**Religion, Belief and Social Work** Furness, Sheila, Gilligan, Philip, 2009-11-18 This book examines how religion and  
related beliefs have varied impacts on the needs and perceptions of practitioners service users and the support networks  
available to them The authors argue that social workers need to understand these phenomena so that they can become more  
confident in challenging discriminatory and oppressive practices The centrality of religion and associated beliefs in the lives  
of many is emphasised as are their potentially liberating and potentially negative impacts In line with the Social Work in  
Practice series style the book allows readers to explore issues in depth It focuses on knowledge transmission and the  
encouragement of critical reflection on practice Each chapter is built around real life case scenarios using a problem based  
learning approach This book is the first to deal with social work and religion so comprehensively and will therefore be  
essential reading not only for social work students but also for practitioners in a range of areas social work academics and
