Religion And Theology A Guide To Current Reference Resources:

Religion & Theology Lawrence Dennis McIntosh, 1997 A bibliographic guide to current reference works in the fields of religion and theology for students teachers and librarians Concentrates on items designed to assist with serious study which have been published since the early 1980s Special emphasis on items published in Australia and New Zealand Includes various indexes

Historical Dictionary of Australia Norman Abjorensen, James C. Docherty, 2014-12-05 Australia's development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia

A Most Delicate Monster Jean Dartnall, 1998-12-31 A Most Delicate Monster will be particularly useful for practitioners The focus is on the running of small special libraries and particularly the one person library A professional outlook is maintained without neglecting the full range of tasks required in a one person library The practical orientation is supported by the use of checklists Although the book is written with special librarians in mind others will find it useful especially solo librarians

The Australian Library Journal, 1998

Disaster Recovery for Archives, Libraries and Records Management Systems in Australia and New Zealand Judith Doig, 1997-02-28 Floods fires or earthquakes can cause critical damage to books and to records A recovery effort which is well intentioned but ill informed or hasty may make the damage far worse What should be done What should not be done This is the first book on disaster recovery specifically tailored for the Australasian market The book discusses factors which should be considered by managers before setting up a disaster recovery plan including prevention and insurance It covers in detail the content and development of a disaster plan and considers training programs for those staff who are involved There is an account of the history of disaster recovery with special attention given to disasters occurring in Australia and New Zealand and to the recovery efforts which have been mounted
