanks to a series of over a dozen exclusive, candid interviews. Drawing striking parallels between Herbert's career and the events of his life, this work sheds light on the personal demons which drove the boy from London's East End to become the pre-eminent horror writer of his generation. Cabell, a friend and confidant of Herbert's until the very end, shares personal correspondence and reminiscences, including one of Herbert's previously unpublished pieces entitled *To Ye All*, to complete a portrait of one of the most iconic authors of the 20th Century. Prepare to be gripped by the utterly absorbing last chapter in the life of the Master of Chills.
