Religious Violence in Contemporary Japan

The Case of Aum Shinrikyō

Ian Reader

Religious Violence In Contemporary Japan

Prof J A A Stockwin, J. A. A. Stockwin

Religious Violence In Contemporary Japan:

Religious Violence in Contemporary Japan Ian Reader, 2000 The Tokyo subway attack in March 1995 was just one of a series of criminal activities including murder kidnapping extortion and the illegal manufacture of arms and drugs carried out by the Japanese new religious movement Aum Shinrikyo under the guidance of its leader Asahara Shoko Reader looks at Aum s claims about itself and asks why did a religious movement ostensibly focussed on yoga meditation asceticism and the pursuit of enlightenment become involved in violent activities Reader discusses Aum s spiritual roots placing it in the context of contemporary Japanese religious patterns Asahara s teaching are examined from his earliest public pronouncements through to his sermons at the time of the attack and statements he has made in court In analysing how Aum not only manufactured nerve gases but constructed its own internal doctrinal justifications for using them Reader focuses on the formation of what made all this possible Aum s internal thought world and on how this was developed Reader argues that despite the horrors of this particular case Aum should not be seen as unique nor as solely a political or criminal terror group Rather it can best be analysed within the context of religious violence as an extreme example of a religious movement that has created friction with the wider world that escalated into violence

Religious Violence in Contemporary Japan Ian Reader, 2013-10-11 The Tokyo subway attack in March 1995 was just one of a series of criminal activities including murder kidnapping extortion and the illegal manufacture of arms and drugs carried out by the Japanese new religious movement Aum Shinrikyo under the guidance of its leader Asahara Shoko Reader looks at Aum s claims about itself and asks why did a religious movement ostensibly focussed on yoga meditation asceticism and the pursuit of enlightenment become involved in violent activities Reader discusses Aum s spiritual roots placing it in the context of contemporary Japanese religious patterns Asahara s teaching are examined from his earliest public pronouncements through to his sermons at the time of the attack and statements he has made in court In analysing how Aum not only manufactured nerve gases but constructed its own internal doctrinal justifications for using them Reader focuses on the formation of what made all this possible Aum s internal thought world and on how this was developed Reader argues that despite the horrors of this particular case Aum should not be seen as unique nor as solely a political or criminal terror group Rather it can best be analysed within the context of religious violence as an extreme example of a religious movement that has created friction with the wider world that escalated into violence

Apocalyptic Faith and Political Violence J. Rinehart, 2006-09-02 This study examines the functional relationship between millenarian inspired terrorism and the process of political change Through an exhaustive investigation of late Twentieth century movements Aum Shinrikyo Sendero Luminoso and Hezbollah it concludes that in each case apocalyptic expectations performed a significant group mobilization leadership and therapeutic function

On Being Nonreligious in Contemporary Japan Ian Reader, Clark Chilson, 2025-06-12 Challenging the notion of the nonreligious in Japan being religious through tradition and institution this book demonstrates how negativity and antipathy for religion

relate to religious decline in Japan today Why do most Japanese say they are nonreligious mushukyo Since the 1990s scholars have answered this key question for understanding religion in contemporary Japan as follows although the Japanese say they are nonreligious because they do not identify with a particular religious tradition or institution they are in fact religious through their traditional practices New Year s visits to shinto Shrines Buddhist mortuary rites and festivals matsuri are typically seen as customs rather than as religious Challenging this answer this book argues that many Japanese say they are nonreligious because they actually dislike religion and want to distance themselves from it To support this argument the book explores how religion is in decline in Japan today Demonstrating how negative images of religion are produced in the mainstream media in popular culture and by various groups and people this book also explores specific case studies such as anti cult organizations lawyers government agencies intellectuals and religious organizations Ian Reader and Clark Chilson argue that popular negative images and perceptions about religion create an ecology of dislike which encourages disassociation from religion and exacerbates problems for religions today Overall this book provides a new perspective on religion in contemporary Japan that has implications for our understanding of secularization in the modern world

