Religion and Social Conflict Robert Lee, 1984 Religion and Social Conflict Robert Lee, Martin Marty, Professor Martin E Marty, 1996-08-22 *Religion, Intolerance, and Conflict* Steve Clarke, Russell Powell, Julian Savulescu, 2013-05-30 The relationship between religion intolerance and conflict has been the subject of intense discussion particularly in the wake of the events of 9 11 and the ongoing threat of terrorism This book contains original papers written by some of the world's leading scholars in anthropology psychology philosophy and theology exploring the scientific and conceptual dimensions of religion and human conflict Authors investigate the following themes the role of religion in promoting social cohesion and the conditions under which it will tend to do so the role of religion in enabling and exacerbating conflict between different social groups and the conditions under which it will tend to do so and the policy responses that we may be able to develop to ameliorate violent conflict and the limits to compromise between different religions The book also contains two commentaries that distill synthesize and critically evaluate key aspects of the individual chapters and central themes that run throughout the volume The volume will be of great interest to all readers interested in the phenomenon of religious conflict and to academics across a variety of disciplines including religious studies philosophy psychology theology cognitive science anthropology politics international relations and evolutionary biology An Introduction to the Sociology of Religion Inger Furseth, Pål Repstad, 2017-03-02 Is it true that religion is weakening in modern times or are we facing religious resurgence What is fundamentalism How does it emerge and grow What role does religion play in ethnic and national conflicts Is religion a fundamental driving force or do political leaders use religion for their own purposes Do all religions oppress women These are some of the questions addressed in this book An Introduction to the Sociology of Religion provides an overview of sociological theories of contemporary religious life Some chapters are organized according to topic Others offer brief presentations of classical and contemporary sociologists from Karl Marx to Zygmunt Bauman and their perspectives on social life including religion Throughout the book illustrations and examples are taken from several religious traditions

Religion and Social Conflict in South Asia Bardwell L. Smith, 2021-12-06 **Religion in Social Conflict** L. K. Solomon, 2013-02-28 This book recognizes the problem areas and concerns of each institution or social force We must recognize acknowledge support and encourage the primary function of each institution and will recognize and establish a working relationship with the leaders of each institution and will come to an agreement with them on institutional goals and objectives The presence of social institutions from ancient times and the universal presence of most of the main types of them in all known societies point to the fact that societies cannot exist without them This obvious indispensability indicates fundamental causes or impelling reasons for their existence They must perform functions which are essential to the life of societies They must be characteristic of human nature as these express themselves in social contacts and situations among associated human behavior which are called social institutions As a newly formed corporation UNOCOM Unity of the

Domination Or Liberation Alistair Kee, 1986 In this book Dr Kee argues that in recent times there has been an interesting shift in the role of religion Historically it has been on the side of domination in the spheres of gender race and class but there are indications that it might now be on the side of liberation

Research in the Social Scientific Study of Religion, Volume 30 Ralph W. Hood, Sariya Cheruvallil-Contractor, 2019-12-16 The 30th volume of Research in the Social Scientific Study of Religion consists of two special sections as well as two separate empirical studies on attachment and daily spiritual practices The first special section deals with the social scientific study of religion in Indonesia Indonesia is a predominantly Muslim country whose history and contemporary involvement in the study of religion is explored from both sociological and psychological perspectives The second special section is on the Pope Francis effect the challenges of modernization in the Catholic church and the global impact of Pope Francis While its focus is mainly on the Catholic religion the internal dynamics and geopolitics explored apply more broadly

Religion and Conflict in Northern Ireland Véronique Altglas, 2022-04-11 Northern Ireland presents a fundamental challenge for the sociology of religion how do religious beliefs attitudes and identities relate to practices violence and conflict In other words what does religion do These interrogations are at the core of this book It is the first critical and comprehensive review of the ways in which the social sciences have interpreted religion s significance in Northern Ireland In particular it examines the shortcomings of existing interpretations and in turn suggests alternative lines of thinking for more robust and compelling analyses of the role s religion might play in Northern Irish culture and politics Through and beyond the case of Northern Ireland the second objective of this book is to outline a critical agenda for the social study of religion which has theoretical and methodological underpinnings Finally this work engages with epistemological issues which never have been addressed as such in the Northern Irish context how do conflict settings affect the research undertaken on religion when religion is an object of political and violent contentions By analysing the scope for objective and critical thinking in such research context this critical essay intends to contribute to a sociology of the sociology of religion

Democracy, Religion, and Commerce Kathleen Flake,Nathan B. Oman,2023-03-13 This collection considers the relationship between religion state and market In so doing it also illustrates that the market is a powerful site for the cultural work of secularizing religious conflict Though expressed as a simile with religious freedom functioning like market freedom free market religion has achieved the status of general knowledge about the nature of religion as either good or bad It legislates good religion as that which operates according to free market principles it is private with no formal relationship to government and personal a matter of belief and conscience As naturalized elements of historically contingent and discursively maintained beliefs about religion these criteria have ethical and regulatory force Thus in culture and law the effect of the metaphor has become instrumental not merely descriptive This volume seeks to productively complicate and invite further analysis of this easy conflation of democracy religion and the market It invites scholars from a variety of disciplines to consider more intentionally the extent to which markets are implicated and illuminate the place of religion in public life The book will be a valuable resource for researchers and academics working in the areas of law and religion ethics and economics Religion in World Conflict Jonathan Fox,Shmeul Sandler,2014-02-04 This new book tackles two crucial

questions First how does religion in its various forms and manifestations influence world politics Second how will adding religion to the discourse on international relations modify our theoretical understanding Each of these leading authors addresses different aspects of these questions in different contexts providing a diverse and multifaceted view of the topic Susanna Pearce and Tanja Ellingsen examine the religious causes of conflict on the macro level Several of the contributors focus on specific conflicts The Gaurav Ghose and Patrick James examine the Kashmir conflict from the Pakistani perspective and Carolyn James and Ozgur Ozdamar examine it from the Indian perspective Similarly Hillel Frisch examines the Palestinian ISraeli conflict from the Palestinian perspective and Jonathan Rynhold examines it from the Israeli perspective Finally two of the authors examine other important issues Stuart Cohen examines the evolution of the religious view of war in the Jewish tradition and Yehudit Auerbach examines whether can play a role in conflict resolution and reconciliation These assessments deliver fascinating conclusions This book was previously published as a Special Issue of Terrorism and Violence

Religion and Belief Tony Lawson,Joan Garrod,Tim Heaton,2009-02-09 Religion belief and faith influence many areas of all our lives whether we follow a particular doctrine or not But are people becoming less religious in the modern age Is

religion a social construction And what do key sociological theorists say about religion This book examines the sociology of religion Looking at belief systems around the world the text questions and explores changing attitudes to religion alongside issues such as secularization fundamentalism and globalization In particular this text Explores contemporary and classic theory Describes key practices and beliefs of particular faith groups Investigates social characteristics associated with religious belief and participation Discusses various approaches to the organisation of religion from traditional institutions to sects and cults Part of the successful Skills Based Sociology series Religion and Belief provides readers with the opportunity to build their knowledge whilst putting their understanding into practice The book s clear structure helpful exercises and exam guidance make this an invaluable resource for students new to the study of religion in society
