Theology and Literature after Postmodernity Zoë Lehmann Imfeld, Peter Hampson, Alison Milbank, 2015-03-12 This volume deploys theology in a reconstructive approach to contemporary literary criticism to validate and exemplify theological readings of literary texts as a creative exercise It engages in a dialogue with interdisciplinary approaches to literature in which theology is alert and responsive to the challenges following postmodernism and postmodern literary criticism It demonstrates the scope and explanatory power of theological readings across various texts and literary genres Theology and Literature after Postmodernity explores a reconstructive approach to reading and literary study in the university setting with contributions from interdisciplinary scholars worldwide

Literature, Religion, and East/West Comparison Anthony C. Yu, 2005 This book pays critical homage to the eminent comparatist of Chinese and Western literature and religion Anthony C Yu of The University of Chicago Broadly comparative cross cultural and interdisciplinary in scope the volume consists of an introductory essay on Yu

s scholarly career and thirteen additional essays on topics such as literary texts and traditions of varying provenance and periods ranging from ancient Greece medieval Europe and nineteenth and twentieth century England and America to China from the classical to modern periods The disciplines and areas of research that the essays draw into constructive engagement with one another include comparative literature religion and literature history of religions or comparative religion religion and social thought and the study of myth Eric Ziolkowski is Professor and Head of the Department of Religious Studies at Lafayette College

Handbook of Religious Culture in Nineteenth-Century Europe Anthony Steinhoff, Jeffrey Zalar, 2024-12-30 This handbook offers a guide to research on religious culture during Europe's long nineteenth century 1800-1914 Grounded in the latest theoretical approaches and in line with trends that have produced a religious turn in the study of modern Europe the volume assesses the state of the field while making provocative recommendations for its enlargement Unique and ambitious in its thematic breadth it addresses the histories of all five of Europe's main religious traditions Eastern Orthodox Christianity Judaism Islam Protestantism and Roman Catholicism and brings these histories into comparative analysis This analysis extends to a wide range of subjects from popular belief and practice education and modern knowledge formation and the arts to the intersections between religion and urbanization civil society and politics and missions and imperialism It also evaluates recent developments in work on religion vis-à-vis both gender and nationalism while calling attention to newer research that proposes secularism as a form of belief in its own right Presenting the scholarship of eighteen leaders in their respective fields the volume explains why religion as a topic of research has moved from the periphery to the center of modern European historiography

Literature and Religious Experience Matthew J. Smith, Caleb D. Spencer, 2022-01-13 This book challenges the status quo of studies in literature and religion by returning to experience as a bridge between theory and practice Essays focus on keywords of religious experience and demonstrate their applications in drama fiction and poetry Each chapter explores the broad significance of its keyword as a category of psychological and social behavior and tracks its unique articulation by individual authors including Conrad Beecher Stowe and Melville Together the chapters construct a critical foundation for studying literature not only from the perspectives of theology and historicism but from the ways that literary experience reflects reinforces and sometimes challenges religious experience

The Oxford Handbook of Early Modern English Literature and Religion Andrew Hiscock, Helen Wilcox, 2017-06-22 This pioneering Handbook offers a comprehensive consideration of the dynamic relationship between English literature and religion in the early modern period The sixteenth and seventeenth centuries were the most turbulent times in the history of the British church and perhaps as a result produced some of the greatest devotional poetry sermons polemics and epics of literature in English The early modern interaction of rhetoric and faith is addressed in thirty-nine chapters of original research divided into five sections The first analyses the changes within the church from the Reformation to the establishment of the Church of England the phenomenon of puritanism and the rise of

non conformity The second section discusses ten genres in which faith was explored including poetry prophecy drama sermons satire and autobiographical writings The middle section focuses on selected individual authors among them Thomas More Christopher Marlowe John Donne Lucy Hutchinson and John Milton Since authors never write in isolation the fourth section examines a range of communities in which writers interpreted their faith lay and religious households sectarian groups including the Quakers clusters of religious exiles Jewish and Islamic communities and those who settled in the new world Finally the fifth section considers some key topics and debates in early modern religious literature ranging from ideas of authority and the relationship of body and soul to death judgment and eternity The Handbook is framed by a succinct introduction a chronology of religious and literary landmarks a guide for new researchers in this field and a full bibliography of primary and secondary texts relating to early modern English literature and religion

Nineteenth-Century Religion, Literature and Society Naomi Hetherington, Rebecca Styler, Angharad Eyre, Richa Dwor, Clare Stainthorp, 2021-11-09 This four volume historical resource provides new opportunities for investigating the relationship between religion literature and society in Britain and its imperial territories by making accessible a diverse selection of harder to find primary sources These include religious fiction poetry essays memoirs sermons travel writing religious ephemera unpublished notebooks and pamphlet literature Spanning the long nineteenth century c 1789 1914 the resource departs from older models of the Victorian crisis of faith in order to open up new ways of conceptualising religion A key concern of the resource is to integrate non Christian religions into our understanding and representations of religious life in this period Each volume is framed around a different meaning of the term religion Volume one on Traditions offers an overview of the different religious traditions and denominations present in Britain in this period Volume two on Mission and Reform considers the social and political importance of religious faith and practice as expressed through foreign and domestic mission and philanthropic and political movements at home and abroad Volume three turns to Religious Feeling as an important and distinct category for understanding the ways in which religion is embodied and expressed in culture Volume four on Disbelief and New Beliefs explores the transformation of the religious landscape of Britain and its imperial territories during the nineteenth century as a result of key cultural and intellectual forces The resource is aimed primarily at researchers and students working within the fields of literature and social and religious history It supplies an interpretative context for sources in the form of explanatory headnotes to each source or group of sources and volume introductions that explore overarching themes Each volume can be read independently but they work together to elucidate the complex and multi faceted nature of nineteenth century religious life