Religion in Contemporary Japan I. Reader, 1991-02-22 What role does religion play in contemporary Japanese society and in the lives of Japanese people today Through a series of case studies of religion in action at crowded temples and festivals in austere Zen meditation halls at home and work at dramatic fire rituals it illustrates the immense variety energy and colour inherent in Japanese religion while discussing the continued relevance and responses of religion in a rapidly modernising and changing society *Japanese Religions on the Internet* Erica Baffelli, Ian Reader, Birgit Staemmler, 2013-05-13 Japanese Religions on the Internet draws attention to how religion is being presented represented and discussed on the Japanese Internet Its intention is to contribute to wider discussions about religion and the Internet by providing an important example based on one of the Internet s most prominent languages of how new media technologies are being used and are impacting on religion in the East Asian context while also developing further our understandings of religion in a technologically advanced country Scholars studying the relationship of religion and the Internet can no longer work on prevailing notions that have thus far characterised the field such as the assumption that the Internet is a Western centric phenomenon and that studies of English language sites relating to religion can provide a viable model for wider analyses of the topic Despite this growing amount of research on religion and the Internet comparatively little has focused on non Western cultures The general field of study relating to religion and the Internet has paid scant attention to Asian contexts The field needs a full length and comprehensive study that focuses on the Japanese religious world and the Internet not merely to redress the imbalances of the field thus far but also because such studies will be central to the emerging field of the study of religion and the Internet in future They will provide important means of developing new theories constructing new paradigms and understanding the underlying dynamics of this new media form **Dictionary of the Modern Politics of Japan** Prof J A A

Stockwin, J. A. A. Stockwin, 2003-08-27 The politics of Japan are less widely reported than its economics. Most people are aware of the economic miracle following the Second World War whereby Japan became the second largest economy in the world after the United States and the economic stagnation of the early 1990s is also well known. But it is difficult to make sense of these phenomena without a knowledge of the political system and the ways in which it works in practice. Containing an introductory essay, an essay on theories of Japanese politics and over 250 A-Z entries, the *Dictionary of the Modern Politics of Japan* remedies this imbalance and answers the need for an accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system. Including a fully annotated bibliography to guide the user to further reading, the entries are thoroughly cross-referenced and indexed and are supplemented with maps and tables to ensure that the *Dictionary of the Modern Politics of Japan* is essential reading for all scholars and students of the politics and international relations of Japan. *Historical Dictionary of Postwar Japan* William D. Hoover, 2018-12-15 Japan is a mix of the old and the new, traditional and modern, and old fashion and innovative. It has traveled the road to a modern destination without totally losing sight of its traditions and values. Although some in Japan lament the passing of old ways, Japan has held on to a reasonable amount of its traditions and values. This is easier to find in its arts and crafts and its literature and films as well as in its social habits. This book will introduce the broad sweep of people, events and trends, including the successes and failures of postwar Japan. This second edition of *Historical Dictionary of Postwar Japan* contains a chronology, an introduction, appendixes and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion and culture. This book is an excellent resource for students, researchers and anyone wanting to know more about Japan. **Jews in Japan: Presence and Perception** Silvia Pin, 2023-12-04 *Jews in Japan: Presence and Perception* Antisemitism, Philo-Semitism and International Relations is a study on the history of real and imagined Jews in Japan which discusses the little-known cultural, political and economic ties between Jews and Japan and follows the evolution of Jewish stereotypes in Japan in the last century and a half. The book begins with the arrival of Jews and their image in late 19th to early 20th century Japan when the seeds of later stereotyped visions were sown. The discussion then focuses on wartime Japan, delving into the complex and mixed attitudes of the Japanese Empire toward Jews. In postwar Japan, the partial reception of the Holocaust intertwined with earlier antisemitic and philo-Semitic manifestations resulting in instances of both hatred and admiration toward Jews. Finally, the book explores the recent reframing of Japanese Jewish historical encounters within the context of the growing ties between Japan and Israel. This study sheds new light on the little-explored relations between Jews and Japan, offering thought-provoking insights into the coexistence of antisemitism and philo-Semitism, the political and diplomatic uses of Jewish history and the perpetuation of Jewish stereotypes in a land devoid of a local Jewish population. *Historical Dictionary of Shinto* Stuart D.B. Picken, 2010-12-28 One of Japan's major religions, Shinto, has no doctrines and there are no sacred texts from

which religious authority can be derived It does not have an identifiable historical founder and it has survived the vicissitudes of history through rituals and symbols rather than through continuity of doctrine Shinto is primarily a religion of nature centered on the cultivation of rice the basis of a culture with which the western world is not familiar in terms of either its annual cycle or the kind of lifestyle it generates The roots of the Shinto tradition probably precede this and reflect an awareness of the natural order The oldest shrines came to be located in places that inspired awe and wonder in their observers such as the great Fall of Nachi in Kumano or in mountains that conveyed a sense of power The expanded second edition of the Historical Dictionary of Shinto relates the history of Shinto through a chronology an introductory essay an extensive bibliography and over 800 cross referenced dictionary entries on Shinto concepts significant figures places activities and periods Scholars and students will find the overviews and sources for further research provided by this book to be enormously helpful

