Religion And Statecraft Among The Romans

Charles Odahl

Religion And Statecraft Among The Romans:

Religion and Statecraft Among the Romans Alan Wardman, 1982 By the late third century BC the Rome that fought against Hannibal and Carthage was ruled by a polytheistic aristocracy whose members held both religious and political offices. The offices of religion enhanced the citizen's standing within his community and the values of religion were closely linked with civic patriotism. But by the fourth century AD both the rulers and many citizens of Rome had become Christians with Christianity came a powerful religious hierarchy devoted to the service of one God and separate from the emperor's civil and military servants. Its officials had created an organization with aims that could be independent of the state and it valued conformity to the City of God above the patriotism of the state as a worldly power. This book examines these changes and the way in which Roman rulers and politicians made use of public religious rituals to support their own positions and to increase social stability. Roman polytheism was flexible and acquisitive of gods: man gods of the imperial cult and oriental gods to accompany its own local cult figures its Junos and Jupiters. Alan Wardman discusses the reasons for the expanding heaven of Roman gods, the architectural and political forms in which religion was expressed, the function of pagan temples with their cult statues, the nature of Roman priesthood and the conception of the godhead implied in these arrangements. The social and political forms of religion are set in a chronological context from the Late Republic through the conservatism of the age of Augustus, the Empire and finally the reign of Constantine.

Religious Rivalries in the Early Roman Empire and the Rise of Christianity Leif E. Vaage, 2010-10-30 *Religious Rivalries in the Early Roman Empire and the Rise of Christianity* discusses the diverse cultural destinies of early Christianity, early Judaism and other ancient religious groups as a question of social rivalry. The book is divided into three main sections. The first section debates the degree to which the category of rivalry adequately names the issues that must be addressed when comparing and contrasting the social success of different religious groups in antiquity. The second is a critical assessment of the common modern category of mission to describe the inner dynamic of such a process; it discusses the early Christian apostle Paul, the early Jewish historian Josephus and ancient Mithraism. The third section of the book is devoted to the rise of Christianity primarily in response to the similarly titled work of the American sociologist of religion Rodney Stark. While it is not clear that any of these groups imagined its own success necessarily entailing the elimination of others, it does seem that early Christianity had certain habits both of speech and practice which made it particularly apt to succeed in the Roman Empire.

Judaism and Christianity in First-Century Rome Karl P. Donfried, Peter Richardson, 2003-12-22 Rome as the center of the first century world was home to numerous ethnic groups among which were both Jews and Christians. The dealings of the Roman government with these two groups and their dealings with each other are the focus of this engaging book. Peter Richardson shows that inscriptions expand considerably our knowledge about synagogues in Rome. L. Michael White discusses what the archeological epigraphic evidence reveals about the synagogue and society of Ostia. Graydon F. Snyder explores the theme of inculturation looking

closely at the level of interaction of Jews with non Jews in Rome and of Christians with Roman culture Leonard Victor Rutgers examines the inconsistent nature of Rome s legal policies toward the Jews Rudolf Braendle and Ekkehard W Stegemann detail the formation of the first Christian congregations already present James S Jeffers describes the family life of Jews and Christians in Rome Carolyn Osiek discusses from an insightful and unique perspective the social character of Roman Christianity James C Walters considers the evolving relations between Christians and non Christian Jews in Rome and how their interactions were affected by Roman intervention William L Lane traces the continuities and discontinuities in Roman Christianity in the period from Nero to Nerva Finally Chrys C Caragounis finding clues in Romans and 1 Clement challenges much of the consensus concerning the social situation of Roman Christianity Based on the latest biblical and historical scholarship and archaeological evidence this volume will be a valuable resource for students of first century Judaism and Christianity

Roman Political Thought Dean Hammer,2014-07-28 This book is the first comprehensive treatment of Roman political thought arguing that Romans engaged in wide ranging reflections on politics *Classica et Mediaevalia vol.49* Ole Thomsen,1999-02-17 *Classica et Mediaevalia Volume 49 In Search of the Romans (Second Edition)* James Renshaw,2019-12-12 *In Search of the Romans* is a lively and informative introduction to ancient Rome Making extensive use of ancient sources and copiously illustrated with photographs drawings maps and plans now for the first time in colour its opening two chapters guide the reader through the events of Roman history from the foundation of the city to the fall of the empire Subsequent chapters introduce the most important aspects of the Roman world the army and the provinces religion society and entertainment the final two chapters focus on Pompeii and Herculaneum the two cities destroyed by Vesuvius New to this edition are sections on the Augustan principate on the Roman army on life in the provinces and on engineering innovations while the existing text is revised throughout The narrative includes descriptions of many individuals from the Roman world drawn from a variety of social settings Activity boxes and further reading lists throughout each chapter aid students understanding of the subject Review questions challenge students to read further and reflect on some of the most important social political and cultural issues of ancient Rome as well as to compare them with those of their own society The new edition is supported by a website that includes images maps and timelines further reading and related links

