Religious Seekers And The Advent Of Mormonism

John G. Turner

Religious Seekers And The Advent Of Mormonism:

Religious Seekers and the Advent of Mormonism Dan Vogel, 1988 **Science, Religion, and Mormon Cosmology** Erich Robert Paul, 1992 Merrill who urged a unique vision of reality that shaped a Mormon eschatology He shows how authorities eventually retreated from the perception of reality as true and adopted a scientifically less secure position in order to protect their theology an eventuality which ultimately resulted in a reactionary response to science within Mormonism Volume 1 Family and Mormon Church Roots: Colonial Period to 1820 JOHN J HAMMOND, 2011-07-27 This is the first volume of a multi volume work entitled The Quest for the New Jerusalem Mormon Generational Saga and it ends with a listing of the titles of all sixteen volumes in this series which have been written to this point Before discussing the first volume it is necessary to describe the entire series Around the year 2000 the author began a thorough investigation of his genealogical roots and to his surprise discovered that many of his ancestors had played significant roles in the early history of America and central roles in the history of Mormonism Wherever he looked his ancestors were there during the colonial King Phillip s and French and Indian Wars in New England at the Battle of Bunker actually Breed s Hill and on a prison ship for two years on the Hudson River during the American Revolution on whaling ships in the south Atlantic and northern Pacific during the 1840s at Mormon Kirtland Far West and Nauvoo during the turbulent and often bloody events of the 1830s and 1840s in the earliest Mormon experiments with polygamy almost all of the author s ancestors were polygamists in San Francisco and Sacramento during the earliest stages of the California Gold Rush in the immigrant ships filled with Mormon converts crossing the Atlantic in the wagon trains carrying the saints across the plains to Salt Lake City during the establishment of the Mormon Church in Hawaii in the early 1850s in the first halting steps toward elementary and higher education in Utah during the Mormon War with the U S army in Utah in 1857 58 in the operation of the early Salt Lake Theater in the building of the transcontinental railroad across Utah in 1869 in the settlement of the wild four corners area during the 1880s and 1890s in the rather secret and somewhat underhanded process by which Utah became a state and in the pioneer settlement of southern Idaho in the early 1900s The author felt impelled to tell these wonderful ancestral stories and it became obvious that this could not be done without giving an account of the history of the Mormon Church the two subjects were intimately interwoven Furthermore telling the linked ancestral Mormon story beginning in the American colonial period could not be adequately undertaken without giving an account of significant events in the larger American story In recent years a number of writers have given us fascinating generational family stories Alex Haley s Roots is a well known example Haley traced his African American family all the way back to a slave taken from a village in Africa In 1991 Chinese American Jung Chang s in her Wild Swans Three Daughters of China told a wonderful story of three generations of Chinese women her great grandmother grandmother and mother reaching back to China Adele Logan Alexander s Homelands and Waterways The American Journey of the Bond Family is an account of several generations of the author s

African American family Concerning another example James Fox's *The Langhorns of Virginia* reviewer Robert Skidelsky wrote It was a clever idea to use family history to write about social and political history What Fox does is to use the Langhorne sisters as a peg on which to hang the story of the decline of the British aristocracy or Empire or both John Hammond's multi volume *Mormon Generational Saga* evolved into something very similar to Fox's but he utilizes family history to write about religious as well as social and political history In fact what has emerged is a very detailed examination of the early history of the Mormon Church with a special focus upon how that history affected his ancestors The series opens in the earliest years of colonial New England with an account of four of the author's ancestral families and the early lives and ancesto

Excavating Mormon Pasts Newell C. Bringham, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century

The Politics of American Religious Identity Kathleen Flake, 2005-12-15 Between 1901 and 1907 a broad coalition of Protestant churches sought to expel newly elected Reed Smoot from the Senate arguing that as an apostle in the Church of Jesus Christ of Latter day Saints Smoot was a lawbreaker and therefore unfit to be a lawmaker The resulting Senate investigative hearing featured testimony on every peculiarity of Mormonism especially its polygamous family structure The Smoot hearing ultimately mediated a compromise between Progressive Era Protestantism and Mormonism and resolved the nation's long standing Mormon Problem On a broader scale Kathleen Flake shows how this landmark hearing provided the occasion for the country through its elected representatives the daily press citizen petitions and social reform activism to reconsider the scope of religious free exercise in the new century Flake contends that the Smoot hearing was the forge in which the Latter day Saints the Protestants and the Senate hammered out a model for church state relations shaping for a new generation of non Protestant and non Christian Americans what it meant to be free and religious In addition she discusses the Latter day Saints use of narrative and collective memory to retain their religious identity even as they changed to meet the nation's demands