Millennialism, Persecution, and Violence Catherine Wessinger, 2000 In this book a cross cultural and comparative volume Catherine Wessinger reveal three patterns within millennial groups that are not mutually exclusive assaulted millennial groups which are attacked by outsiders who fear and misunderstand the religion fragile millennial groups that initiate violence to preserve the religious goal and revolutionary millennial groups possessing an ideology that sanctions violence

Doing Fieldwork in Japan Theodore C. Bestor, Patricia G. Steinhoff, Victoria Lyon Bestor, 2003-07-31 *Doing Fieldwork in Japan* taps the expertise of North American and European specialists on the practicalities of conducting long term research in the social sciences and cultural studies In lively first person accounts they discuss their successes and failures doing fieldwork across rural and urban Japan in a wide range of settings among religious pilgrims and adolescent consumers on factory assembly lines and in high schools and wholesale seafood markets with bureaucrats in charge of defense foreign aid and social welfare policy inside radical political movements among adherents of New Religions inside a prosecutor's office and the JET Program for foreign English teachers with journalists in the NHK newsroom while researching race ethnicity and migration and amidst fans and consumers of contemporary popular culture Contributors David M Arase Theodore C Bestor Victoria Lyon Bestor Mary C Brinton John Creighton Campbell Samuel Coleman Suzanne Culter Andrew Gordon Helen Hardacre Joy Hendry David T Johnson Ellis S Krauss David L McConnell Ian Reader Glenda S Roberts Joshua Hotaka Roth Robert J Smith Sheila A Smith Patricia G Steinhoff Merry Isaacs White Christine R Yano

Expecting the End Kenneth G. C. Newport, Crawford Gribben, 2006 Jesus promise that the end draws near has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection

Routledge Handbook of Modern Japanese History Sven Saaler, Christopher W. A. Szpilman, 2017-10-16 The Routledge Handbook of Modern

Japanese History is a concise overview of modern Japanese history from the middle of the nineteenth century until the end of the twentieth century. Written by a group of international historians, each an authority in his or her field, the book covers modern Japanese history in an accessible yet comprehensive manner. The subjects featured in the book range from the development of the political system and matters of international relations to social and economic history and gender issues to post-war discussions about modern Japan's historical trajectory and its wartime past. Divided into thematic parts, the sections include Nation, empire and borders; Ideologies and the political system; Economy and society; Historical legacies and memory. Each chapter outlines important historiographical debates and controversies, summarizes the latest developments in the field, and identifies research topics that have not yet received sufficient scholarly attention. As such, the book will be useful to students and scholars of Japanese history, Asian history, and Asian Studies.

Dynamism and the Ageing of a Japanese 'New' Religion Erica Baffelli, Ian Reader, 2018-12-13. This book is available as open access through the Bloomsbury Open programme and is available on www.bloomsburycollections.com. This book examines the trajectory and development of the Japanese religious movement Agonshu and its charismatic founder Kiriya Seiyu. Based on field research spanning 30 years, it examines Agonshu from when it first captured attention in the 1980s with its spectacular rituals and use of media technologies through its period of stagnation to its response to the death of its founder in 2016. The authors discuss the significance of charismatic leadership, the democratisation of practice, and the demands made by movements such as Agonshu on members while examining how the movement became increasingly focused on revisionist nationalism and issues of Japanese identity. In examining the dilemma that religions commonly face on the deaths of charismatic founders, Erica Baffelli and Ian Reader look at Agonshu's response to Kiriya's death, looking at how and why it has transformed a human founder into a figure of worship. By examining Agonshu in the wider context, the authors critically examine the concept of new religions. They draw attention to the importance of understanding the trajectories of new religions and how they can become old even within their first generation.

