

# Religion And The American Civil War

**Steven E. Woodworth**

## **Religion And The American Civil War:**

**Religion and the American Civil War** Randall M. Miller, Harry S. Stout, Charles Reagan Wilson, 1998-11-05 The sixteen essays in this volume all previously unpublished address the little considered question of the role played by religion in the American Civil War The authors show that religion understood in its broadest context as a culture and community of faith was found wherever the war was found Comprising essays by such scholars as Elizabeth Fox Genovese Drew Gilpin Faust Mark Noll Reid Mitchell Harry Stout and Bertram Wyatt Brown and featuring an afterword by James McPherson this collection marks the first step towards uncovering this crucial yet neglected aspect of American history **The Routledge**

**Sourcebook of Religion and the American Civil War** Robert R. Mathisen, 2014-10-24 In recent years the intersection of religion and the American Civil War has been the focus of a growing area of scholarship However primary sources on this subject are housed in many different archives and libraries scattered across the U S and are often difficult to find The Routledge Sourcebook of Religion and the American Civil War collects these sources into a single convenient volume the most comprehensive collection of primary source material on religion and the Civil War ever brought together With chapters organized both chronologically and thematically and highlighting the experiences of soldiers women African Americans chaplains clergy and civilians this sourcebook provides a rich array of resources for scholars and students that highlights how religion was woven throughout the events of the war Sources collected here include Sermons Song lyrics Newspaper articles Letters Diary entries Poetry Excerpts from books and memoirs Artwork and photographs Introductions by the editor accompany each chapter and individual document contextualizing the sources and showing how they relate to the overall picture of religion and the war Beginning students of American history and seasoned scholars of the Civil War alike will greatly benefit from having easy access to the full texts of original documents that illustrate the vital role of religion in the country's most critical conflict **Religion and the American Civil War** Randall M. Miller, Harry S. Stout, Charles Reagan

Wilson, 1998-11-05 The sixteen essays in this volume all previously unpublished address the little considered question of the role played by religion in the American Civil War The authors show that religion understood in its broadest context as a culture and community of faith was found wherever the war was found Comprising essays by such scholars as Elizabeth Fox Genovese Drew Gilpin Faust Mark Noll Reid Mitchell Harry Stout and Bertram Wyatt Brown and featuring an afterword by James McPherson this collection marks the first step towards uncovering this crucial yet neglected aspect of American history Upon the Altar of the Nation Harry S. Stout, 2007-03-27 A profound and timely examination of the moral

underpinnings of the War Between the States The Civil War was not only a war of armies but also a war of ideas in which Union and Confederacy alike identified itself as a moral nation with God on its side In this watershed book Harry S Stout measures the gap between those claims and the war's actual conduct Ranging from the home front to the trenches and drawing on a wealth of contemporary documents Stout explores the lethal mix of propaganda and ideology that came to

justify slaughter on and off the battlefield At a time when our country is once again at war Upon the Altar of the Nation is a deeply necessary book      **Both Prayed to the Same God** Robert J. Miller,2007-09-16 Both Prayed to the Same God is the first book length comprehensive study of religion in the Civil War While much research has focused on religion in a specific context of the civil war this book provides a needed overview of this vital yet largely forgotten subject of American History Writing passionately about the subject Father Robert Miller presents this history in an accessible but scholarly fashion Beginning with the religious undertones in the lead up to the war and concluding with consequences on religion in the aftermath Father Miller not only shows us a forgotten aspect of history but how our current historical situation is not unprecedented      *With God on Our Side* A Glenn Crothers,2018-12-31 Probing a little explored aspect of Civil War history this eye opening volume surveys the ways religious beliefs shaped response to participation in and understanding of the war for the North and the South      **God's Almost Chosen Peoples** George C. Rable,2010 Throughout the Civil War soldiers and civilians on both sides of the conflict saw the hand of God in the terrible events of the day but the standard narratives of the period pay scant attention to religion Now in God s Almost Chosen Peoples Li      **While God is Marching on** Steven E. Woodworth,2001 The American Civil War not only pitted brother against brother but Christian against Christian This is a study of soldiers religious beliefs and how they influenced the course of that tragic conflict It shows how Christian teaching and practice shaped the worldview of soldiers on both sides      **Onward Southern Soldiers** Traci Nichols-Belt,2011-08-18 The Civil War was trying bloody and hard fought combat for both sides What was it then that sustained soldiers low on supplies and morale For the Army of Tennessee it was religion Onward Southern Soldiers Religion and the Army of Tennessee in the Civil War explores the significant impact of religion on every rank from generals to chaplains to common soldiers It took faith to endure overwhelming adversity Religion united troops informing both why and how they fought and providing the rationale for enduring great hardship for the Confederate cause Using primary source material such as diaries letters journals and sermons of the Army of Tennessee Traci Nichols Belt along with Gordon T Belt presents the history of the vital role of the armys religious practices      [A History of Religion in America](#) Bryan Le Beau,2017-09-18 A History of Religion in America From the First Settlements through the Civil War provides comprehensive coverage of the history of religion in America from the pre colonial era through the aftermath of the Civil War It explores major religious groups in the United States and the following topics Native American religion before and after the Columbian encounter Religion and the Founding Fathers Was America founded as a Christian nation Religion and reform in the 19th century The first religious outsiders A nation and its churches divided Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history      **Gettysburg Religion** Steve

