**Philosophy Culture and Vision: African Perspectives** Gyekye, Kwame, 2014-05-08

Believing that the intellectual enterprise called philosophy is essentially a part of the cultural as well as historical experience of a people that the concepts and problems that occupy the attention of philosophers placed in different cultural spaces or historical times generally derive directly from those spaces and times and that philosophy in turn has been most relevant to the development of human cultures the Ghanaian philosopher Kwame Gyekye gives reflective attention in this book to some of the concepts and problems that in his view feature most prominently in the contemporary African cultural social political and moral experience Such concepts and problems include the following political legitimacy development culture and the pursuit of science and technology political corruption democracy representation and the politics of inclusion the status of cultural values in national orientation understanding globalization and others It is these topics that are covered in the essays collected in this book The unrelenting pursuit of the speculative activity by the philosopher in most cases eventuates in normative proposals these normative proposals often embody a vision a vision of an ideal human society in terms of its values politics and culture Vision understood here has human not supernatural or divine origination and involvement and requires action by human beings in order for it to come into reality A vision may derive from sustained critical evaluation of a culture or some elements of it Gyekye attempts an articulation of the visions of the essays contained in the book Even though philosophical ideas and concerns are originally inspired by and worked out in a cultural milieu it does not necessarily follow Gyekye strongly believes that the relevance of those ideas and insights is to be tethered to the cultures that produced them For more often than not the relevance of those ideas or at least some of them transcends the confines of their own times and cultures and can be appreciated by other societies or cultures or generational epochs This trans cultural or trans epochal or meta contextual appeal or attraction of philosophical ideas and insights spawned by a particular culture or cluster of cultures or in specific historical times is to be put down to our common human nature including our basic human desires and aspirations Thus most of the essays published here should be of interest to the global community i e to cultures and societies beyond the African

**African Theology, Philosophy, and Religions** Julius Gathogo, Chammah J. Kaunda, 2020-11-24

In African Theology Philosophy and Religions Celebrating John Samuel Mbiti s Contribution contributors explore John Samuel Mbiti s contributions to African scholarship and demonstrate how he broke through the western glass ceiling of scholarship and made African informed and African shaped scholarship a reality Contributors examine the far reaching implications of Mbiti s scholarship arguing that he shifted the contemporary African Christian landscape and informed global expressions of

Christianity African Theology Philosophy and Religions analyzes Mbiti's scholarship and shows that his theories are malleable and fluid allowing a new generation of scholars to reinterpret reconstruct and further develop his theories This collection brings together contributors from a wide range of disciplines to study John Samuel Mbiti as the father of contemporary African theology and grapple with questions Africans face in the twenty first century

**Being Scioto Hopewell: Ritual Drama and Personhood in Cross-Cultural Perspective** Christopher Carr, 2022-01-05 This book in two volumes breathes fresh air empirically methodologically and theoretically into understanding the rich ceremonial lives the philosophical religious knowledge and the impressive material feats and labor organization that distinguish Hopewell Indians of central Ohio and neighboring regions during the first centuries CE The first volume defines cross culturally for the first time the ritual drama as a genre of social performance It reconstructs and compares parts of 14 such dramas that Hopewellian and other Woodland period peoples performed in their ceremonial centers to help the soul like essences of their deceased make the journey to an afterlife The second volume builds and critiques ten formal cross cultural models of personhood and the self and infers the nature of Scioto Hopewell people's ontology Two facets of their ontology are found to have been instrumental in their creating the intercommunity alliances and cooperation and gathering the labor required to construct their huge multicomunity ceremonial centers a relational collective concept of the self defined by the ethical quality of the relationships one has with other beings and a concept of multiple soul like essences that compose a human being and can be harnessed strategically to create familial like ethical bonds of cooperation among individuals and communities The archaeological reconstructions of Hopewellian ritual dramas and concepts of personhood and the self and of Hopewell people's strategic uses of these are informed by three large surveys of historic Woodland and Plains Indians narratives ideas and rites about journeys to afterlives the creatures who inhabit the cosmos and the nature and functions of soul like essences coupled with rich contextual archaeological and bioarchaeological taphonomic analyses The bioarchaeological taphonomic method of *l'anthropologie de terrain* new to North American archaeology is introduced and applied In all the research in this book vitalizes a vision of an anthropology committed to native logic and motivation and skeptical of the imposition of Western world views and categories onto native peoples

Philosophy's Higher Education Nigel Tubbs, 2006-01-26 At about the age of 13 I began to realise that my formal education was separating itself off from my philosophical education Of course at the time I did not know it in this way I experienced it as a split between what I was being taught and my experience of what I was being taught It was I now know the philosophical experience of formal schooling It was not until beginning the study of sociology at 16 that I came across the idea of dualisms pairs of opposites that always appeared together but were never reconciled In sociology it was the dualism of the individual and society The question most asked in our classes was always regarding which aspect of the dualism dominated the other The answer we always leaned towards was that both were mutually affected by the other The answer seemed to lie somewhere in the middle It was only at university first as an

undergraduate and then as a postgraduate that I came across the idea of the dialectic. Slowly I began to recognise that the dualisms which plagued social theory I and we self and other good and evil modernity and post modernity autonomy and heteronomy freedom and nature truth and relativism and so many more were not only dialectical in being thought about but also that the thought of them being dialectical had an even stranger quality. It was the same experience as being at school.

