Religious Movements And Social Structure:

Evolution of Social Structures in India through the Ages Mr. Rohit Manglik, 2023-10-23 In this book we will study about caste class gender and kinship structures in India and how these have transformed over ancient medieval and modern periods

Social Structure and Social Interaction Readale Collier, 2018-07-28 The question needs to be pondered over as we have entered in the new millennium On what way we are going What is the nature of social transformation What socio economic forces and value systems are emerging in the country Keeping in view the expected consequences of socio economic development as an instrument of change in the structure and culture the present book mainly deals with Social Structure and Social Interaction This book provides valuable insights into social structure and change in a complex society Well researched and lucidly written this volume will be widely welcomed by all those involved in the study of sociology social anthropology and social change This book is of great help and utility to all those who are interested in knowing the changing social structure

A Comparative Study of Social and Religious Movements in Norway, 1780s-1905 Inger Furseth, 2002 This study includes three social movements the Lofthus revolt the Thrane movement and the early labor movement and two religious movements the Hauge movement and Norwegian Methodism The analysis examines how they mobilized resources to reach their goals the external and internal factors that influenced their degrees of success and failure and the interactions and exchanges between them It uses a combination of resource mobilization theory and political process theory for analysis

The Sociology of Religious Movements William Sims Bainbridge, 2021-12-24 Explaining how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Satanism New Age and democratization The Sociology of Religious Movements is the culmination of work begun in *The Future of Religion* the 1986 award winner of the Society for the Scientific Study of Religion and *A Theory of Religion* 1993 award winner of the Pacific Sociological Association Explaining religious schism innovation and conversion to show how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Children of God Satanism New York City Mission Society New Age Asian imports and democratization

The Social System Talcott Parsons, 2013-08-21 This book brings together in systematic and generalized form the main outlines of a conceptual scheme for the analysis of the structure and processes of social systems It carries out Pareto's intention by using the structural functional level of analysis

Social Structure & Person Talcott Parsons, 2010-05-11 A Collection of essays which studies the theoretical problem of relationships between social structure and personality and how these different relationships merit distinct treatment for particular purposes Parsons concludes that in the larger picture their interdependencies are so intimate that bringing them together in an interpretive synthesis is imperative if a balanced understanding of the complex as a whole is to be attained

Faith Movements and Social Transformation Samta P. Pandya, 2018-12-11 This book examines the role of Hindu inspired faith movements HIFMs in contemporary India as actors in social transformation It further situates these movements in the

context of the global political economy where such movements cross national boundaries to locate believers among the Hindu diaspora and others In contemporary neoliberal India HIFMs have become important actors and they realize themselves by making public assertions through service The four pillars of the contemporary presence of such movements are gurus sociality hegemony and social transformation Gurus who spearhead these movements create a matrix of possible meanings in their public discourses which their followers pick up to create messages of personal and social change Sociality is a core strategy of proliferation across such movements and implies social service which is qualified by memories of the guru and what they are believed to embody Hegemony is reflected in the fact that social service in such movements often ominously imbibes right wing or far right Hinduism They propose a model of Hindu inspired social transformation involving faith building into and transforming the civil society The book discusses in a nuanced way several Hindu inspired faith movements of various hues which have made national and international impact This topical book is of interest to students and researchers in the fields of sociology anthropology social work and social psychology with a special interest in the study of religious movements

What is a Social Movement? Hank Johnston, 2014-04-10 Social movements play a central role in the scope and direction of social change They were instrumental in the creation of the modern state and today are major forces in politics and culture Environmentalism gay rights alterglobalization and Islamic fundamentalism are all movements with far reaching impacts on contemporary society What is a Social Movement traces how the study of movements such as these of their structures their ideas and their repertoires of protest have grown in recent years to become a major focus in the social sciences It deftly navigates the organizational ideational and cultural complexity of political and social movements and offers a succinct but comprehensive overview of the hows whys and wheretofors of studying them The book analyzes how politics and culture frequently intersect as people participate in movements that call for change and pursue group interests By focusing on movement organizations and networks on what they do and how they articulate their ideas of justice and collective interests What is a Social Movement lays the essential groundwork for understanding this significant and exciting field of research where it came from and where it is headed

[The Oxford Handbook of New Religious Movements](#) James R. Lewis, Inga B. Tollefsen, 2016-04-12 The study of New Religious Movements NRMs is one of the fastest growing areas of religious studies and since the release of the first edition of The Oxford Handbook of New Religious Movements in 2003 the field has continued to expand and break new ground In this all new volume James R Lewis and Inga B T llefsen bring together established and rising scholars to address an expanded range of topics covering traditional religious studies topics such as scripture charisma and ritual while also applying new theoretical approaches to NRM topics Other chapters cover understudied topics in the field such as the developmental patterns of NRMs and subcultural considerations in the study of NRMs The first part of this book examines NRMs from a social scientific perspective particularly that of sociology In the second section the primary factors that have put the study of NRMs on the map controversy and conflict are considered

The third section investigates common themes within the field of NRMs while the fourth examines the approaches that religious studies researchers have taken to NRMs As NRM Studies has grown subfields such as Esotericism New Age Studies and neo Pagan Studies have grown as distinct and individual areas of study and the final section of the book investigates these emergent fields **Social, Political, and Religious Movements in the Modern Americas** Pablo A.