Longenecker,2014-01-01 In the borderland between freedom and slavery Gettysburg remains among the most legendary Civil War landmarks A century and a half after the great battle Cemetery Hill the Seminary and its ridge and the Peach Orchard remain powerful memories for their embodiment of the small town North and their ability to touch themes vital to nineteenth century religion During this period three patterns became particularly prominent refinement diversity and war In Gettysburg Religion author Steve Longenecker explores the religious history of antebellum and Civil War era Gettysburg shedding light on the remarkable diversity of American religion and the intricate ways it interacted with the broader culture Longenecker argues that Gettysburg religion revealed much about larger American society and about how trends in the Border North mirrored national developments In many ways Gettysburg and its surrounding Border North religion belonged to the future and signaled a coming pattern for modern America *A Shield and Hiding Place* Gardiner H. Shattuck,1987 The first study to compare the religious life of the Union and the Confederate armies It also offers shrewd insight into the nature of Northern and Southern society Describes the way that military defeat helped rejuvenate the religious tradition of the South Provides fresh evidence of the difference between Northern and Southern society The author s analysis of the different roles religion played in the two armies shows why cultural analysis is essential to understanding both Northern victory and Southern response to defeat A useful beginning point for reevaluating the intellectual history of Civil War America Illustrated

**American Jewry and the Civil War** Bertram Wallace Korn,2001 Long considered a noteworthy title on the Jewish role in early American history this book focuses on the Jewish community as a whole during the tumultuous years of the war and on its effort to raise the concept of human rights and equality above restrictions based on race or religion The Politics of Faith during the Civil War Timothy L. Wesley,2013-05-13 In The Politics of Faith during the Civil War Timothy L Wesley examines the engagement of both northern and southern preachers in politics during the American Civil War revealing an era of denominational governmental and public scrutiny of religious leaders Controversial ministers risked ostracism within the local community censure from church leaders and arrests by provost marshals or local police In contested areas of the Upper Confederacy and Border Union ministers occasionally faced deadly violence for what they said or would not say from their pulpits Even silence on political issues did not guarantee a preacher s security as both sides arrested clergymen who defied the dictates of civil and military authorities by refusing to declare their loyalty in sermons or to pray for the designated nation army or president The generation that fought the Civil War lived in arguably the most sacralized culture in the history of the United States The participation of church members in the public arena meant that ministers wielded great authority Wesley outlines the scope of that influence and considers conversely the feared outcomes of its abuse By treating ministers as both individual men of conscience and leaders of religious communities Wesley reveals that the reticence of otherwise loyal ministers to bring politics into the pulpit often grew not out of partisan concerns but out of doctrinal historical and local factors The Politics of Faith during the Civil War sheds new light on the political motivations of homefront