**Religion in Philosophical and Cultural Perspective** J. Clayton Feaver, William Horosz, 1967      **Philosophy in Culture** J. Tosam, Peter Takov, 2016-09-13 This book explores the symbiotic relationship between philosophy and culture. Every philosophy emerges as a reaction to or as justification for a particular culture and it is for this reason that philosophy may differ from one culture to another. It argues that philosophy is an essential part of every culture. Philosophy is the means by which every culture provides itself with justification for its values, beliefs, and worldview and also serves as a catalyst for progress. Philosophy critically questions and confronts established beliefs, customs, practices, and institutions of a society. As reflective critical thinking, philosophy is linked to a way of life, a form of enquiry intended to guide behaviour, a form of thinking that sharpens and broadens our intellectual horizon, scrutinizes our assumptions, and clarifies the beliefs and values by which we live. Philosophy helps to liberate the individual from the imprisonment of ignorance, prejudice, superstition, narrow mindedness, and the despotism of custom. Culture constitutes the raw data, the laboratory from which philosophers do their analytic experimentation. Culture is considered as philosophy of the first order activity. The book maintains that any genuine global philosophy must include philosophical traditions from all cultures and regions of the world as it is by seeking alternative philosophical answers to some of the thorniest problems facing humanity that we are most likely to find more lasting solutions to some global problems. In this commitment to a universal humanity we cannot afford to depend on solutions from a single culture or from the most influential cultures.

Christology in Cultural Perspective Colin J. D. Greene, 2015-10-14 Christology defines the very heart of the Christian faith. Traditionally the study of the person and work of Christ has been understood largely as an exercise in biblical exegesis or historical and doctrinal analysis. Rarely if ever has Christology focused on the changing cultural paradigms that have deeply influenced the development of human knowledge and self understanding. This unique volume by Colin Greene reverses that trend and in line with developments in modern cultural theory explores the interlaces between successive cultural contexts and the story of Jesus to which the Scriptures bear witness. Starting with an examination of the three main Christological trajectories that have dominated the history of Christology: cosmological Christology, political Christology, and anthropological Christology, Greene proceeds to concentrate on the subtle and complex linkages between Christology and the sociopolitical paradigms that have bolstered the epistemological assumptions of modernity. Greene's wide ranging study closes with a creative exploration into how Christology might once again provide us with a Christ centered vision of reality.

*Bibliography on East Asian Religion and Philosophy*, 2001 This comprehensive research bibliography compiles, annotates, indexes, and cross references resources in

the principal Western languages which focus on China Japan and Korea in the areas of philosophy and religious studies supporting resources in theology history culture and related social sciences A notable additional feature is the inclusion of extensive Internet based resources such as a wide variety of web sites discussion lists electronic texts virtual libraries online journals and related material

*Understanding End of Life Practices: Perspectives on Communication, Religion and Culture* Chandana Banerjee, 2023-10-18 This book is an exploration of issues that are essential in end of life care Understanding end of life practices across cultures and religions is important in the delivery of patient centered end of life care This book helps clinicians and non clinicians understand the various end of life practices in their vast patient populations further contributing to providing empathetic and compassionate end of life care to patients With the advent of many new options at the end of life this book also explores the modern day approaches to end of life often sought by patients when faced with disease progression and adversity

*Nature in Indian Philosophy and Cultural Traditions* Meera Baindur, 2015-05-19 Working within a framework of environmental philosophy and environmental ethics this book describes and postulates alternative understandings of nature in Indian traditions of thought particularly philosophy The interest in alternative conceptualizations of nature has gained significance after many thinkers pointed out that attitudes to the environment are determined to a large extent by our presuppositions of nature This book is particularly timely from that perspective It begins with a brief description of the concept of nature and a history of the idea of nature in Western thought This provides readers with a context to the issues around the concept of nature in environmental philosophy setting a foundation for further discussion about alternate conceptualizations of nature and their significance In particular the work covers a wide array of textual and non textual sources to link and understand nature from classical Indian philosophical perspectives as well as popular understandings in Indian literary texts and cultural practices Popular issues in environmental philosophy are discussed in detail such as What is nature in Indian philosophy How do people perceive nature through landscape and mythological and cultural narratives In what ways is nature sacred in India To make the discussion relevant to contemporary readers the book includes a section on the ecological and ethical implications of some philosophical concepts and critical perspectives on alternate conceptualizations of nature

