Religious Reason The Rational And Moral Basis Of Religious Belief

**John Braisted Carman, Mark
Juergensmeyer, William Darrow**

Religious Reason The Rational And Moral Basis Of Religious Belief:

Religious Reason Ronald Michael Green,1978 The purpose of this book is to call the separation of reason and religion into question

Kant and Theology at the Boundaries of Reason Chris L. Firestone,2009 This book examines the transcendental dimension of Kant's philosophy as a positive resource for theology Firestone shows that Kant's philosophy establishes three distinct grounds for transcendental theology and then evaluate the form and content of theology that emerges when Christian theologians adopt these grounds To understand Kant's philosophy as a completed process Firestone argues theologians must go beyond the strictures of Kant's critical philosophy proper and consider in its fullness the transcendental significance of what Kant calls rational religious faith This movement takes us into the promising but highly treacherous waters of Kant's Religion within the Boundaries of Mere Reason to understand theology at the transcendental bounds of reason

Religion and Morality Paul W. Diener,1997-01-01 Some people see religion and morality as undeniably connected others see them as irreconcilably separate Paul Diener's accessible new book looks at the connection between these two concepts and examines how various religious and philosophical systems understand morality

The Insider/Outsider Problem in the Study of Religion Russell T. McCutcheon,1999-01-07 Thirty classic and contemporary readings from such writers as Kant Hume Schleiermacher and Otto to Ninian Smart Mircea Eliade Karen McCarthy Brown and Wendy Doniger

A Bibliographic Guide to the Comparative Study of Ethics John Braisted Carman,Mark Juergensmeyer,William Darrow,1991-04-26 This bibliography is the culmination of four years work by a team of noted scholars its annotated entries are organised by religious tradition and cover each tradition's central concepts offering a judicious selection of primary and secondary works as well as recommendations of cross cultural topics to be explored Specialists in the history and literature of religions and comparative religion will find this bibliography a valuable research tool

Kant's Critical Religion Stephen R. Palmquist,2019-06-11 This title was first published in 2000 Applying the new perspectival method of interpreting Kant he expounded in earlier works Palmquist examines a broad range of Kant's philosophical writings to present a fresh view of his thought on theology religion and religious experience

Volume 6, Tome I: Kierkegaard and His German Contemporaries - Philosophy Jon Stewart,2017-05-15 This volume explores in detail Kierkegaard's various relations to his German contemporaries Kierkegaard read German fluently and made extensive use of the writings of German speaking authors Apart from his contemporary Danish sources the German sources were probably the most important in the development of his thought generally This volume represents source work research dedicated to tracing Kierkegaard's readings and use of the various German speaking authors in the different fields in a way that is as clearly documented as possible The volume has been divided into three tomes reflecting Kierkegaard's main areas of interest with regard to the German speaking sources namely philosophy theology and a more loosely conceived category which has here been designated literature and aesthetics This first tome treats the German philosophical influences on Kierkegaard The

dependence of Danish philosophy on German philosophy is beyond question In a book review in his Hegelian journal *Perseus* the poet playwright and critic Johan Ludvig Heiberg laments the sad state of philosophy in Denmark while lauding German speculative philosophy Moreover Kierkegaard's lifelong enemy the theologian Hans Lassen Martensen claims without exaggeration that the Danish systems of philosophy can be regarded as the disiecta membra of earlier German systems All of the major German idealist philosophers made an impact in Denmark Kant Fichte Schelling and most significantly Hegel Kierkegaard was widely read in the German philosophical literature which he made use of in countless ways throughout his authorship

Why Philosophy Matters for the Study of Religion - and Vice Versa Thomas A. Lewis, 2015 Work in philosophy of religion is still strongly marked by an excessive focus on Christianity and to a lesser extent Judaism almost to the exclusion of other religious traditions Moreover in many cases it has been confined to a narrow set of intellectual problems without embedding these in their larger social historical and practical contexts *Why Philosophy Matters for the Study of Religion and Vice Versa* addresses this situation through a series of interventions intended to work against the gap that exists between much scholarship in philosophy of religion and important recent developments that speak to religious studies as a whole This volume takes up what in recent years has often been seen as a fundamental reason for excluding religious ethics and philosophy of religion from religious studies their explicit normativity Against this presupposition Thomas A. Lewis argues that normativity is pervasive not unique to ethics and philosophy of religion and therefore not a reason to exclude them from religious studies Lewis bridges more philosophical and historical subfields by arguing for the importance of history to the philosophy of religion He considers the future of religious ethics explaining that the field as a whole should learn from the methodological developments associated with recent work in comparative religious ethics and comparative religious ethics should no longer be conceived as a distinct subfield The concluding chapter engages broader post 9/11 arguments about the importance of studying religion arguing that prominent contemporary notions of religious literacy actually hinder our ability to grasp religion's significance and impact in the world today

