EDWIN S. GAUSTAD

# Religion In America To 1865

**José Casanova**

## Religion In America To 1865:

Religion in America to 1865 Bryan F. LeBeau, 2000-05 The history of religion in the US through the Civil War says LeBeau parallels that of the country's general history in the principle themes of growth diversity and adaptation He explains that whatever their intention religious bodies who arrived in North America found they had to play by a different set of rules and to modify their beliefs and behavior in order to win the hearts and minds of a population that could choose which church to join c Book News Inc     **The March of Faith** Winfred Ernest Garrison, 1969     *A Documentary History of Religion in America* Edwin Scott Gaustad, 1983     **The Columbia Guide to Religion in American History** Paul Harvey, Edward Blum, 2012-02-14 The first guide to American religious history from colonial times to the present this anthology features twenty two leading scholars speaking on major themes and topics in the development of the diverse religious traditions of the United States These include the growth and spread of evangelical culture the mutual influence of religion and politics the rise of fundamentalism the role of gender and popular culture and the problems and possibilities of pluralism Geared toward general readers students researchers and scholars The Columbia Guide to Religion in American History provides concise yet broad surveys of specific fields with an extensive glossary and bibliographies listing relevant books films articles music and media resources for navigating different streams of religious thought and culture The collection opens with a thematic exploration of American religious history and culture and follows with twenty topical chapters each of which illuminates the dominant questions and lines of inquiry that have determined scholarship within that chapter's chosen theme Contributors also outline areas in need of further more sophisticated study and identify critical resources for additional research The glossary American Religious History A Z lists crucial people movements groups concepts and historical events enhanced by extensive statistical data     Religion in the Lands That Became America Thomas A. Tweed, 2025-05-13 A sweeping retelling of American religious history showing how religion has enhanced and hindered human flourishing from the Ice Age to the Information Age Until now the standard narrative of American religious history has begun with English settlers in Jamestown or Plymouth and remained predominantly Protestant and Atlantic Driven by his strong sense of the historical and moral shortcomings of the usual story Thomas A Tweed offers a very different narrative in this ambitious new history He begins the story much earlier 11 000 years ago at a rock shelter in present day Texas and follows Indigenous Peoples African Americans transnational migrants and people of many faiths as they transform the landscape and confront the big lifeway transitions from foraging to farming and from factories to fiber optics Setting aside the familiar narrative themes he highlights sustainability showing how religion both promoted and inhibited individual communal and environmental flourishing during three sustainability crises the medieval Cornfield Crisis which destabilized Indigenous ceremonial centers the Colonial Crisis which began with the displacement of Indigenous Peoples and the enslavement of Africans and the Industrial Crisis which brought social inequity and environmental degradation The unresolved Colonial and Industrial Crises continue to haunt the

nation Tweed suggests but he recovers historical sources of hope as he retells the rich story of America's religious past

Apocalypse and the Millennium in the American Civil War Era Ben Wright, Zachary W. Dresser, 2013-11-04 In the Civil War era Americans nearly unanimously accepted that humans battled in a cosmic contest between good and evil and that God was directing history toward its end The concept of God's Providence and of millennialism Christian anticipations of the end of the world dominated religious thought in the nineteenth century During the tumultuous years immediately prior to and during and after the war these ideas took on a greater importance as Americans struggled with the unprecedented destruction and promise of the period Scholars of religion literary critics and especially historians have acknowledged the presence of apocalyptic thought in the era but until now few studies have taken the topic as their central focus or examined it from the antebellum period through Reconstruction By doing so the essays in *Apocalypse and the Millennium in the American Civil War Era* highlight the diverse ways in which beliefs about the end times influenced nineteenth century American lives including reform culture the search for meaning amid the trials of war and the social transformation wrought by emancipation Millennial zeal infused the labor of reformers and explained their successes and failures as progress toward an imminent Kingdom of God Men and women in the North and South looked to Providence to explain the causes and consequences of both victory and defeat and Americans black and white experienced the shock waves of emancipation as either a long prophesied jubilee or a vengeful punishment Religion fostered division as well as union the essays suggest but while the nation tore itself apart and tentatively stitched itself back together Americans continued looking to divine intervention to make meaning of the national apocalypse Contributors Edward J. Blum, Ryan Cordell, Zachary W. Dresser, Jennifer Graber, Matthew Harper, Charles F. Irons, Joseph Moore, Robert K. Nelson, Scott Nesbit, Jason Phillips, Nina Reid Maroney, Ben Wright

Civil War America, 1850 To 1875 Richard F. Selcer, 2014-05-14 Features essays statistical data period photographs maps and documents

