**Kanako Taku, Todd K. Shackelford**

## **Religious Change In America:**

Religious Change in America Andrew M. Greeley, 1989 Many observers assume that America is a much less religious nation than it was forty years ago According to Andrew Greeley however this is simply not true Carefully analyzing surveys conducted over the past half century Greeley concludes that rates of church attendance prayer church membership activity in church organizations belief in life after death and other measures of religious involvement have remained surprisingly constant

**Religion in America** Lisa D. Pearce, Claire Chipman Gilliland, 2020-08-04 Written in an engaging and accessible tone Religion in America probes the dynamics of recent American religious beliefs and behaviors Charting trends over time using demographic data this book examines how patterns of religious affiliation service attendance and prayer vary by race and ethnicity social class and gender The authors identify demographic processes such as birth death and migration as well as changes in education employment and families as central to why some individuals and congregations experience change in religious practices and beliefs while others hold steady Religion in America challenges students to examine the demographic data alongside everyday accounts of how religion is experienced differently across social groups to better understand the role that religion plays in the lives of Americans today and how that is changing

*Religious Change and Continuity Across Generations* Maria T. Brown, Christel Gärtner, Merrill Silverstein, 2024-09-23 Religious Change and Continuity Across Generations Passing on Faith in Families of Six European and North American Nations brings together scholars of religious studies secularism and family science to examine how religion is passed down the generations in six European and North American nations Taking a social change perspective within the context of family socialization theory the authors treat intergenerational change and continuity in religion and spirituality as occurring under specific national and historical conditions As such they consider the social forces that variously reinforce or inhibit transmission of religiosity across successive generations within families The volume provides a nuanced view of the role that societal context plays in religious transitions and transformations Chapters consider the strong influence of the Roman Catholic church in Italy Communist suppression of religion in Hungary aversion to religious discussions in Finland the East West Catholic Protestant divide in Germany and rapid religious deculturation in Canada and the U S Further each chapter takes a mixed methods approach using quantitative survey data to describe the strength and pattern of intergenerational transmission and interview data to clarify family dynamics by which parents and oftentimes grandparents influence the religious beliefs and practices of younger generations taking care to consider how the absence of religion is also conveyed to the next generation

**Changing Faith** Darren E. Sherkat, 2014-08-22 More than anywhere else in the Western world religious attachments in America are quite flexible with over 40 percent of U S citizens shifting their religious identification at least once in their lives In Changing Faith Darren E Sherkat draws on empirical data from large scale national studies to provide a comprehensive portrait of religious change and its consequences in the United States With analysis spanning across generations and ethnic

groups the volume traces the evolution of the experience of Protestantism and Catholicism in the United States the dramatic growth of Hinduism Buddhism and Islam and the rise of non identification now the second most common religious affiliation in the country Drawing on that wealth of data it details the impact of religious commitments on broad arenas of American social life including family and sexuality economic well being political commitments and social values Exploring religious change among those of European heritage as well as of Eastern and Western European immigrants African Americans Asians Latin Americans and Native Americans *Changing Faith* not only provides a comprehensive and ethnically inclusive demographic overview of the juncture between religion and ethnicity within both the private and public sphere but also brings empirical analysis back to the sociology of religion

**Catholics in America** Lisa A. Keister, Professor of Sociology and Public Policy Lisa A Keister, 2024 More than 20 percent of Americans are Catholic and overall membership in the Catholic Church has remained relatively steady even as increasing numbers of people claim no religious affiliation *Catholics in America* provides a contemporary social portrait of this large increasingly influential group that clarifies who Catholics are and what they really believe The book offers extensive empirical evidence to uncover the real story of today's Catholics including their family behaviors work and economic status and beliefs This book will be an important guide for anyone wanting to understand the personal and religious foundations of today's Catholics

*Religion in Contemporary America* Charles H. Lippy, Eric Tranby, 2013-03-12 This book provides a fresh engaging multi disciplinary introduction to religion in contemporary America The chapters explore the roots of contemporary American religion from the 1950s up to the present day looking at the major traditions including mainline Protestantism the evangelical pentecostal surge Catholicism Judaism African American religions and new religious movements The authors ask whether Americans are becoming less religious and how religious thought has moved from traditional systematic theology to approaches such as black and feminist theology and environmental theology The book introduces religion and social theory and explores key issues and themes such as religion and social change politics gender sexuality diversity race and poverty Students and instructors will find the combination of historical and sociological perspectives an invaluable aid to understanding this fascinating but complex field