Region, Religion and English Renaissance Literature David Coleman, 2016-04-08 Region Religion and English Renaissance Literature brings together leading scholars of early modern literature and culture to explicate the ways in which both regional and religious contexts inform the production circulation and interpretation of Renaissance literary texts Examining texts by a wide variety of early modern writers including Edmund Spenser Lodowick

Lloyd Richard Nugent Thomas Middleton and John Webster Richard Montagu and John Milton the contributors to this volume enhance our understanding of the complex cultural contexts of early modern Anglophone writing

Debating the Faith: Religion and Letter Writing in Great Britain, 1550-1800 Anne Dunan-Page, Clotilde Prunier, 2012-11-05 The first book to address the role of correspondence in the study of religion *Debating the Faith: Religion and Letter Writing in Great Britain 1550-1800* shows how letters shaped religious debate in early modern and Enlightenment Britain and discusses the materiality of the letters as well as questions of form and genre Particular attention is paid to the contexts in which letters were composed sent read distributed and then destroyed copied or printed in periods of religious tolerance or persecution The opening section Protestant identities examines the importance of letters in the shaping of British protestantism from the underground correspondence of Protestant martyrs in the reign of Mary I to dissident letters after the Act of Toleration Representations of British Catholicism explores the way English Irish and Scottish Catholics whether in exile or at home defined their faith established epistolary networks and addressed political and religious allegiances in the face of adversity The last part Religion science and philosophy focuses on the religious content of correspondence between natural scientists and philosophers

[The Routledge Handbook of Christianity and Culture](#) Yaakov Ariel, Gregor Thuswaldner, Jens Zimmermann, 2024-11-15 The centrality and importance of the intersection of Christianity and culture when it comes to English speaking countries and particularly American culture history and politics is beyond doubt The Routledge Handbook of Christianity and Culture is an outstanding reference source to the key topics problems and debates in this exciting subject Comprising over 35 chapters by a team of international contributors the handbook is divided into five parts Practicing Christianity Christianity and the Word Social and Political Aspects of Christianity and Culture Christianity and Culture in a Global Context Christianity and the Arts Within these parts central issues debates and problems are examined including liturgy material Christianity education missions religion and science hermeneutics Bible translations Christian wars human rights law social action the secular ecumenicalism inter religious relations visual arts literature music theatre and film The Routledge Handbook of Christianity and Culture is essential reading for students and researchers of religious studies and Christian studies The handbook will also be very useful for those in related fields such as cultural studies area studies visual studies literature and material religion

Religion & Literature, 2008 [Pindar and the Emergence of Literature](#) Boris Maslov, 2015-10-14 *Pindar and the Emergence of Literature* places Pindar in the context of the evolution of Archaic Greek poetics While presenting an in depth introduction to diverse aspects of Pindar's art authorial metapoetics imagery genre hybridization religion social context and dialect it seeks to establish a middle ground between cultural contextualism and literary history paying attention both to poetry's historical milieu and its uncanny capacity to endure in time With that methodological objective the book marshals a new version of historical poetics drawing both on theorists usually associated with this approach such as Alexander Veselovsky Mikhail Bakhtin and Olga Freidenberg and on T S Eliot Hans Blumenberg

Fredric Jameson and Stephen Greenblatt The ultimate literary historical problem posed by Pindar's poetics which this book sets out to solve is the transformation of pre literary structures rooted in folk communal art into elements that still inform our notion of literature Leading Works in Law and Religion Russell Sandberg,2018-12-07

Leading Works in Law and Religion brings together leading and emerging scholars in the field from the United Kingdom and Ireland Each contributor has been invited to select and analyse a leading work which has for them shed light on the way that Law and Religion are intertwined The chapters are both autobiographical reflecting upon the works that have proved significant to contributors and also critical analyses of the current state of the field exploring in particular the interdisciplinary potential of the study of Law and Religion The book also includes a specially written introduction and conclusion which critically comment upon the development of Law and Religion over the last 25 years and likely future developments in light of the reflections by contributors on their chosen leading works **Reading the Abrahamic Faiths** Emma Mason,2014-12-18

Rethinking religion and literature in a series of chapters by leading international scholars Reading the Abrahamic Faiths opens up a dialogue between Jewish Christian Islamic and Post Secular literary cultures Literary studies has absorbed religion as another interdisciplinary mode of inquiry without always attending to its multifaceted potential to question ideologically neutral readings of culture belief emotion politics and inequality In response Reading the Abrahamic Faiths contributes to a reevaluation of the nexus between religion and literature that is socially affectively and materially determined in its sensitivity to the expression of belief Each section Judaism Christianity Islam and Post Secularism is introduced by a specialist in these respective areas to introduce the critical readings of the texts and discourses that follow The

Religion Literature And Scholarship Introduction

In today's digital age, the availability of Religion Literature And Scholarship books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion Literature And Scholarship books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion Literature And Scholarship books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion Literature And Scholarship versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion Literature And Scholarship books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion Literature And Scholarship books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion Literature And Scholarship books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion Literature And Scholarship books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion Literature And Scholarship books and manuals for download and embark on your journey of knowledge?