Irenaeus, Joseph Smith, and God-Making Heresy Adam J. Powell, 2015-10-30 *Irenaeus Joseph Smith and God Making Heresy* seeks both to demonstrate the salience of heresy as a tool for analyzing instances of religious conflict far beyond the borders of traditional historical theology and to illuminate the apparent affinity for deification exhibited by some persecuted religious movements To these ends the book argues for a sociologically informed redefinition of heresy as religiously motivated opposition and applies the resulting concept to the historical cases of second century Christians and nineteenth century Mormons Ultimately *Irenaeus Joseph Smith and God Making Heresy* is a careful application of the comparative method to two new religious movements highlighting the social processes at work in their

early doctrinal developments **Early Mormon Documents** Dan Vogel, 1996 This multi volume collection of over 450 documents offers readers access to the primary written and printed sources relating to Mormon origins in Vermont New Hampshire New York and Pennsylvania As such it is essentially a documentary history of the Joseph Smith Sr family and the infant Church of Christ later The Church of Jesus Christ of Latter day Saints beginning with the early lives of Joseph Smith Sr and Lucy Mack Smith and ending with Joseph Smith Jr s move to Ohio in January 1831 and removal of most of the church later that spring Intro vol 1 p xi **The Mormon Culture of Salvation** Douglas J. Davies, 2018-12-07 The Mormon Culture of Salvation presents a comprehensive study of Mormon cultural and religious life offering important new theories of Mormonism one of the fastest growing movements and thought by many to be the next world religion Bringing social scientific and theological perspectives to bear on the Church of Jesus Christ of Latter day Saints Douglas Davies draws from theology history of religions anthropology sociology and psychology to present a unique example of a truly interdisciplinary analysis in religious studies Examining the many aspects of Mormon belief ritual family life and history this book presents a new interpretation of the origin of Mormonism arguing that Mormonism is rooted in the bereavement experience of Joseph Smith which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion and to traditional Christian ideas of grace The Mormon Culture of Salvation is an important work for Mormons and non Mormons alike offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms Written by a non Mormon with over 30 years research experience into Mormonism this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion as well as all those studying or interested in Mormonism and world religions Douglas J Davies is Professor in the Study of Religion in the Department of Theology Durham University UK He is the author of many books including *Death Ritual and Belief* Cassell 1997 *Mormon Identities in Transition* Cassell 1994 *Mormon Spirituality* 1987 and *Meaning and Salvation in Religious Studies* Brill 1984 *Sectarianism and Orestes Brownson in the American Religious Marketplace* Ángel Cortés, 2017-07-10 This book reveals the origins of the American religious marketplace by examining the life and work of reformer and journalist Orestes Brownson 1803 1876 Grounded in a wide variety of sources including personal correspondence journalistic essays book reviews and speeches this work argues that religious sectarianism profoundly shaped participants in the religious marketplace Brownson is emblematic of this dynamic because he changed his religious identity seven times over a quarter of a century Throughout Brownson waged a war of words opposing religious sectarianism By the 1840s however a corrosive intellectual environment transformed Brownson into an arch religious sectarian The book ends with a consideration of several explanations for Brownson s religious mobility emphasizing the goad of sectarianism as the most salient catalyst for change *The Mormon People* Matthew Bowman, 2012-08-28 From one of the brightest of the new generation of Mormon studies scholars comes a crisp engaging

account of the religion's history The Wall Street Journal With Mormonism on the nation's radar as never before religious historian Matthew Bowman has written an essential book that pulls back the curtain on more than 180 years of Mormon history and doctrine He recounts the church's origins and explains how the Mormon vision has evolved and with it the esteem in which Mormons have been held in the eyes of their countrymen Admired on the one hand as hardworking paragons of family values Mormons have also been derided as oddballs and persecuted as polygamists heretics and zealots The place of Mormonism in public life continues to generate heated debate yet the faith has never been more popular One of the fastest growing religions in the world it retains an uneasy sense of its relationship with the main line of American culture Mormons will surely play an even greater role in American civic life in the years ahead The Mormon People comes as a vital addition to the corpus of American religious history a frank and balanced demystification of a faith that remains a mystery for many Fascinating and fair minded a sweeping soup to nuts primer on Mormonism The Boston Globe A cogent judicious and important account of a faith that has been an important element in American history but remained surprisingly misunderstood Michael Beschloss A thorough stimulating rendering of the Mormon past and present Kirkus Reviews A smart lucid history Tom Brokaw Believing History Richard Lyman Bushman, 2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book's ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book's fascination with records translation and history Yet Believing History also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world Believing History offers many surprises Believers will learn that Joseph Smith is more than an icon and non believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman's arguments he provides us with a provocative and open look at a believing historian studying his own faith **Differing Visions** Roger D. Launius, Linda Thatcher, 1998-01-15 The first serious attempt to analyze the careers of converts who later left the Mormon