**Religion in Society** Ronald L. Johnstone, 2015-11-17 For junior senior level courses in Religion and Society in departments of Sociology and Religious Studies Using an unbiased balanced approach the 8th edition of this text puts religion in its social context by discussing the impact of society on religion and helps students understand the role and function of religion in society that occur regardless of anyone's claims about the truth or falsity of religious systems

*Changing Faith* Darren E. Sherkat, 2014 More than anywhere else in the Western world religious attachments in America are quite flexible with over 40 percent of U S citizens shifting their religious identification at least once in their lives In *Changing Faith* Darren E Sherkat draws on empirical data from large scale national studies to provide a comprehensive portrait of religious change and its consequences in the United States With analysis spanning across generations and ethnic

groups the volume traces the evolution of the experience of Protestantism and Catholicism in the United States the dramatic growth of Hinduism Buddhism and Islam and the rise of non identification now the second most common religious affiliation in the country Drawing on that wealth of data it details the impact of religious commitments on broad arenas of American social life including family and sexuality economic well being political commitments and social values Exploring religious change among those of European heritage as well as of Eastern and Western European immigrants African Americans Asians Latin Americans and Native Americans Changing Faith not only provides a comprehensive and ethnically inclusive demographic overview of the juncture between religion and ethnicity within both the private and public sphere but also brings empirical analysis back to the sociology of religion

**Handbook of Religion and Social Institutions** Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

**The Changing World Religion Map** Stanley D. Brunn, 2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind s eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and

identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

*Atlas of American Religion* William M. Newman, Peter L. Halvorson, 2000 From independence to the present the Atlas charts the evolution of the 39 major religious denominations and sects in the U S from Methodists to Congregationalists Mormons to Jews Church of God to the International Church of the Foursquare Gospel

*The Routledge International Handbook of Changes in Human Perceptions and Behaviors* Kanako Taku, Todd K. Shackelford, 2024-06-28 The Routledge International Handbook of Changes in Human Perceptions and Behaviors is the first edited volume to present multidisciplinary perspectives on various aspects of changes that humans experience The handbook is designed to highlight the different contents types ways meanings applications and moments of changes that have been recognized by experts in various fields within the life and social sciences Comprised of four sections the chapters address changes in a variety of contexts related to human perceptions and behaviors the moment of change and fluctuations changes in applied settings and the meaning of changes including resistance to change Written by a range of expert international contributors the book brings together discussions and insights about how different levels and types of changes in human perceptions attitudes beliefs values and behaviors have been studied and considered in diverse fields It also explores the various mechanisms that account for changes exploring how and when changes occur and what changes mean to humans Relevant for empirical and theoretical work the handbook will be of great interest to researchers academics and postgraduate students across psychology behavioral sciences and social sciences

**The Future of Judaism in America** Jerome A. Chanes, Mark Silk, 2023-04-19 This book explores the state of the American Jewish world in the early 21st century after decades of accelerating change that has transformed it and all other religious groups in the United States It reveals a community in an unparalleled state of flux grappling with a society in which religious identity is more and more considered an individual choice rather than an inheritance and where fewer adults feel impelled to identify with any religious tradition at all In chapters written by leading experts the book examines the community's evolving demographics the direction of the principal denominational movements contemporary religious trends interactions with other American religious communities and engagements in the country's secular politics This text uniquely covers all these aspects of Judaism in America making it appealing to students and researchers in such fields as the sociology of religion Judaism and American history

Encyclopedia of Religion and Society William H. Swatos, 1998 As the new millennium approaches the sacred and profane interface conflict and intermingle in novel ways The Encyclopedia of Religion and Society provides a guide map for these developments From succinct brief notes to essay length entries it covers world religions religious perspectives on political and social issues and religious leaders and scholars present and past in the United States and the world This comprehensive volume is an essential reference for studies in the anthropology psychology politics and sociology of religion Topics include abortion adolescence African American religious experience anthropology of religion Buddhism commitment conversion