Asian Religions Randall L. Nadeau, 2014-01-13. *ASIAN RELIGIONS* A unique introduction to Asian religions combining the scholarly rigor of an established historian of Asian religions with the willingness to engage empathetically with the traditions and to suggest that readers do the same. Joseph A. Adler, Kenyon College. Randall L. Nadeau has accomplished what only a few have tried but which has been much needed in the study of religions. He has written a genuinely novel approach to the religions of Asia. This is a work that should find its way into Asian humanities, history, religion, and civilization courses. Ronnie Littlejohn, Belmont University. This all-embracing introduction to Asian religious practices and beliefs takes a unique approach: not only does it provide a complete overview of the basic tenets of the major Asian religions, but it also demonstrates how Asian spiritualities are lived and practiced, exploring the meaning and significance they hold for believers. In a series of engaging and lively chapters, the book explores the beliefs and practices of Confucianism, Taoism, Hinduism, Buddhism, and Japanese religions including Shintō. Using a comparative approach, it

highlights the contrasts between Asian and Western modes of thinking and living and debates the influence of religion on real world issues including work economic growth the environment human rights and gender relations Nadeau a leading figure in this field takes an empathetic approach to Asian religious and cultural traditions and considers Asian spiritualities to be viable systems of belief for today's global citizens Integrating exercises activities and an appealing mixture of examples such as novels and biographies this refreshing book leads readers to an enhanced understanding of the ideas and practice of Asian religions and of their continuing relevance today **Politics and Religion in Modern Japan** R. Starrs, 2011-08-09

Written by leading scholars in the field this book provides new insights based on original research into the full spectrum of modern Japanese political religious activity from the prewar uses of Shinto in shaping the modern imperial nation state to the postwar new religions that have challenged the power of the political establishment The Monstrous-Feminine in Contemporary Japanese Popular Culture Raechel Dumas, 2018-06-01 This book explores the monstrous feminine in Japanese popular culture produced from the late years of the 1980s through to the new millennium Raechel Dumas examines the role of female monsters in selected works of fiction manga film and video games offering a trans genre trans media analysis of this enduring trope The book focuses on several iterations of the monstrous feminine in contemporary Japan the self replicating sh jo in horror monstrous mothers in science fiction female ghosts and suburban hauntings in cinema female monsters and public violence in survival horror games and the rebellious female body in mytho fiction Situating the titles examined here amid discourses of crisis that have materialized in contemporary Japan Dumas illuminates the ambivalent pleasure of the monstrous feminine as a trope that both articulates anxieties centered on shifting configurations of subjectivity and nationhood and elaborates novel possibilities for identity negotiation and social formation in a period marked by dramatic change Buddhism in World Cultures Stephen C. Berkwitz, 2006-04-06 A comprehensive overview of modern Buddhism across cultures showing how this ancient religion has adapted to recent social and political change Collecting the work of leading authorities on Buddhism in different societies around the world this book details the state of the religion in Asian countries where it is a major cultural influence and in North America The religion has changed to meet the challenges of modernity its practitioners have incorporated those innovations and this work examines those changes in depth A comprehensive overview of historical Buddhist practice grounds the reader for the entire nine chapters each of which is organized by geographical area and follows the path Buddhism took as it spread across Asia and into North America Each chapter presents field research and critical reflection on what constitutes modern Buddhism in one of nine countries or regions Histories of Buddhism are common this is the only source for in depth information on modern Buddhism **The Samurai and the Sacred** Stephen Turnbull, 2011-08-20 A comprehensive study into the spiritual world of the Samurai from the cult of revenge and suicide to Zen and martial arts The fierce loyalty and self sacrificing attitude of the Samurai have made them both a legend and a cult Yet although their military prowess and skills in the martial arts have been studied

exhaustively an understanding of their belief system still eludes many This original and exciting work examines the spiritual world of the samurai from their attachment to Japan's mainstream religions of Shinto and Buddhism to their involvement in Confucianism Christianity and folk religion Samurai expert Stephen Turnbull examines important topics such as Zen and the martial arts modern militarism the cult of the sword revenge and suicide hara kiri and the kamikaze pilots the suicide bombers of their day He also looks at the fascinating issue of Japanese religious terrorism as well as the growing cult status of the Samurai both in Japan and in the West

Religious Violence In Contemporary Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religious Violence In Contemporary Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religious Violence In Contemporary Japan has opened up a world of possibilities. Downloading Religious Violence In Contemporary Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religious Violence In Contemporary Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religious Violence In Contemporary Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religious Violence In Contemporary Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religious Violence In Contemporary Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Religious Violence In Contemporary Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religious Violence In Contemporary Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religious Violence In Contemporary Japan is one of the best book in our library for free trial. We provide copy of Religious Violence In Contemporary Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religious Violence In Contemporary Japan. Where to download Religious Violence In Contemporary Japan online for free? Are you looking for Religious Violence In Contemporary Japan PDF? This is definitely going to save you time and cash in something you should think about.
