## Real Angel:

My Favorites Ben Bova, 2020-10-13 In this new collection Ben Bova has compiled fourteen of his favorite short stories Each story includes an all new introduction with compelling insight into the narrative Exploring the boundaries of the genre Bova not only writes of spaceships aliens and time travel in most of his titles but also speculates on the beginnings of science fiction in Scheherazade and the Storytellers as well as the morality of man in The Angel's Gift Stories such as The Caf Coup and We'll Always Have Paris dip into speculative historical fiction asking questions about what would happen if someone could change history for the better This expansive collection is a key addition for Bova fans and sci fi lovers alike Stories included in this collection Monster Slayer Muzhestvo We'll Always Have Paris The Great Moon Hoax or A Princess of Mars Inspiration Scheherazade and the Storytellers The Supersonic Zeppelin Mars Farts The Man Who Hated Gravity Sepulcher The Caf Coup The Angel's Gift Waterbot and Sam and the Flying Dutchman Church Dogmatics Study Edition 18 Karl Barth, 2010-11-04 The most important theological work of the 20th century in a new edition now available in individual volumes **Morsels of Criticism, tending to illustrate some few passages in the Holy Scriptures upon philosophical principles and an enlarged view of things** Edward King, 1800 The Semantics of Metaphor Samuel R. Levin, 2019-12-01 Originally published in 1977 The Semantics of Metaphor presents a theory for the metaphoric construal of deviant sentences The theory has two aspects The first relates to metaphor considered as a productive process of language and describes the mechanisms that operate in its semantic interpretation This part of the theory is presented in chapters III and IV The second aspect bears on metaphor considered in the context of poetry and develops a conception of metaphoric truth This part of the theory is presented in chapters VI and VII The study is semantic in the sense of dealing with both meaning and truth as these properties pertain to metaphor Of the remaining chapters the first isolates certain problems of a pragmatic nature from the central semantic concern chapter II follows with a survey of recent scholarship on the question of semantic deviance and chapter V compares the theory expounded in chapters III and IV with three other accounts of metaphor *Voices from the Word* Bill Dunphy, 2017-04-17 This is a different kind of book about the Bible The stories will ring a bell for many of you but the details of the stories may not be known to you yet Their voices should sound familiar to you as you read their stories You will meet kings shepherds fishermen soldiers desperados and visionaries mothers fathers teenagers and babies good people and a few bad ones They may be strangers to you but as you get to know them you may recognize their voices as not being that much different from your own or from the voices of people that you know Some of them may already be familiar to you but many others are those quieter voices of the minor characters in the major stories of the Bible *Nothing Like an Ocean* Jim Tomlinson, 2009-03-06 Jim Tomlinson's previous book of short stories Things Kept Things Left Behind won the prestigious Iowa Short Fiction Award and received enthusiastic reviews The New York Times compared the strong sense of place in Tomlinson's writing to that found in the works of Flannery O'Connor and Alice Munro

The stories in his new collection *Nothing Like An Ocean* also reflect Tomlinson's awareness of place revisiting the fictional town of Spivey a community in rural Appalachia where the characters confront difficult circumstances and with quiet dignity try to do what is right In the title story Tomlinson explores themes of forgiveness and acceptance in the lives of two characters Alton Wood a high school math teacher isolated by grief and his sister Fran who is emotionally paralyzed by her part in a tragic death The two take halting steps back into the world after Alton receives an anonymous invitation to a church singles dance These themes also underlie *Angel His Rabbit* and *Kyle McKell* which tells of Dempsie's evening with two men her volatile boyfriend and the recently returned Iraq War amputee whose secret she has been keeping *Loss* and the inevitability of change recur in Tomlinson's stories In *Overburden* Ben a man simultaneously contemplating AARP membership and impending fatherhood travels with his wife Sarah back to eastern Kentucky to visit the oak tree that was essential to their courtship only to find the site as barren and featureless as the moon a casualty of mountaintop removal mining *So Exotic* draws us into the worn environs of Rita's Huddle In Caf where the owner becomes the confidant of Quilla a mousy bank teller who blossoms as the muse of an eccentric artist from Belarus The eleven stories in *Nothing Like An Ocean* evoke a strong sense of small town Kentucky life finding humor in the residents' foibles while never diminishing their inner lives Tomlinson's masterful fiction captures light and dark moments moments that are foreign yet deeply familiar as his characters seek redemption and sometimes find unexpected grace

#### **Do Angels Smooch** Professor Edward

Kapambwe, 2021-06-01 *Do Angels Smooch* Do angels smooch If not why so much obsession in lyrics movies and books about angels and kissing Are there any more surprises that Edward Kapambwe unveils in his book Well there is more For example Kapambwe takes us into an in depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before He brings out novel elements that have never been unveiled previously For example he recounts how angels visit our stores They buy the stuff they need before meeting people Haven't you noticed that no angel has ever appeared nude or with wings in real life They come already dressed just like us and that is why we have been unable to identify them We are surrounded by angels both good and evil Evil angels no longer transform themselves into humans Only good angels still do Since there are no shops in heaven where do they get the stuff they wear Besides that what happens to these apparels after being used The author asserts that angels donate them to Thrift Stores such as Goodwill the Salvation Army and others Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor Have you wondered why they do that It is a deliberate move they take so that ordinary people could buy things worn by angels That begs another question why do they do that The answer is amazing They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings This book explains that point persuasively In addition the author contends that these angels are highly disciplined entities such that they never steal anything from banks stores or homes of rich people even though they are able to do so without being seen Angels are invisible spirits entities However they

have the ability to transform themselves into regular human beings The author throws in another insight He argues and states that helping strangers gives a person the best chance to be visited by an angel The author then explains to us the probabilities of being smooched by an angel Do angels smooch That question points us in the direction of social theology than philosophy It is not a new question but the framing might be Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men With his masterful insight and knowledge of theology and philosophy the author gives a different angle of the workings of angels among us It s not a book to miss If there is one book you need to read in your lifetime Do Angels Smooch should be on top of your list *True Love*
