Religious Policy In The Soviet Union:

Religious Policy in the Soviet Union Sabrina Petra Ramet,1992-11-12 This book provides a sweeping and comprehensive analysis of the history of religion in the Soviet Union tracing its fortunes through the chaos of the 1920s and the anti religious persecution of Stalinism to the slow strangulation of Brezhnev and the liberalization under Gorbachev Bringing together fifteen of the West s leading scholars on this subject the book examines the policy apparatus atheist education cults and sects and recent changes in legislation and policy presenting hitherto unknown material for the first time **Religion, State and Politics in the Soviet Union and Successor States** John Anderson,1994-09-22 Provides a systematic and accessible overview of church state relations in the Soviet Union This text explores the shaping of Soviet religious policy from the death of Stalin until the collapse of communism and considers the place of religion in the post *Religion And Modernization In The Soviet Union* Dennis J. Dunn,2019-06-18 To the surprise of many students of the Soviet Union religion has shown itself to be a force still powerful in Soviet society In contrast the impact of religion in developed Western societies has declined Dr Dunn points out that the study of this antinomy can shed light on the entire concept of modernization in the U S S R The study of the *Religion and the Cold War* Philip Emil Muehlenbeck,2012 The influence of faith in the conflicts that defined the Cold War **International Comparative Perspectives on Religion and Education** Charl C. Wolhuter,Corene de Wet,2014-05-31 This book scrutinises religion in education in ten countries It reveals much about the tension between religion and education in secular countries and the blending between religion and education in religious countries such as Iran and Malaysia as well as secular countries such as the Netherlands It also shows the important role the church currently plays in education in developing countries such as Tanzania **Proselytism and Orthodoxy in Russia** John Witte,Michael Bourdeaux,2009-05-01 Few of the struggles Russia has undergone since the fall of Communism have been fiercer than that being fought between the long repressed Russian Orthodox Church and a host of groups seeking to evangelize the Russian people This volume assesses the legitimacy of the Orthodox attempt to reclaim the spiritual and moral heart of the Russian people and to retain their adherence in a new pluralistic world where many Christians and followers of other traditions seek the right to establish themselves Proselytism and Orthodoxy in Russia also brings together the latest scholarship on the new Russian laws regarding religion as well as suggesting guidelines for foreign missionaries in Russia *Soviet and Muslim* Eren Tasar,2017 World War II and Islamically informed Soviet patriotism Institutionalizing Soviet Islam 1944 1958 SADUM s new ambitions 1943 1958 The anti religious campaign 1959 1964 The muftiate on the international stage The Brezhnev Era and its aftermath 1965 1989 The Palgrave Handbook of Religion and State Volume II Shannon Holzer,2023-10-19 The Palgrave Handbook of Religion and State Volume II Global Perspectives addresses issues of Religion and State from a multitude of disciplines The volume begins with the philosophical discussion of perennial issues that have to do with the origin and nature of rights One question centers on the right to use one s religious beliefs to enact

laws This discussion alone sets this handbook apart from other handbooks of its type While addressing these perennial questions this volume includes authors who interact with the work of John Rawls Hobbes Rousseau and a host of contemporary philosophers The subsequent sections address the American Constitutional Experiment religion state and law in the Americas Religion and Identity in Modern Russia Juliet Johnson, Marietta Stepaniants, Benjamin Forest, 2017-03-02 Focusing on the roles of Russian Orthodoxy and Islam in constituting challenging and changing national and ethnic identities in Russia this study takes Tsarist and Soviet legacies into account paying special attention to the evolution of the relationship between religious teachings and political institutions through the late 19th and 20th centuries The volume explicitly discusses and compares the role of Russia's two major religions Orthodoxy and Islam in forging identity in the modern era and brings an innovative blend of sociological historical linguistic and geographic scholarship to the problem of post Soviet Russian identity This comprehensive volume is suitable for courses on post Soviet politics Russian studies religion and political culture *The Cyberunion Handbook* Arthur B. Broken Altars Thomas Albert Howard, 2025-03-25 A sweeping history of the violence perpetrated by governments committed to extreme forms of secularism in the twentieth century A popular truism derived from the Enlightenment holds that violence is somehow inherent to religion to which political secularism offers a liberating solution But this assumption ignores a glaring modern reality that putatively progressive regimes committed to secularism have possessed just as much and often a vastly greater capacity for violence as those tied to a religious identity In *Broken Altars* Thomas Albert Howard presents a powerful account of the sheer numbers misery deaths and destruction visited on religious communities by secularist regimes in the twentieth century Presenting three principal forms of modern secularism that have arisen since the Enlightenment passive secularism combative secularism and eliminationist secularism Howard argues that the latter two have been especially violence prone Westerners do not fully grasp this however because they often mistake the first form passive secularism for secularism as a whole But a disconcertingly more complicated picture emerges with the adoption of a broader global vision Admitting different species of secularism greater historical perspective and case studies drawn from the former Soviet Union Turkey Mexico Spain Czechoslovakia Albania Mongolia and China among other countries Howard calls into question the conventional tale of modernity as the pacifying triumph of secularism over a benighted religious past