The Evangelical Counter-Enlightenment William R. Everdell, 2021-05-21 This contribution to the global history of ideas uses biographical profiles of 18th century contemporaries to find what Salafist and Sufi Islam Evangelical Protestant and Jansenist Catholic Christianity and Hasidic Judaism have in common Such figures include Muhammad Ibn Abd al Wahab Count Nikolaus Zinzendorf Jonathan Edwards John Wesley Jean Jacques Rousseau and Israel Ba'al Shem Tov The book is a unique and comprehensive study of the conflicted relationship between the evangelical movements in all three Abrahamic religions and the ideas of the Enlightenment and Counter Enlightenment Centered on the 18th century the book reaches back to the third century for precedents and context and forward to the 21st for the legacy of these movements This text appeals to students and researchers in many fields including Philosophy and Religion their histories and World History while also appealing to the interested lay reader

Personal Commitments Margaret A. Farley, 2013 Revised edition of a classic text long out of

print a moral analysis of making keeping and breaking personal commitments In this groundbreaking book Dr Farley explores how commitments rooted in the story of God's love are acts of free choice and love that yield a claim Farley's reflections are also rooted in the concrete experiences of people who strive to be faithful to what they have claimed to love My concern is to name something that I think is after all common to all of our lives an experience a reality perhaps a problem a challenge something that is sometimes a source of joy sometimes a cause of tragedy In eight short chapters Farley explores the nature and meaning of commitment as it is played out in our lives addressing love fidelity a sense of obligation and covenant She also reflects on whether each commitment must be kept and what we should do if despite our best efforts our commitments break down A brilliant study in the literal sense that it brings needed light and clarity to a great deal of our everyday experience of sorting out changing reaffirming attempting to prioritize and wrestling with the constantly varying demands of our many freely chosen commitments Anne E Patrick of the original edition Of the original edition Paul Wadell wrote Personal Commitments is a superb book that cannot be recommended too highly Though richly researched and tightly argued its style and method make it accessible to anyone wishing to explore the commitments we make and the wholeness we seek when we make them Another reviewer wrote Personal Commitments is far more than a book on the ethics of commitment and obligation rather it is a searching account of love in both the personal and social relationships that form human life

Kant and the Cultivation of Virtue Chris W. Surprenant, 2014-06-13 In this book Chris W Surprenant puts forward an original position concerning Kant's practical philosophy and the intersection between his moral and political philosophy Although Kant provides a detailed account of the nature of morality the nature of human virtue and how right manifests itself in civil society he does not explain fully how individuals are able to become virtuous This book aims to resolve this problem by showing how an individual is able to cultivate virtue the aim of Kant's practical philosophy Through an examination of Kant's accounts of autonomy the state and religion and their effects on the cultivation of virtue Surprenant develops a Kantian framework for moral education and ultimately raises the question of whether or not Kantian virtue is possible in practice

The Oxford Handbook of the Sociology of Religion Peter Clarke, 2011-02-04 The Oxford Handbook of the Sociology of Religion draws on the expertise of an international team of scholars providing both an entry point into the sociological study and understanding of religion and an in depth survey into its changing forms and content in the contemporary world The role and impact of religion and spirituality on the politics culture education and health in the modern world is rigorously discussed and debated The study of the sociology of religion forges interdisciplinary links to explore aspects of continuity and change in the contemporary interface between society and religion Using a combination of theoretical methodological and content led approaches the fifty seven contributors collectively emphasise the complex relationships between religion and aspects of life from scientific research to law ecology to art music to cognitive science crime to institutional health care and more The developing character of religion irreligion and atheism and the impact of

religious diversity on social cohesion are explored An overview of current scholarship in the field is provided in each themed chapter with an emphasis on encouraging new thinking and reflection on familiar and emergent themes to stimulate further debate and scholarship The resulting essay collection provides an invaluable resource for research and teaching in this diverse discipline

A Time to Be Born and a Time to Die Barry S. Kogan, This volume brings together original essays by many of the best and most prominent figures in the emerging field of biomedical ethics and presents them in a dialogue that significantly updates their earlier work Focusing on the moral dilemmas that recent medical advances have created at both ends of the life course the contributors discuss such issues as patient autonomy hospital policies of risk management new developments in the abortion debate genetic counseling and perinatal care euthanasia and physician assisted suicide testing and treatment policies for HIV infection and fairness in allocating health care and donated organs

