Religion In The 21st Century:

Religion in the 21st Century Margit Warburg, Dr Lisbet Christoffersen, Professor Hanne Petersen, Professor Hans Raun Iversen, 2013-06-28 In spite of the debate about secularization or de secularization the existential bodily need for religion is basically the same as always What have been changed are the horizons within which religions are interpreted and the relationships within which religions are integrated This book explores how religions continue to challenge secular democracy and science and how religions are themselves being challenged by secular values and practices All traditions whether religious or secular experience a struggle over authority and this struggle seems to intensify with globalization as it has brought people around the world in closer contact with each other In this book internationally leading scholars from sociology law political science religious studies theology and the religion and science debate take stock of the current interdisciplinary research on religion and open new perspectives at the cutting edge of the debate on religion in the 21st century

Religion in the 21st Century Lisbet Christoffersen, 2010 Religion in the 21st century is a phenomenon that cannot be taken for granted and is undergoing transformations that present us with new challenges both from a scholarly and societal perspective The nuanced and multifaceted way in which these features are analyzed in this book should be welcomed by all who are interested and concerned with the role of religion on the contemporary scene The combination of accessible scholarship and challenging positions makes this a book for everyone who is interested in religion in the secularized parts of the world The volume contributes to an understanding of how it is not after all a contradiction to be both fully modern and religious Jan Olav Henriksen Norwegian School of Theology Oslo Norway Religion 21st Century M.