The Christian Right & US Foreign Policy in the 21st Century Mohd Afandi Salleh, 2020-01-07 This book is about the role of the Christian Right in the US foreign policy decision making process It reveals that the Christian Right has long been

fascinated with some international issues in general and US foreign policy in particular The interest of the movement in international issues increased markedly during the George W Bush administration 2000 2009 During this period the movement successfully widened its activism from domestic social conservative issues to foreign policy issues by participating in articulating and lobbying for its religious version of American foreign policy In assessing the role of the Christian Right in US foreign policy making this dissertation examines aspects of US foreign policy namely Israel international religious freedom and global humanitarianism Based on these three aspects the Christian Right is seen as skilled in framing and defining issues The Christian Right seems effective in selecting and prioritizing international issues that have a reasonable chance of being picked up on by foreign policy decision makers especially in Congress Moreover the Christian Right has shown its maturity in seeking engagement and cooperation with other organizations regardless of whether they are secular or religious to advance its international goals Finally in pursuing and conveying its international agenda the Christian Right has adopted a more moderate and mundane approach Instead of using its traditional religious rhetoric the Christian Right has successfully projected its foreign policy preferences into the conventional realist discourse of American foreign policy that was largely based on the objective of national interest and national security

Islam in Russia: The Politics of Identity and Security Shireen Hunter, 2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study's distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia's Muslim populations religious institutions political organizations and ideological movements

The Dark Side of Church/State Separation Stephen Strehle, 2017-09-08 The Dark Side of Church State Separation analyzes the Enlightenment's attack upon the Judeo Christian tradition and its impact upon the development of secular regimes in France Germany and Russia Such regimes followed the anti Semitic anti Christian agenda of the French Enlightenment in blaming the Judeo Christian tradition for all the ills of European society and believing that human beings can develop their own set of values and purposes through rational means apart from any revelation from God or Scripture Stephen Strehle's analysis extends our understanding of church state relations and its history He confirms the spiritual roots of modern anti-Semitism within the ideology of the Enlightenment and recognizes the intimate relationship between anti-Semitism and anti Christianity Strehle questions the absolute doctrine of church state separation given its background in the bigotries of the philosophes He notes the nefarious motives of subsequent regimes which used the French doctrine to replace the religious community with the state and its secular ideology This detailed historical analysis of original sources and secondary literature is woven together with special appreciation for the philosophical and theological ideas that contributed to the emergence of political institutions Readers

will gain an understanding of the most influential ideas shaping the modern world and present day culture **Dance or Die**

Toivo Pilli, 2009-04-01 This book focuses on the changes in the identity of Estonian Evangelical Christian Baptists ECB during the Soviet years 1945 1991 The author analyzed the influences that affected the life and self understanding of the ECB churches in this most northernmost of the three Baltic countries External pressures from the Soviet atheistic state and the internal dynamics of Estonian ECB churches are both considered and analyzed Comparisons are drawn which show both the similarities with the wider Evangelical world and uniqueness of a local Baptist identity The book based on extensive use of archive and other primary source materials makes an especial contribution to the important emerging field of the study of Evangelicals in Eastern Europe **Korea: Outline of a Civilisation** Kenneth M. Wells, 2015-06-29 This outline of Korea s civilisation is a cultural history that examines the ways the Korean people over the past two millennia understood the world and viewed their place in society In the traditional era the interaction between several broad religious and philosophical traditions and social institutions state interests and at times external pressures provides the framework of the story In the modern era the chief concern is with the rapid and momentous cultural changes that have occurred over the past one and a half centuries in the idea and spread of education the rise in influence of students the development of mass culture the redefinition of gender and the continuing importance of religion