Blood in the Arena Alison Futrell,2010-05-28 Fresh perspectives on the study of the Roman amphitheater providing important insights into the psychological dimensions of gladiatorial combat *Classical World* From the center of Imperial Rome to the farthest reaches of ancient Britain Gaul and Spain amphitheaters marked the landscape of the Western Roman Empire Built to bring Roman institutions and the spectacle of Roman power to conquered peoples many still remain as witnesses to the extent and control of the empire In this book Alison Futrell explores the arena as a key social and political institution for binding Rome and its provinces She begins with the origins of the gladiatorial contest and shows how it came to play an important role in restructuring Roman authority in the later Republic She then traces the spread of amphitheaters across the

Western Empire as a means of transmitting and maintaining Roman culture and control in the provinces Futrell also examines the larger implications of the arena as a venue for the ritualized mass slaughter of human beings showing how the gladiatorial competition took on both religious and political overtones This wide ranging study which draws insights from archaeology and anthropology as well as Classics broadens our understanding of the gladiatorial show and its place within the highly politicized cult practice of the Roman Empire

All Things Julius Caesar Michael Lovano, 2014-12-02 Julius Caesar's life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar's World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar's time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences

Roman Republican Augury Lindsay G. Driediger-Murphy, 2019-03-07 Roman Republican Augury Freedom and Control proposes a new way of understanding augury a form of Roman state divination designed to consult the god Jupiter Previous scholarly studies of augury have tended to focus either upon its legal constitutional effects or upon its role in maintaining and perpetuating Roman social and political structures This volume makes a new contribution to the study of Roman religion politics and cultural history by focusing instead upon what augury can tell us about how Romans understood their relationship with their gods Augury is often thought to have told Romans what they wanted to hear This volume argues that augury left space for perceived expressions of divine will which contradicted human wishes and that its rules and precepts did not permit human beings to create or ignore signs at will This analysis allows the Jupiter whom Romans approached in augury to emerge as not simply a source of power to be channelled to human ends but a person with his own interests and desires which did not always overlap with those of his human enquirers When human will and divine will clashed it was the will of Jupiter which was supposed to prevail In theory as in practice it was the Romans not their supreme god who were

bound by the auguries and auspices *Ottavo Contributo Alla Storia Degli Studi Classici E Del Mondo Antico* Arnaldo Momigliano,1987 **Constantine and the Christian Empire** Charles Odahl,2010-07-02 This biographical narrative is a detailed portrayal of the life and career of the first Christian emperor Constantine the Great 273 337 Combining vivid narrative and historical analysis Charles Odahl relates the rise of Constantine amid the crises of the late Roman world his dramatic conversion to and public patronage of Christianity and his church building programs in Rome Jerusalem and Constantinople which transformed the pagan state of Roman antiquity into the Christian empire medieval Byzantium The author s comprehensive knowledge of the literary sources and his extensive research into the material remains of the period mean that this volume provides a more rounded and accurate portrait of Constantine than previously available This revised second edition includes An expanded and revised final chapter A new Genealogy and an expanded Chronology New illustrations Revised and updated Notes and Bibliography A landmark publication in Roman Imperial early Christian and Byzantine history Constantine and the Christian Empire will remain the standard account of the subject for years to come

Julius Caesar Richard A. Billows,2008-11-28 This thoroughly up to date English biography provides an account of Caesar s life it is both lively and engaging offering an imaginative recounting of actions and events while giving a thorough coverage and analysis **On Roman Time** Michele Renee Salzman,1991-03-25 Because they list all the public holidays and pagan festivals of the age calendars provide unique insights into the culture and everyday life of ancient Rome The Codex Calendar of 354 miraculously survived the Fall of Rome Although it was subsequently lost the copies made in the Renaissance remain invaluable documents of Roman society and religion in the years between Constantine s conversion and the fall of the Western Empire In this richly illustrated book Michele Renee Salzman establishes that the traditions of Roman art and literature were still very much alive in the mid fourth century Going beyond this analysis of precedents and genre Salzman also studies the Calendar of 354 as a reflection of the world that produced and used it Her work reveals the continuing importance of pagan festivals and cults in the Christian era and highlights the rise of a respectable aristocratic Christianity that combined pagan and Christian practices Salzman stresses the key role of the Christian emperors and imperial institutions in supporting pagan rituals Such policies of accomodation and assimilation resulted in a gradual and relatively peaceful transformation of Rome from a pagan to a Christian capital *Always I Am Caesar* W. Jeffrey Tatum,2008-04-30 By examining his military and political career home life and relationships with women *Always I Am Caesar* provides a vivid portrait of Caesar s life and the times of ancient Rome during its transition from republic to empire Provides a richer portrait of Caesar s life by viewing him from multiple perspective and relating him to broader Roman society Explores aspects of Caesar s career in cultural and social terms Engaging and witty style will appeal to general readers

Separatist Christianity David A. Lopez,2004-10 By establishing the coherence and ubiquity of this separatist philosophy Lopez offers a fresh new interpretation of the history of the early church **Free to Love** John Buckel,1993 Paul s notion of