clergymen during wartime revealing how and why the Civil War stands as the nation's first concerted campaign to check the ministry's freedom of religious expression      *A Visitation of God* Sean A. Scott, 2010-12-03 This book examines the Civil War from the perspective of the northern laity those religious civilians whose personal faith influenced their views on politics and slavery helped them cope with physical separation and death engendered by the war and ultimately enabled them to discern the hand of God in the struggle to preserve the national Union From Lincoln's election to his assassination the book weaves together political military social and intellectual history into a religious narrative of the Civil War on the northern home front Packed with compelling human interest stories this account draws on letters diaries newspapers and church records along with published sources to conclusively demonstrate that many devout civilians regarded the Civil War as a contest imbued with religious meaning In the process of giving their loyal support to the government as individual citizens religious Northerners politicized the church as a collective institution and used it to uphold the Union so the purified nation could promote Christianity around the world Christian patriotism helped win the war but the politicization of religion did not lead to the redemption of the state      *A History of Religion in America* Bryan Le Beau, 2017-09-18 A History of Religion in America From the End of the Civil War to the Twenty First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post 9 11 America The volume explores major religious groups in the United States and examines the following topics The aftermath of the American Civil War Immigration's impact on American religion The rise of the social gospel The fundamentalist response Religion in Cold War America The 60's counterculture and the backlash Religion in Post 9 11 America Chronologically arranged and integrating various religious developments into a coherent historical narrative this book also contains useful chapter summaries and review questions Designed for undergraduate religious studies and history students A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history      **Spiritualism in the American Civil War** R. Gregory Lande, 2020-07-10 America's Civil War took a dreadful toll on human lives and the emotional repercussions were exacerbated by tales of battlefield atrocities improper burials and by the lack of news that many received about the fate of their loved ones Amidst widespread religious doubt and social skepticism spiritualism the belief that the spirits of the dead existed and could communicate with the living filled a psychological void by providing a pathway towards closure during a time of mourning and by promising an eternal reunion in the afterlife regardless of earthly sins Primary research including 55 months of the weekly spiritual newspaper Banner of Light and records of hundreds of soldiers and family members spirit messages reveals unique insights into battlefield deaths the transition to spirit life and the motivations prompting ethereal communications This book focuses extensively on Spiritualism's religious political and commercial activities during the war years as well as the controversies surrounding the faith strengthening the connection between ante and postbellum studies of Spiritualism      *Christ in the Camp* J. William Jones, 2012-09-10 Published in 1887 this is the history of religion and

Christianity in the Confederate Army and the Christian revivals which took place in the Confederate States Army during the Civil War

**Mennonites, Amish, and the American Civil War** James O. Lehman, Steven M. Nolt, 2007-10-28 A study of the American Mennonite and Amish communities response to the Civil War and the effect it had upon them During the American Civil War the Mennonites and Amish faced moral dilemmas that tested the very core of their faith How could they oppose both slavery and the war to end it How could they remain outside the conflict without entering the American mainstream to secure legal conscientious objector status In the North living this ethical paradox marked them as ambivalent participants to the Union cause in the South it marked them as clear traitors In the first scholarly treatment of pacifism during the Civil War two experts in Anabaptist studies explore the important role of sectarian religion in the conflict and the effects of wartime Americanization on these religious communities James O Lehman and Steven M Nolt describe the various strategies used by religious groups who struggled to come to terms with the American mainstream without sacrificing religious values some opted for greater political engagement others chose apolitical withdrawal and some individuals renounced their faith and entered the fight Integrating the most recent Civil War scholarship with little known primary sources and new information from Pennsylvania and Virginia to Illinois and Iowa Lehman and Nolt provide the definitive account of the Anabaptist experience during the bloodiest war in American history I found this book fascinating It is an easy read with lots of arresting stories of faith under test Its amazingly thorough research which comes through on every page makes the book convincing Al Keim Shenandoah Mennonite Historian An impressive work in every way gracefully written broadly researched careful and measured in its conclusions It is likely to become the definitive work on its subject Thomas D Hamm Indiana Magazine of History In this fascinating study Lehman and Nolt perform a miraculous feat they find a small unexplored backwater in the immense sea of literature on the American Civil War Perry Bush Michigan Historical Review

**The Civil War as a Theological Crisis** Mark A. Noll, 2006 Although Christian believers agreed that the Bible was authoritative and that it should be interpreted through commonsense principles there was rampant disagreement about what Scripture taught about slavery This book tells how most Americans were radically divided in their interpretations of what God was doing in and through the Civil War

Thank you enormously much for downloading **Religion And The American Civil War**. Most likely you have knowledge that, people have seen numerous periods for their favorite books once this Religion And The American Civil War, but end up in harmful downloads.

Rather than enjoying a fine book bearing in mind a mug of coffee in the afternoon, on the other hand they juggled considering some harmful virus inside their computer. **Religion And The American Civil War** is welcoming in our digital library an online permission to it is set as public in view of that you can download it instantly. ### **Religion And The American Civil War Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Religion And The American Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And The American Civil War has opened up a world of possibilities. Downloading Religion And The American Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And The American Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion And The American Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And The American Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion And The American Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion And The American Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Religion And The American Civil War Books**

**What is a Religion And The American Civil War PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion And The American Civil War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion And The American Civil War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion And The American Civil War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion And The American Civil War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