definition of religion ecology movement Emile Durkheim ethnicity fundamentalism Hinduism Islam Judaism new religious movements organization parish Talcott Parsons racism research methods Roman Catholicism sexism Unification Church Max Weber and many others      **Christianity and Democracy Today** David P. Gushee, Paul Silas Peterson, 2025-03-05 This volume explores Christianity's relationship with democracy in a global perspective How are the various democratic ideals being addressed by influential Christian intellectuals theologians ethicists churches and church leaders around the world today The contributors reflect on the status of the democratic idea in the churches theological academy and public religious life in a variety of social and political contexts They consider how the democratic idea can be cultivated in Christian communities and intellectual traditions with a view to contemporary challenges This book will be of particular interest to scholars of religion theology and political science      **Constitutional Law for a Changing America** Lee Epstein, Kevin T. McGuire, Thomas G. Walker, 2021-08-04 Political factors influence judicial decisions Arguments and input from lawyers and interest groups shifting public opinion and the ideological and behavioral inclinations of the justices collectively influence the development of constitutional doctrine In Constitutional Law for a Changing America bestselling authors Lee Epstein Kevin T McGuire and Thomas G Walker draw on both political science and legal studies to analyze and excerpt cases accounting for recent landmark court decisions including key opinions handed down through the 2020 term Updated with additional material such as recent court rulings more than 500 supplemental cases and greater coverage of freedom of expression this Eleventh Edition will develop students understanding of how the U S Constitution protects civil rights and liberties Included with this text The online resources for your text are available via the password protected Instructor Resource Site

American Sociology of Religion Anthony J. Blasi, 2007 First ever collection of histories of American sociology of religion including accounts of early dissertations changes in theory and studies of denominations globalization feminism new religions and Latino a American religion      **The Cambridge History of Religions in Latin America** Virginia Garrard-Burnett, Paul Freston, Stephen C. Dove, 2016-04-11 The Cambridge History of Religions in Latin America covers religious history in Latin America from pre Conquest times until the present This publication is important first because of the historical and contemporary centrality of religion in the life of Latin America second for the rapid process of religious change which the region is undergoing and third for the region's religious distinctiveness in global comparative terms which contributes to its importance for debates over religion globalization and modernity Reflecting recent currents of scholarship this volume addresses the breadth of Latin American religion including religions of the African diaspora indigenous spiritual expressions non Christian traditions new religious movements alternative spiritualities and secularizing tendencies

Twelve Inventions Which Changed America Gerhard Falk, 2013-02-13 This book describes twelve inventions that transformed the United States from a rural and small town community to an industrial country of unprecedented power These inventions demonstrate that no one person is ever responsible for technological advances and that the culture

produces a number of people who work together to create each new invention The book also shows the influences of technology on society and examines the beliefs and attitudes of those who partake in technological advances The book is both a sociological analysis and a history of technology in the United States in the past two hundred years **Women in World Christianity**

Gina A. Zurlo, 2023-08-07 A groundbreaking comprehensive and interdisciplinary analysis of women's experiences in World Christianity **Women in World Christianity** Building and Sustaining a Global Movement is the first textbook to focus on women's experiences in the founding spread and continuation of the Christian faith Integrating historical theological and social scientific approaches to World Christianity this innovative volume centers women's perspectives to illustrate their key role in Christianity becoming a world religion including how they sustain the faith in the present and their expanding role in the future **Women in World Christianity** features findings from the Women in World Christianity Project a groundbreaking study that produced the first quantitative dataset on gender in every Christian denomination in every country of the world Throughout the text special emphasis is placed on women in the twentieth and twenty first centuries the period of Christianity's shift from the global North to the global South Easily accessible chapters organized by continent tradition and select topics introduce students to the wide variety of Christian belief and practice around the world The book also discusses issues specifically relevant to women in the church gender based violence ecology theological education peacebuilding and more This textbook Provides a balanced view of women's involvement in Christianity as a world religion and how they sustain the faith today Introduces students to female theologians around the world whose scholarship is generally overlooked in Western theological education Discusses women's essential contributions to Christian mission leadership education relief work healthcare and other social services of the church Complements the growing body of literature about Christian women from different continental regional national and ecclesiastical perspectives Explores the contributions of contemporary Christian women of all major denominations in Africa Asia Europe Latin America North America and Oceania Helps students become more aware of the unique challenges women face worldwide and what they are doing to overcome them **Women in World Christianity** Building and Sustaining a Global Movement is an excellent primary textbook for introductory courses on World Christianity History of Christianity World Religions Gender in Religion as well as undergraduate and graduate courses specifically focused on women in World Christianity
