Raising Jesus E.J. Sweeney, 2018-10-31 Life is hard then you die It's as simple as that Dead bodies stay dead So in this modern scientific age how can any reasonable person possibly believe that Jesus actually rose from the dead Santa Claus and the Tooth Fairy turned out to be myths How is Jesus's Resurrection any different How can there possibly be any credible evidence for an event that happened two thousand years ago The resurrection of Jesus is the most important event in the history of the world if it's true If Jesus did rise then he is God the ultimate reality itself In him you can find the meaning of life the secret of

happiness and the way to eternal life Raising Jesus provides the evidence to show that it really is true In this era of alternative facts Raising Jesus relies on the most balanced and up to date scholarship to shed trustworthy new insights into the evidence It does this in an easy to follow systematic way using engaging illustrations to reveal the logic of complex arguments Most importantly it deals head on with the biggest problem most people in our modern scientific age have with the resurrection the philosophical objection that dead people simply don't come back from the dead Raising Jesus ultimately shows how believing Jesus rose from the dead is in fact the most reasonable conclusion you can make *The Teachers' Assembly Herald*, 1908