church this book contains selections about 18 Mormon dissenters David Whitmer Fawn Brody and Sonia Johnson among them contributed by Richard N Holzapfel John S McCormick Kenneth M Godfrey William D Russell Dan Vogel Jessie L Embry and many others

Prophecy in the New Millennium Suzanne Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life

Images of the New Jerusalem Craig S. Campbell, 2004 The Kansas City suburb of Independence Missouri is associated primarily with its most famous son President Harry Truman Yet Independence is also home to a unique and complex religious landscape regarded as sacred space by hundreds of thousands of people associated with the Latter Day Saint family of churches In 1831 Joseph Smith the founder of the Latter Day Saint LDS movement declared Independence the site of the New Jerusalem where followers would build a sacred city the center of Zion Smith prophesied that Jesus Christ would return in millennial and glorious advent to Independence an act that would make the city an American counterpart to old world Jerusalem Smith s plan would have mixed the best qualities of nineteenth century American pastoral and urban psyche However the great splintering among returning Latter Day Saint groups has led to divergent beliefs and multiple interpretations of millennial place Images of the New Jerusalem culls viewpoints from publications and interviews and contrasts them with official church doctrines and mapped land holdings For example with a desire to attract mainstream American the Western LDS Church which holds the largest amount of land in northwestern Missouri keeps fairly silent on the New Jerusalem while the RLDS Church now the Community of Christ has dropped millennial claims gradually adopting a liberal secular style of pseudo Protestantism Smaller groups independent of these two see sacred space in more spatially and doctrinally limited ways The religious ecology among Latter Day Saint churches allows each group its place in the public spotlight and a number of sociopolitical mechanisms reduce conflict among them Nonetheless Independence has developed many traits of the world s most seasoned and conflicted sacred places over a relatively short time This book opens the field of scholarship on this region where profound spatial and doctrinal variation continues Craig S Campbell is professor of geography at Youngstown State University He has published articles in Journal of Cultural Geography Cartographica The Professional Geographer Political Geography and other journals

Deception by

Design Allen F. Harrod, 2011-11-08 Deception by Design provides a comprehensive study of Mormonism exposes the surprising source of Joseph Smith's conversion story reveals the immense influence of others on Smith's beliefs equips evangelical Christians with principles for witnessing to Mormons Allen Harrod has written a wonderfully helpful and insightful book on Mormonism It is both original in its research as well as in its offering helpful conclusions and applications regarding the nature and history of the Church of Jesus Christ of Latter-day Saints Dr R Philip Roberts president Midwestern Baptist Theological Seminary Deception by Design represents the best book I have seen in terms of explicating the beliefs and theology of Mormonism and at the same time providing superb approaches to presenting the claims of Christ to Mormons Dr Paige Patterson Southwestern Baptist Theological Seminary Brigham Young John G. Turner, 2012-09-25 Brigham Young was a rough-hewn New York craftsman whose impoverished life was electrified by the Mormon faith Turner provides a fully realized portrait of this spiritual prophet viewed by followers as a protector and by opponents as a heretic His pioneering faith made a deep imprint on tens of thousands of lives in the American Mountain West **A Chosen People, a Promised Land** Hokulani K. Aikau, 2012 How Native Hawaiians' experience of Mormonism intersects with their cultural and ethnic identities and traditions *The Stone-Campbell Movement* Michael W. Casey, Douglas Allen Foster, 2002 The religious reform tradition known as the Stone-Campbell movement came into being on the American frontier in the early decades of the nineteenth century Named for its two principal founders Barton W. Stone and Alexander Campbell its purpose was twofold to restore the church to the practice and teaching of the New Testament and by this means to find a basis for reuniting all Christians Today there are three major branches of the Stone-Campbell tradition the Christian Church Disciples of Christ Churches of Christ and Christian Churches Churches of Christ This volume brings together twenty-six essays drawn from the significant scholarship on the Stone-Campbell Movement that has flourished over the past twenty years Reprinted from diverse scholarly journals and concentrating on historiographic issues the essays consider such topics as the movement's origins its influence on the presidency its presence in Britain and its multicultural aspects In their introduction Casey and Foster reveal the connections between this scholarship and larger issues of American history religion and culture They note that David Edwin Harrell Jr and Richard T. Hughes both of whom are represented in the collection have provided competing paradigms of the social and intellectual history of the movement While Harrell defends the legitimacy of the sectarian non-institutional Churches of Christ Hughes legitimizes the current progressive movement found in Churches of Christ Casey and Foster propose six additional historiographic constructs as alternatives to those of Harrell and Hughes and assess each paradigm's implications for the scholarship of the movement The first major survey of research on the Stone-Campbell movement in a quarter of a century this book will also serve as an invaluable resource for scholars of American religious movements in general The Editors Michael W. Casey is professor of communication at Pepperdine University He is the author of *The Battle Over Hermeneutics in the Stone-Campbell Movement 1800-1870* and *Saddlebags City Streets and*