*Religion and the American Civil War* Randall M. Miller, Harry S. Stout, Charles Reagan Wilson, 1998 The authors show that religion understood in its broadest context as a culture and community of faith was found wherever the war was fought in the armies and the hospitals on the plantations and in the households among all conditions of men and women white and black Cover

**America's Religions** Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated

**Church and State in America: A Bibliographical Guide** Bloomsbury Publishing, 1987-08-14 The second in a two volume bibliography on church state relations in U.S. history this book contains eleven critical essays and accompanying bibliographical listings on periods or topics from the Civil War to the present day Each essay reviews the available relevant literature and the listings emphasize critical studies and documents published in the last quarter century This reference work will enable the reader to grasp the historiographic issues become acquainted with the resources available and move on to interpret current as well as past issues more knowledgeably and effectively

**Ordeal of Faith** Francis Phelps Weisenburger, 1959 *Harvard Guide to American History* Frank Freidel, Frank Burt

Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others      **Religion and the American Constitutional Experiment** John Witte, Jr., Joel A. Nichols, 2016-03-11 This accessible introduction tells the American story of religious liberty from its colonial beginnings to the latest Supreme Court cases The authors provide extensive analysis of the formation of the First Amendment religion clauses and the plausible original intent or understanding of the founders They describe the enduring principles of American religious freedom liberty of conscience free exercise of religion religious equality religious pluralism separation of church and state and no establishment of religion as those principles were developed by the founders and applied by the Supreme Court Successive chapters analyze the two hundred plus Supreme Court cases on religious freedom on the free exercise of religion the roles of government and religion in education the place of religion in public life and the interaction of religious organizations and the state A final chapter shows how favorably American religious freedom compares with international human rights norms and European Court of Human Rights case law Lucid comprehensive multidisciplinary and balanced this volume is an ideal classroom text and armchair paperback Detailed appendices offer drafts of each of the religion clauses debated in 1788 and 1789 a table of all state constitutional laws on religious freedom and a summary of every Supreme Court case on religious liberty from 1815 to 2015 Throughout the volume the authors address frankly and fully the hot button issues of our day religious freedom versus sexual liberty freedom of conscience and its limitations religious group rights and the worries about abuse faith based legal systems and their place in liberal democracies and the fresh rise of anti-Semitism Islamophobia and anti Christianity in America and abroad For this new edition the authors have updated each chapter in light of new scholarship and new Supreme Court case law through the 2015 term and have added an appendix mapping some of the cutting edge issues of religious liberty and church state relations      American Religious History Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each

introduced by a contextualizing headnote A selected general bibliography closes volume three Encyclopedia of Religion and Society William H. Swatos,1998 As the new millennium approaches the sacred and profane interface conflict and intermingle in novel ways The Encyclopedia of Religion and Society provides a guide map for these developments From succinct brief notes to essay length entries it covers world religions religious perspectives on political and social issues and religious leaders and scholars present and past in the United States and the world This comprehensive volume is an essential reference for studies in the anthropology psychology politics and sociology of religion Topics include abortion adolescence African American religious experience anthropology of religion Buddhism commitment conversion definition of religion ecology movement Emile Durkheim ethnicity fundamentalism Hinduism Islam Judaism new religious movements organization parish Talcott Parsons racism research methods Roman Catholicism sexism Unification Church Max Weber and many others

Religion and World Civilizations Andrew Holt,2023-06-30 An indispensable resource for readers investigating how religion has influenced societies and cultures this three volume encyclopedia assesses and synthesizes the many ways in which religious faith has shaped societies from the ancient world to today Each volume of the set focuses on a different era of world history ranging through the ancient medieval and modern worlds Every volume is filled with essays that focus on religious themes from different geographical regions For example volume one includes essays considering religion in ancient Rome while volume three features essays focused on religion in modern Africa This accessible layout makes it easy for readers to learn more about the ways that religion and society have intersected over the centuries as well as specific religious trends events and milestones in a particular era and place in world history Taken as a whole this ambitious and wide ranging work gathers more than 500 essays from more than 150 scholars who share their expertise and knowledge about religious faiths tenets people places and events that have influenced the development of civilization over the course of recorded human history *Religion and Sport in North America* Jeffrey Scholes,Randall Balmer,2022-09-13 From athletes praising God to pastors using sport metaphors in the pulpit the association between sport and religion in North America is often considered incidental Yet religion and sport have been tightly intertwined for millennia and continue to inform shape and critique one another Moreover sport rather than being a solely secular activity is one of the most important sites for debates over gender race capitalism the media and civil religion Traditionally scholarly writings on religion and sport have focused on the question of whether sport is a religion using historical philosophical theological and sociological insights to argue this matter While these efforts sought to answer an important question contemporary issues related to sports were neglected such as globalization commercialization feminism masculinity critical race theory and the ethics of doping This volume contains lively up to date essays from leading figures in the field to fill this scholarly gap It treats religion as an indispensable prism through which to view sports and vice versa This book is ideal for students approaching the topic of religion and sport It will also be of interest to scholars studying sociology of religion sociology of sport religion and race