Christian liberty must be understood within the context of love God's love for humanity as manifested in the person of Jesus Christ and the believer's love for God and neighbor The apostle informs the Christians under his care that they have been freed from the enslavement of sin and death so that they might love more fully By virtue of their union with the risen Lord Christians are free to love in the deepest sense of the word God others and themselves John Buckel is a priest of the Archdiocese of Indianapolis and an alumnus of the Katholieke Universiteit Leuven He is currently Assistant Professor of New Testament exegesis at St Meinrad School of Theology He has lectured extensively on St Paul throughout the United States

The Patrician Tribune W. Jeffrey Tatum, 2014-02-25 Publius Clodius Pulcher was a prominent political figure during the last years of the Roman Republic Born into an illustrious patrician family his early career was sullied by military failures and especially by the scandal that resulted from his allegedly disguising himself as a woman in order to sneak into a forbidden religious ceremony in the hope of seducing Caesar's wife Clodius survived this disgrace however and emerged as a major political force He renounced his patrician status and was elected tribune of the people As tribune he pursued an ambitious legislative agenda winning the loyalties of the common people of Rome to such a degree that he was soon able to summon forceful even violent demonstrations on his own behalf The first modern comprehensive biography of Clodius *The Patrician Tribune* traces his career from its earliest stages until its end in 52 B C when he was murdered by a political rival Jeffrey Tatum explores Clodius's political successes as well as the limitations of his popular strategies within the broader context of Roman political practices In the process Tatum illuminates the relationship between the political contests of Rome's elite and the daily struggles of Rome's urban poor

Nature Embodied Anthony Corbeill, 2018-06-05 Bodily gesture A Roman worshipper spins in a circle in front of a temple Faced with death a Roman woman tears her hair and beats her breasts Enthusiastic spectators at a gladiatorial event gesticulate with thumbs Examining the tantalizing glimpses of ancient bodies offered by surviving Roman sculptures paintings and literary texts Anthony Corbeill analyzes the role of gesture in medical and religious ritual in the gladiatorial arena in mourning practice in aristocratic competition of the late Republic and in the court of the emperor Tiberius Adopting approaches from anthropology gender studies and ecological theory *Nature Embodied* offers both a series of case studies and an overarching narrative of the role and meanings of gesture in ancient Rome Arguing that bodily movement grew out of the relationship between Romans and their natural social and spiritual environment the book explores the ways in which an originally harmonious relationship between nature and the body was manipulated as Rome became socially and politically complex By the time that Tacitus was writing about the reign of Tiberius the emergence of a new political order had prompted an increasingly inscrutable equation between truth and the body and something vital in the once harmonizing relationship between bodies and the world beyond them had been lost *Nature Embodied* makes an important contribution to an expanding field of research by offering a new theoretical model for the study of gesture in classical times

Personality Cult and Politics in Mugabe's Zimbabwe Ezra Chitando, 2020-06-08 This

book approaches perceptions of Robert Gabriel Mugabe within Zimbabwe and beyond during his period in power and towards the end of his time in government The book examines how Mugabe became the focus of a thriving personality cult studying the argument that Mugabe could be regarded as the founder of a new religious movement in Zimbabwe and the Global South The contributors analyse the use of ideology and mythology in promoting Mugabe s hegemony in Zimbabwe looking at the appropriation of religious ideas by the Mugabe government and the impact this had on perceptions of Mugabe both within Zimbabwe and beyond Focusing on the final years of Mugabe s rule the chapters provide new insights into how different actors including politicians African Traditional Religions African Independent Initiated Churches Pentecostal churches the media and others deployed religious idioms to support or critique Mugabe at a time when his tenure was coming under serious threat This book will be of interest to students and scholars of Southern African politics and religion

Alexander or Jesus? William Broad, 2015-03-09 To many people the four Gospels are seen as biographies of Jesus of Nazareth who was declared by God to be his Son To many more these Gospels are works of theology incorporating the myths stories and legends surrounding a then little known young Jew who lived two thousand years ago This book explores the reasons why such a comparatively obscure person should be called Son of God soon after his death William Broad sets stories of Jesus against the backdrop of the religions of the time and shows how St Paul in Greece chose the mythical title son of a god for Jesus as being one that would attract the attention of his Gentile hearers and reveal his great significance However Broad notes that Jesus was not the first historical person to have been called a son of god Alexander the Great had been so titled 350 years before Alexander or Jesus explores stories of this remarkable king and shows that these tales significantly affected the way the Gospels declared the Divine Sonship of Jesus It further reveals that Jesus birth and his epiphany are not the unique events that many believe

This is likewise one of the factors by obtaining the soft documents of this **Religion And Statecraft Among The Romans** by online. You might not require more get older to spend to go to the book inauguration as competently as search for them. In some cases, you likewise pull off not discover the proclamation Religion And Statecraft Among The Romans that you are looking for. It will utterly squander the time.