A Tapestry of Faiths Winfried Corduan,2009-06-01 Drawing on his wide experience and knowledge of other religions as they are actually lived Winfried Corduan helps you sort through the complex tapestry of faiths around the world

A Textbook of Christian Ethics, 3rd Edition Robin Gill,2006-09-14 Robin Gill s Textbook of Christian Ethics has been a popular course book with students and lecturers for over 20 years Now in its third edition this classic textbook has been completely revised to bring it up to date with recent developments in the field of Christian Ethics All the popular features of the previous editions have been retained in this new edition The book s main strength has always been its layout and structure Integrating primary texts with explanatory material from the author the book provides the student with a reader and textbook combined The new edition focuses more strongly on current debates in all sections and expands on a variety of topics with contributions on natural law approaches virtue ethics in a pluralistic postmodern world the influential notion of the common good just war theory genetics and biotechnology euthanasia and global justice and sex and gender issues Important modern contributions to Christian ethics are set out alongside classical texts from Augustine Aquinas and Luther The modern writers range from thinkers such as Niebuhr Barth and Bonhoeffer to recent liberation and Third World theologians Each series of texts is systematically analysed The differing ethical positions and arguments are examined together with the social and historical factors which shaped them

Christian Ethics in Secular Worlds Robin Gill,2004-08-23 A challenging book examining issues such as biotechnology AIDS and nuclear weapons and demonstrating that Christian ethics has something important and distinctive to contribute to secular worlds

A Textbook of Christian Ethics Robin Gill,2014-01-16 Robin Gill s A Textbook of Christian Ethics continues to be popular with students and lecturers it is difficult to find another textbook in the field that combines primary texts with extensive analysis and commentary This 4th edition has been extensively revised and it incorporates up to date developments in the field of Christian ethics Gill retains all the popular features of the previous editions including its layout and structure and in this new edition he also focuses on current debates including such topics as global Christianity global economics euthanasia and global justice and the environment

Becoming Present Ingolf U.

Dalferth, 2006 Safeguarding the distinction between God and world has always been a basic interest of negative theology But sometimes it has overemphasized divine transcendence in a way that made it difficult to account for the sense of God's present activity and experienced actuality Deconstructivist criticisms of the Western metaphysics of presence have made this even more difficult to conceive On the other hand there has been a widespread attempt in recent years to base all theology on religious experience the Christian church celebrates God's presence in its central sacraments of baptism and Eucharist and recent process thought has re conceptualised God's presence in panentheistic terms This is the background against which this book outlines a theology of the Christian sense of the presence of God The first chapter traces the rise and fall of rational religion in Modernity and argues that we should replace philosophical theism not by a unspecified religious sense of the whole but by a specific sense of the presence of God The second chapter analyses the notion of divine presence and outlines different ways of understanding the real presence of God The third chapter discusses the problem of whether and how God's presence can be discerned given the fact that there is no presence of God that is not tinged by God's absence Chapter four distinguishes various modes of divine presence with their corresponding modes of human apprehension Chapter five takes up the charge that presence is an impossibility in a critical discussion of the debate between Derrida and Marion about the impossibility of gift Chapter six asks how God's presence is conceived and communicated looking in particular to music as a means of representing and communicating the awareness of God's presence The final chapter outlines how the sense of the presence of God can be presented and defended in a world of many religions and cultures with their often conflicting religious convictions and representations

Kant and the Divine Christopher J. Insole, 2020 The philosopher Kant is a key thinker in shaping our contemporary concept of morality freedom and happiness This book argues that Kant believes in God but that he is not a Christian and that this opens up an important and neglected dimension of Western Philosophy

Religious Reason The Rational And Moral Basis Of Religious Belief Introduction

In today's digital age, the availability of Religious Reason The Rational And Moral Basis Of Religious Belief books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Reason The Rational And Moral Basis Of Religious Belief books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Reason The Rational And Moral Basis Of Religious Belief books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Reason The Rational And Moral Basis Of Religious Belief versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Reason The Rational And Moral Basis Of Religious Belief books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Reason The Rational And Moral Basis Of Religious Belief books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Reason The Rational And

Moral Basis Of Religious Belief books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Reason The Rational And Moral Basis Of Religious Belief books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Reason The Rational And Moral Basis Of Religious Belief books and manuals for download and embark on your journey of knowledge?

FAQs About Religious Reason The Rational And Moral Basis Of Religious Belief Books

1. Where can I buy Religious Reason The Rational And Moral Basis Of Religious Belief books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
