Religious Thought and the Modern Psychologies Don S. Browning, Terry D. Cooper, Religious Thought and the Modern Psychologies has pioneered the broader and deeper critique of psychological theories and practice Informed by hermeneutical theory Browning's widely acclaimed work drew much needed attention to the ethical and metaphysical even religious assumptions that underlie present day psychology It has been deeply influential in many social sciences in addition to the fields of pastoral counseling and practical theology In this much needed second edition Browning and his new co author show how the field of social science has indeed grasped and appropriated the hermeneutical approach though with only slight appreciation of the religious dimensions of the social scientific endeavor Browning and Cooper provide a completely new first chapter newly situating the discussion and update the core chapters of the book They also add two new chapters carrying the dialogue on with three new psychotherapeutic theorists then with new evangelical writers on the relation of theology and psychology This new edition like its predecessor will set the stage for the religion psychology dialogue for years to come Religious Thought and the Modern Psychologies Don S. with the effect of the modern age on Christianity would warrant the omission of any discussion of that faith This is an important historical reference work for scholars and researchers of religion and world religion **Annual Register** University of Chicago, 1907 Indian and Christian Cornelis Bennema, Paul Joshua Bhakiaraj, 2011-11-09 Indian and Christian Changing Identities in Modern India is a collection of essays from the 1st SAIACS Consultation that took place during November 2010 at SAIACS Bangalore Who am I is a question that every human needs to ask themselves In this book this question is looked at from a dual perspective Indian and Christian Can one be both Indian and Christian in the modern world Should one have a single identity or can one have multiple identities.