Baisotti,2021-12-30 This volume explores several notable themes related to social political and religious movements in Latin America and offers insightful historical perspectives to understand national regional and global issues from the beginning of the twentieth century to the present day This volume s collected chapters focus on the Latin American society and are divided into three sections The first section Social presents some cultural demographic and urban changes that have occurred with increasing frequency in Latin America from the early twentieth century onward The second section Political shows migratory political and identity movements that in recent decades have re emerged with force Finally the third section Religious analyzes various Latin American religious visions with their particular characteristics From the religious hegemony of Catholicism a change in the religious panorama in the last decades can be seen intermingled with politics history and society **Society, Spirituality, and the Sacred** Donald Swenson,2009-01-01 This work makes a much needed

contribution to teaching and learning about the various forms of religious belief and action in our world Kevin J Christiano University of Notre Dame **Religious Movements in Contemporary America** Irving I. Zaretsky,Mark P.

Leone,2015-03-08 Contemporary religious movements in America vary greatly in their organization goals methods and membership Reflecting the striking diversity of the current religious movement the papers in this volume consider three categories of religious movements native American churches recently founded religious groups and syncretistic groups based on imported cults The general aim is to understand the varieties of human behavior within these institutions and to point out their relationship to society in the United States Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The

Psychoanalytic Study of Society, V. 12 L. Bryce Boyer,Simon A. Grolnick,2022-01-26 Volume 12 includes chapters on the hermeneutics of structuralism and psychoanalysis H van Velzen prophetic initiation in Israel and Judah D Merkur the cult phenomenon and the paranoid process W Meissner the ego and adaptation P Parin male adolescent initiation rituals L Rosen gender identity in a New Guinea people E Foulks and the film Cabaret S Bauer *Social Identity and Sectarianism in the Qumran Movement* Jutta Jokiranta,2012-12-03 Identity and sectarianism two crucial and frequently used concepts in Qumran studies are here problematized appraised and redefined Two social scientific theories inform the investigation of the

serakhim rule documents and pesharim commentaries The sociology of sectarianism is presented in retrospect in order to identify appropriate methodological tools for speaking about sectarianism in the ancient context and for comparing sectarian stances in the serakhim Furthermore a social psychological perspective into identity is introduced for the first time for appreciating the dynamic and context dependent nature of a person's social identity The final chapter takes a fresh approach to the study of the pesharim arguing for the need to read each Pesher as a whole It analyses the prototypical teacher and brings forward new interpretations of this captivating and cloudy figure Social Science and the Cults John A.

Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults *The World's Religions* Peter Clarke, Friedhelm Hardy, Leslie Houlden, Stewart Sutherland, 2004-01-14 Gives an account of the history the theological basis the practice and the current state of the study of religion and religions throughout the world Combines a clear and non technical style of presentation with a structure and range of contributions which reflect the richness and complexity of religion itself of the religions of the world and the study of religions Comprehensive index bibliographies and suggestions for further reading Intriguing philosophical questions are raised about the nature of religion and the qualities needed for studying it Times Higher Education Supplement Excellent book remarkably successful impressive as much for the sheer scale of the undertaking as for its consistent standard of analysis It is a fine achievement which will serve both as a very suitable textbook for students and a reliable guide to the state of scholarship in the History and Study of Religions Heythrop Journal

The SAGE Handbook of the Sociology of Religion James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook

presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

Religion Meredith B. McGuire, 2008-04-10 In this insightful examination of religions in their local and global context the author shows how analyzing religions social context helps us understand individuals lives social movements national and ethnic politics and widespread social changes Well researched and theory based the text is filled with intriguing anecdotes empirical data thought provoking discussions of both mainstream and nonofficial religions and historical and contemporary examples that illustrate the interplay between religion and society across cultures This volume takes an integrated approach to examining religion and includes cross cultural historical and methodological viewpoints Readers will learn to identify the complex interactions between religion and societal contexts as well as the ways in which these interactions shape individuals communities national politics and the world

Folk Religion in Japan Ichiro Hori, 1974 Ichiro Hori s is the first book in Western literature to portray how Shinto Buddhist Confucian and Taoist elements as well as all manner of archaic magical beliefs and practices are fused on the folk level Folk religion transmitted by the common people from generation to generation has greatly conditioned the political economic and cultural development of Japan and continues to satisfy the emotional and religious needs of the people Hori examines the organic relationship between the Japanese social structure the family kinship system village and community organizations and folk religion A glossary with Japanese characters is included in the index

[Routledge Library Editions: Sociology of Religion](#) Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class
