Religious Customs In The Family The Radi

Bob Lochte

Religious Customs In The Family The Radi:

Religious Customs in the Family Rev. Fr. Francis X. Weiser, S.J.,1998-05 Many beautiful traditional religious customs that will give Catholic homes a truly Catholic spirit year round E g blessing of children name days feast days Advent and Christmas customs etc Great reading for all Essential to help every Catholic family overcome secularism Shows the religious source of even such common things as pretzels hot cross buns the Easter ham Thanksgiving Day Spring Cleaning etc What parts of the Christmas Tree are Catholic and which ones came from secular influence Very interesting and useful

Standards of Practice for Radio Broadcasters of the United States of America. Promulgated 1937 National Association of Radio and Television Broadcasters (U.S.),1954 **The Making of Working-Class Religion** Matthew Pehl,2016-09-08 Religion has played a protean role in the lives of America s workers In this innovative volume Matthew Pehl focuses on Detroit to examine the religious consciousness constructed by the city s working class Catholics African American Protestants and southern born white evangelicals and Pentecostals between 1910 and 1969 Pehl embarks on an integrative view of working class faith that ranges across boundaries of class race denomination and time As he shows workers in the 1910s and 1920s practiced beliefs characterized by emotional expressiveness alliance with supernatural forces and incorporation of mass culture s secular diversions into the sacred That gave way to the more pragmatic class conscious religion cultures of the New Deal era and from the late Thirties on a quilt of secular working class cultures that coexisted in competitive though creative tension Finally Pehl shows how the ideology of race eclipsed class in the 1950s and 1960s and in so doing replaced the class conscious with the race conscious in religious cultures throughout the city An ambitiously inclusive contribution to a burgeoning field *The Making of Working Class Religion* breaks new ground in the study of solidarity and the sacred in the American heartland *Infant Mortality, Population Growth and Family Planning in India* S. Chandrasekhar,2012-08-21 First published in 1972 this reissue deals with the crucial issue of population explosion one of the most crucial problems facing the contemporary developing world Written by a world renowned demographer and family planning specialist the book deals specifically with the Indian experience Reviewing population change in India over the last century Professor Chandrasekhar focuses on three key issues the socioeconomic repercussions of reduced infant mortality in twentieth century India the rapid population growth from 1871 and its implications on India s efforts to raise her standard of living and finally India s valiant efforts to promote family planning amongst her hundred million married couples

Stations of the Cross Paul Apostolidis,2000-06-02 Analysis of the nationally broadcast radio program Focus on the Family that argues that the Christian right s popularity stems from its resistance to the increasing influence of market forces in the welfare state the electoral system and the Religion and Politics in the International System Today Eric O. Hanson,2006-01-16 Publisher Description **Christian Radio** Bob Lochte,2015-02-16 Religious programming has been on the airwaves since broadcasting began but today it is one of the fastest growing categories in radio This book examines the

progression of Christian radio from its beginnings on tiny local stations like WCAL from St Olaf's College in Minnesota to its presence on network and satellite radio of today The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio Also considered are the changing demographics that have contributed to the success of Christian broadcasting Major Christian networks and their evangelical missions are discussed along with such programs A Money Minute Life on the Edge and Focus on the Family which offer practical topical advice for today's Christian The final chapter considers the future of Christian radio

Media, Culture, and the Religious Right Linda Kintz, Julia Lesage, 1998 As the religious right has increased in both power and visibility there has been a commensurate growth in the prominence of Christian media The contributors to this book provide a broad overview of the organizations history and media influences of the Christian right The Routledge Companion to Religion and Popular Culture John C. Lyden, Eric Michael Mazur, 2015-03-27 Religion and popular culture is a fast growing field that spans a variety of disciplines This volume offers the first real survey of the field to date and provides a guide for the work of future scholars It explores key issues of definition and of methodology religious encounters with popular culture across media material culture and space ranging from videogames and social networks to cooking and kitsch architecture and national monuments representations of religious traditions in the media and popular culture including important non Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work Radio Reader Michele Hilmes, Jason Loviglio, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company **Contemporary Christian Culture** Omotayo O. Banjo, Kesha Morant Williams, 2017-11-30 Contemporary Christian Culture Messages Missions and Dilemmas studies Christian media its meanings and its impact on social perceptions and lived experiences in a multicultural context and from within a communication framework This interdisciplinary collection expands the dialogue surrounding race culture and Christian messages and provides a valuable resource for researchers educators and church practitioners who are interested in understanding how racial and cultural identity are impacted by religious media products Broadcasting the Faith Michael E. Pohlman, 2021-02-02 Broadcasting the Faith tells the riveting story of the American church's embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers

accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church *Ethics and Experiments* Scott Desposato,2015-12-22 For most of political science s history discussions about professional ethics had nothing to do with human subjects Professional ethics involved integrity in the classroom fair tenure and promotion rule and the careful avoidance of plagiarism As most research was observational there was little need for attention to how scholarly activities might directly affect the subjects of our work Times have changed The dramatic growth in the use of experiments in social science especially overseas is generating unexpected ethical controversies The purpose of this volume is to identify debate and propose practical solutions to the most critical of these new ethical issues A leading team of internationally distinguished political science scholars presents the first examination of the practical and ethical challenges of research with human subjects in social science and policy studies Part 1 examines contextual challenges provided by experiments conducted overseas questions of culture religion security and poverty Part 2 examines questions of legal constraints on research focusing on questions of foreign review of international experiments Part 3 tackles the critical issues in field experiments including deception and consent impact on elections and careers the boundaries of the public officials exemption and the use of partner organizations to avoid Institutional Review Body IRB review Part 4 considers strategies for the future including training and education IRB reform institutional changes and norm development Country Reports on Human Rights Practices ,2003 **Nostalgia, Religion and Popular Culture** Chris Deacy,2025-01-09 Drawing on the event of Queen Elizabeth II s death in 2022 as a central case study this book explores the way we navigate the relationship between nostalgia and religion Focusing on the lived experiences of ordinary people and in tandem with the turn to the self discourse Deacy suggests that our relationship with nostalgia illustrates the shift from objective and transcendent value systems towards the domain of everyday experience love and loss This book revisits the way we understand religion and the secular using the medium of popular culture such as radio film TV and music to interrogate the nostalgia as religion narrative The interpersonal and social elements of nostalgia are explored such as through the way radio fostered virtual communities and played a key role regarding national religious and cultural memory during the mourning of the Queen Attention is given to how nostalgia has evolved over time and how it can be understood as a religious process which transforms our lives at a time of loss and contributes to an eschatological future **Culture Wars** Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents

supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today **Radio and Women's Empowerment in Francophone West Africa** Emma Heywood,2023-12-28 This open access book breaks new ground by examining the significant role played by radio in empowering women in three Francophone West African countries Mali Niger and Burkina Faso It examines the representation and perception of key themes broadcast by radio and associated with women s empowerment in the three countries Each chapter contextualises a specific topic in the country and then explores discrete aspects of radio s provision The topics covered in the chapters are women s political engagement women and finances women and life within marriage inheritance women s involvement in radio structures and radio internally displaced women and trauma Given the social economic and political vulnerability and deteriorating security situation of the three countries this book provides a timely and meaningful contribution to acknowledging and understanding the vital role of radio in women s empowerment Library of Congress Subject Headings Library of Congress,2013 **Research in the Social Scientific Study of Religion, Volume 23** ,2012-05-23 The social scientific study of religion is a crucial arena of human endeavor as questions about the existence and nature of God interact with the study of religion as a human phenomenon The twenty third volume of Research in the Social Scientific Study of Religion continues the tradition of promoting extended debate of current issues in the field The special section on Theism and Non Theism in Psychological Science includes contributions from leading researchers in this area This landmark collection of papers draws on a range of perspectives that both summarize the theism debate in psychology and help to move it forward in new directions In addition the volume includes papers on other key areas in the study of religion such as spirituality and social capital **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1970