religion and gender religion and politics and sport in general

## **Public Religions in the Modern World José**

Casanova,2011-08-29 In a sweeping reconsideration of the relation between religion and modernity Jose Casanova surveys the roles that religions may play in the public sphere of modern societies During the 1980s religious traditions around the world from Islamic fundamentalism to Catholic liberation theology began making their way often forcefully out of the private sphere and into public life causing the deprivatization of religion in contemporary life No longer content merely to administer pastoral care to individual souls religious institutions are challenging dominant political and social forces raising questions about the claims of entities such as nations and markets to be value neutral and straining the traditional connections of private and public morality Casanova looks at five cases from two religious traditions Catholicism and Protestantism in four countries Spain Poland Brazil and the United States These cases challenge postwar and indeed post Enlightenment assumptions about the role of modernity and secularization in religious movements throughout the world This book expands our understanding of the increasingly significant role religion plays in the ongoing construction of the modern world Our

Country Grant R. Brodrecht,2018-06-05 On March 4 1865 the day Abraham Lincoln delivered his second inaugural address Reverend Doctor George Peck put the finishing touches on a collection of his sermons that he intended to send to the president Although the politically moderate Peck had long opposed slavery he along with many other northern evangelicals was not an abolitionist During the Civil War he had come to support emancipation but like Lincoln the conflict remained first and foremost about preserving the Union Believing their devotion to the Union was an act of faithfulness to God first and the Founding Fathers second Our Country explores how many northern white evangelical Protestants sacrificed racial justice on behalf of four million African American slaves and then ex slaves for the Union s persistence and continued flourishing as a Christian nation By examining Civil War era Protestantism in terms of the Union author Grant Brodrecht adds to the understanding of northern motivation and the eventual failure of Reconstruction to provide a secure basis for African American s equal place in society Complementing recent scholarship that gives primacy to the Union Our Country contends that non radical Protestants consistently subordinated concern for racial justice for what they perceived to be the greater good Mainstream evangelicals did not enter Reconstruction with the primary aim of achieving racial justice Rather they expected to see the emergence of a speedily restored prosperous and culturally homogenous Union a Union strengthened by God through the defeat of secession and the removal of slavery as secession s cause Brodrecht eloquently addresses this so called proprietary regard for Christian America considered within the context of crises surrounding the Union s existence and its nature from the Civil War to the 1880s Including sources from major Protestant denominations the book rests on a selection of sermons denominational newspapers and journals autobiographies archival personal papers of several individuals and the published and unpublished papers of Abraham Lincoln Andrew Johnson and Ulysses S Grant The author examines these sources as they address the period s evangelical sense of responsibility for America while keyed to issues of

national and presidential politics Northern evangelicals love of the Union arguably contributed to its preservation and the slaves emancipation but in subsuming the ex slaves to their vision for Christian America northern evangelicals contributed to a Reconstruction that failed to ensure the ex slaves full freedom and equality as Americans     *The Wiley-Blackwell Companion to Religion and Social Justice* Michael D. Palmer, Stanley M. Burgess, 2020-04-13 The Wiley Blackwell Companion to Religion and Social Justice brings together a team of distinguished scholars to provide a comprehensive and comparative account of social justice in the major religious traditions The first publication to offer a comparative study of social justice for each of the major world religions exploring viewpoints within Christianity Islam Judaism Hinduism Buddhism and Confucianism Offers a unique and enlightening volume for those studying religion and social justice a crucially important subject within the history of religion and a significant area of academic study in the field Brings together the beliefs of individual traditions in a comprehensive explanatory and informative style All essays are newly commissioned and written by eminent scholars in the field Benefits from a distinctive four part organization with sections on major religions religious movements and themes indigenous people and issues of social justice from colonialism to civil rights and AIDS through to environmental concerns

## **Religion In America To 1865 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion In America To 1865 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion In America To 1865 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion In America To 1865 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion In America To 1865. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion In America To 1865 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Religion In America To 1865 Books

1. Where can I buy Religion In America To 1865 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