Cyberspace A History of Preaching in the Churches of Christ Douglas A Foster is associate professor of church history and director of the Center for Restoration Studies at Abilene Christian University He is author of Will the Cycle Be Unbroken Churches of Christ Face the Twenty First Century and co author of The Crux of the Matter Crisis Tradition and the Future of Churches of Christ The Contributors Peter Ackers Louis Billington Monroe Billington Paul M Blowers Michael W Casey Anthony L Dunnavant David B Eller Philip G A Griffin Allwood Jean F Hankins David Edwin Harrell Jr Nathan O Hatch L Edward Hicks Richard T Hughes Deryck W Lovegrove John L Morrison Russ Paden Paul D Phillips William C Ringenberg Stephen Vaughn Earl Irvin West Mont Whitson Glenn Michael Zuber *Binding Earth and Heaven* Gary Shepherd, Gordon Shepherd, 2012-10-04 In *Binding Earth and Heaven* Gary Shepherd and Gordon Shepherd use early nineteenth century Mormonism as a case study to examine questions about how new religious movements may as rare exceptions survive and even eventually become successful in spite of intense opposition Initial scorn and contempt for Mormonism the fledgling creation of the young Joseph Smith quickly elevated to mob violence as both Smith s innovative teachings and converted followers proliferated resulting in the widely held perception that the Mormons constituted a social menace This book examines how Mormonism attracted and maintained the loyalty of increasing numbers of people despite mounting hostilities and severe hardships The book focuses on the unique Mormon ritual and accompanying doctrinal underpinnings of patriarchal blessings Patriarchal blessings were an innovative adaptation of the Old Testament practice of fathers making quasi legal pronouncements over the heads of their sons a way of verbally conferring rights promises admonition and guidance to heirs *Binding Earth and Heaven* shows how the organizational complexities of this practice contributed to strengthening and sustaining member faith and fealty thereby bolstering the continuity and development of Mormonism

By the Hand of Mormon Terryl Givens, 2003-09-11 Finally in exploring what Martin Marty refers to as the Book of Mormon s revelatory appeal Givens highlights the Book s role as the engine behind what may become the next world religion
BOOK JACKET

The book delves into Religious Seekers And The Advent Of Mormonism. Religious Seekers And The Advent Of Mormonism is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Religious Seekers And The Advent Of Mormonism, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Religious Seekers And The Advent Of Mormonism
 - Chapter 2: Essential Elements of Religious Seekers And The Advent Of Mormonism
 - Chapter 3: Religious Seekers And The Advent Of Mormonism in Everyday Life
 - Chapter 4: Religious Seekers And The Advent Of Mormonism in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Religious Seekers And The Advent Of Mormonism. This chapter will explore what Religious Seekers And The Advent Of Mormonism is, why Religious Seekers And The Advent Of Mormonism is vital, and how to effectively learn about Religious Seekers And The Advent Of Mormonism.
 3. In chapter 2, the author will delve into the foundational concepts of Religious Seekers And The Advent Of Mormonism. This chapter will elucidate the essential principles that need to be understood to grasp Religious Seekers And The Advent Of Mormonism in its entirety.
 4. In chapter 3, the author will examine the practical applications of Religious Seekers And The Advent Of Mormonism in daily life. This chapter will showcase real-world examples of how Religious Seekers And The Advent Of Mormonism can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Religious Seekers And The Advent Of Mormonism in specific contexts. The fourth chapter will explore how Religious Seekers And The Advent Of Mormonism is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Religious Seekers And The Advent Of Mormonism. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Religious Seekers And The Advent Of Mormonism.
