**Real Christians Don't Attend Christian Churches** Donald Werner, 2019-08-04 A Christian is one who follows Christ accepting the authority of his teachings and commands Yet according to the Christian Church doctrine we don't need to keep Jesus teachings and commands we can reject some or all of them and all we need to do believe The Christian Churches aren't really Christian since they deny Christ by denying his teachings Jesus warned this would happen and told us there would be harsh consequences The church has set many of Jesus and God's commands aside as dictated by their lawless church doctrines I give examples of that in this book Jesus experienced the same problem with the Jews Instead of church doctrine they had their traditions or oral laws which were making them lawless How did Jesus deal with them His parables give that answer and I explain that in the second half of this book This is an eye opening book that will make you evaluate your Christian Church as to how faithful it is to Jesus and God's commands

**Winning Again** Kevin Ver Hoeven, 2021-07-19 The church in little America is on a losing streak and it has been for the past thirty years But it can be stopped and the church can start winning again even in rural areas according to Kevin Ver Hoeven who has spent almost four decades pastoring churches in small places In this book he outlines the sins that are most prevalent in small town America and what churches and worshipers of Christ can do to get better Find out how to focus on thriving on a spiritual level abandon the demons of unbelief spread the Word of God to others The author also recalls the moments when he has had to say goodbye to young families leaving little America for bigger America He has not only said goodbye to friends but he has said goodbye to

brothers and sisters in Christ who would have been pillars in the church and community if they had stayed God is just as committed to building his kingdom in little America as he is in big America and you must never get lured into believing that just because you live in a little place that you have a little God     *The Kingdom Witness Lee, 1980     The Earthen Vessel and Christian Record & Review , 1846     A Treatise on ...