*Postcolonial Philosophy of Religion* Purushottama Bilimoria, Andrew B. Irvine, 2009-09-30 The present collection of writings on postcolonial philosophy of religion takes its origins from a Philosophy of Religion session during the 1996 Annual Meeting of the American Academy of Religion held in New Orleans Three presentations by Purushottama Bilimoria Andrew B Irvine and Bhibuti Yadav were to be offered at the session with Thomas Dean presiding and Kenneth Surin responding Yadav unfortunately could not be present because of illness This was the first AAR session ever to examine issues in the study of religion under the rubric of the postcolonial turn in academia Interest at the session was intense For instance Richard King then at work on the manuscript of the landmark *Orientalism and Religion* was present so too was Paul J Griffiths whose subsequent work on interreligious engagement has been so noteworthy In

response to numerous audience appeals revised versions of the presentations eventually were published as a Dedicated Symposium on Subalternity in volume 39 no 1 2000 of *Sophia* the international journal for philosophy of religion metaphysical theology and ethics Since that time the importance of the nexus of religion and the postcolonial has become increasingly patent not only to philosophers of religion but to students of religion across the range of disciplines and methodologies The increased internationalization of the program of the American Academy of Religion especially in more recent years is a significant outgrowth of this transformation in consciousness among students of religion

*Diversifying Philosophy of Religion* Nathan R. B. Loewen, Agnieszka Rostalska, 2023-06-01 Much philosophical thinking about religion in the Anglophone world has been hampered by the constraints of Eurocentrism colonialism and orientalism Addressing such limitations head on this exciting collection develops models for exploring global diversity in order to bring philosophical studies of religion into the globalized 21st century Drawing on a wide range of critical theories and methodologies and incorporating ethnographic feminist computational New Animist and cognitive science approaches an international team of contributors outline the methods and aims of global philosophy of religion From considering the importance of orality in African worldviews to interacting with Native American perspectives on the cosmos and investigating contemplative studies in Hinduism each chapter demonstrates how expertise in different methods can be applied to various geographical regions building constructive options for philosophical reflections on religion *Diversifying Philosophy of Religion* raises important questions regarding who speaks for and represents religious traditions setting the agenda for a truly inclusive philosophy of religion that facilitates multiple standpoints

**Ethics, Human Rights and Culture** X. Li, 2006-01-27 Is it possible given culturally incongruent perspectives to validate any common standards of behaviour Is cultural relativity be a problem when cultures are porous Can we implement human rights without incorporating the idea into the fabric of culture This book addresses such questions with an inventive and original understanding of culture

**Perspectives on Igwebuike Philosophy:** Chiugo C. Kanu Ph.D, Kanayo L. Nwadior Ph.D, Philip Adah Idachaba PhD, 2019-10-18 The study of African philosophy like all great philosophical enquiries around the world is fraught with the wrecks of words wrenched from their original meaning widened or narrowed and forced into a bewildering variety of vessels that chum their ways in seas of semantic confusion African philosophical studies has acquired and added to the many philosophical verbal transmogrifications that came originally from the Igbo of south eastern Nigeria In its turn it has produced its own eccentric philosophical etymology of which perhaps the most striking example is Igwebuike philosophy A reflection on Igwebuike philosophy reveals that it is a product of a meticulous and critical study of African philosophy It is in this light that the scrupulous researcher would dissect the profound thinker behind the Igwebuike philosophy In this book scholars of different hues and academic endeavours have made excursus into the origin originator meaning and relevance of Igwebuike philosophy to contemporary African philosophical scholarship and African societies Research shows that the brain behind

Igwebuike philosophy that is gradually becoming a major part of African philosophical engagement is incontestably Prof Ikechukwu Anthony Kanu O S A Igwebuike itself is a philosophical principle that is drawn from African primordial practice of solidarity and complementarity the works of professional African philosophers African proverbs African folk tales African mythology African symbols African names and African songs Kanayo L Nwadiakor Ph D Nnamdi Azikiwe University Awka

### Religion In Philosophical Cultural Per Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion In Philosophical Cultural Per free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion In Philosophical Cultural Per free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion In Philosophical Cultural Per free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Religion In Philosophical Cultural Per. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion In Philosophical Cultural Per any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Religion In Philosophical Cultural Per Books**

1. Where can I buy Religion In Philosophical Cultural Per books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
