The real Kruger and the Transvaal Frederick Arthur McKenzie,1900      **Mendelssohn's South African Bibliography**  
Sidney Mendelssohn,1910      The Real Kruger and the Transvaal. Paul Kruger: His Life Story. By Fred. A. McKenzie. The Transvaal Boer Speaking for Himself. By C.N.T. Du Plessis. A Brief History of the Transvaal Republic. By C.T. Bunce. [The Whole Edited by C.T. Bunce. With Plates.]. Charles T. BUNCE, Stephanus Johannes Paulus KRUGER (President of the South African Republic.),1900      *The Times History of the War in South Africa, 1899-1902* Leopold Stennett Amery,1909      **The Annual American Catalog, 1900-1909** ,1902      **Rivalry in Southern Africa 1893-99** M. Seligmann,1998-08-10  
Seligmann focuses on the development of German policy towards the Transvaal and southern Africa in the 1890s During this time Germany's flirtation with President Kruger and her confrontational approach to Britain threatened war How did this come to pass The author examines the roots of German policy and explores consequent rivalries and tensions The conclusions show the importance of South Africa to German imperialism and the role it played in widening German imperial ambitions before the First World War      **The American Catalogue** ,1905      **The Annual American Catalogue Cumulated 1900-1901** ,1902      *The Real Kruger and the Transvaal* ,1900      *The Boer War* Fred R. van Hartesveldt,2000-05-30 One hundred years after the Boer War the British continue to debate what went wrong while the war has significant nationalist overtones in today's South Africa This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War now sometimes called the South African War The bibliography focuses on the military history but also includes some historical accounts of the political debate The first part of the book provides an extended historiographical essay while part two provides an annotated bibliography of the titles discussed in part one  
Historiographical questions concerning the Boer War are numerous Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force while other historians debate the question of British military leadership and organization Questions also revolve around British imperialism and the scramble for Africa Frequently called the second war for freedom by South African authors the war was the reason that South Africa unlike other British colonies gained independence without majority rule This makes the war of continuing relevance to the turmoil in South Africa the collapse of the minority government and the continuing problems of the current government This book will provide a useful tool for those wishing to research the war      *Selected Translations Pertaining to the Boer War.
