Prince Steven M. Gillon,2020-07-07 A New York Times Bestseller A major new biography of John F Kennedy Jr from a leading historian who was also a close friend America s Reluctant Prince is a deeply researched personal surprising and revealing portrait of the Kennedy heir the world lost too soon Through the lens of their decades long friendship and including exclusive interviews and details from previously classified documents noted historian and New York Times bestselling author Steven M Gillon examines John F Kennedy Jr s life and legacy from before his birth to the day he died Gillon covers the highs the lows and the surprising incidents viewpoints and relationships that John never discussed publicly revealing the full story behind JFK Jr s complicated and rich life In the end Gillon proves that John s life was far more than another tragedy rather it s the true key to understanding both the Kennedy legacy and how America s first family continues to shape the world we live in today **A Culture of Rights** Michael James Lacey,Knud Haakonssen,1992-11-27 The essays in this volume provide

insights into the rights thinking and consciousness at the core of American political culture **Organized Crime on Page and Screen** David Geherin,2024-10-25 Thanks to writers like Mario Puzo filmmakers like Francis Ford Coppola and Martin Scorsese and actors like Al Pacino and James Gandolfini American and Sicilian Mafia characters are well known figures in contemporary popular culture Other powerful organized crime groups appearing in popular media include the Neapolitan

Camorra and Mexican drug cartels This book takes a close look at all these examples of organized crime by examining the different ways these organizations and their members have been portrayed in many of our most popular novels movies and TV series and how the gangster figure has evolved from its earliest depictions in a trio of Hollywood films in the 1930s up to the present day *The Jaynes Legacy* Lawrence Wile, 2018-01-03 Julian Jaynes 1976 book *The Origins of Consciousness in the Breakdown of the Bicameral Mind* continues to arouse an unsettling ambivalence Richard Dawkins called it either complete rubbish or a work of consummate genius nothing in between The present book suggests that the bicameral mind is a phantasm the dating of the origin of consciousness contradicts archeological and literary evidence and the theory contributes nothing toward explaining why some physical states are conscious while others are not because the nonconscious bicameral brain is neurophysiologically equivalent to the conscious brain However the author pays tribute to Jaynes s work as a work of consummate genius because it compels us to re evaluate the significance of humankind s earliest traditions and texts that might shine light on the very suspicious totem of evolutionary mythology that consciousness has evolved continuously and gradually from worms to man The present book suggests that the evolution of the relationship between consciousness mass energy and spacetime radically changed nearly 6 000 years ago during the epigenetic evolutionary degeneration of a little known threadlike structure originating from the center of the central nervous system called Reissner s fiber The earliest Egyptian Hebrew Indian and Chinese traditions buried beneath the dust of fallen Babel and thousands of years of distortions and disguisings describe this process during the origin of religion and mystical traditions *Off the Road* Carolyn Cassady, 2008-10-15 This memoir by the woman at the center of the Beat movement is a great book as well as a wonderful autobiography The Washington Post Book World Written by the woman who loved them all as wife of Cassady lover of Kerouac and friend of Ginsberg this riveting and intimate memoir spans one of the most vital eras in twentieth century literature and culture including the explosive successes of Kerouac s *On the Road* and Ginsberg s *Howl* the flowering of the Beat movement and the social revolution of the 1960s Artist writer and designer Carolyn Cassady reveals a side of Neal Cassady rarely seen that of husband and father a man who craved respectability yet could not resist the thrills of a wilder and ultimately more destructive lifestyle To the familiar history of the Beat generation Carolyn Cassady adds a proprietary chapter marked with newness self exposure love and poignancy Publishers Weekly Rich with gossip historically significant photographs intimate memories and unpublished letters The New York Times A poignant recollection truthful coarse and inviting teeming with the spirit of the men who inspired and symbolized the dreams of a generation San Francisco Chronicle **The Quantum-Like Revolution** Arkady Plotnitsky, Emmanuel Haven, 2023-06-27 Over the last ten years elements of the formalism of quantum mechanics have been successfully applied beyond physics in areas such as psychology especially cognition economics and finance especially in the formalization of so called decision making political science and molecular biology An important stream of work along these lines commonly under the heading of quantum like modeling has

been published in well regarded scientific journals and major publishers have devoted entire books to the topic This Festschrift honors a key figure in this field of research Andrei Khrennikov who made momentous contributions to it and to quantum foundations themselves While honoring these contributions and in order to do so this Festschrift orients its reader toward the future rather than focusing on the past it addresses future challenges and establishes the way forward in both domains quantum like modeling and quantum foundations A while ago in response to the developments of using the quantum formalism outside of quantum mechanics the eminent quantum physicist Anton Zeilinger said Why should it be precisely the quantum mechanics formalism Maybe its generalization would be more adequate This volume responds to this statement by both showing the reasons for the continuing importance of quantum formalism and yet also considering pathways to such generalizations Khrennikov s work has been indispensable in establishing the great promise of quantum and quantum like thinking in shaping the future of scientific research across the disciplines The Gate House Nelson DeMille,2008-10-28 1

New York Times bestselling author Nelson DeMille delivers the long awaited follow up to his classic novel The Gold Coast When John Sutter s aristocratic wife killed her mafia don lover John left America and set out in his sailboat on a three year journey around the world eventually settling in London Now ten years later he has come home to the Gold Coast that stretch of land on the North Shore of Long Island that once held the greatest concentration of wealth and power in America to attend the imminent funeral of an old family servant Taking up temporary residence in the gatehouse of Stanhope Hall John finds himself living only a quarter of a mile from Susan who has also returned to Long Island But Susan isn t the only person from John s past who has reemerged Though Frank Bellarosa infamous Mafia don and Susan s ex lover is long dead his son Anthony is alive and well and intent on two missions Drawing John back into the violent world of the Bellarosa family and exacting revenge on his father s murderer Susan Sutter At the same time John and Susan s mutual attraction resurfaces and old passions begin to reignite and John finds himself pulled deeper into a familiar web of seduction and betrayal In The Gate House acclaimed author Nelson DeMille brings us back to that fabled spot on the North Shore a place where past present and future collides with often unexpected results **Britain's Moment in Palestine** Michael J Cohen,2014-02-24 In 1917 the British issued the Balfour Declaration for military and strategic reasons This book analyses why and how the British took on the Palestine Mandate It explores how their interests and policies changed during its course and why they evacuated the country in 1948 During the first decade of the Mandate the British enjoyed an influx of Jewish capital mobilized by the Zionists which enabled them not only to fund the administration of Palestine but also her own regional imperial projects But in the mid 1930s as the clouds of World War Two gathered Britain s commitment to Zionism was superseded by the need to secure her strategic assets in the Middle East In consequence she switched to a policy of appeasing the Arabs In 1947 Britain abandoned her attempts to impose a settlement in Palestine that would be acceptable to the Arab States and referred Palestine to the United Nations without recommendations leaving the antagonists to settle their conflict on the battlefield

Based on archival sources and the most up to date scholarly research this comprehensive history offers new insights into Arab British and Zionist policies It is a must read for anyone with an interest in Palestine Israel British Colonialism and the Middle East in general Winterspell Claire Legrand,2014-09-30 Darkly romantic and entirely enchanting this reimagining of The Nutcracker brims with magic love and intrigue New York Times bestselling author Marissa Meyer Cinder says this is not your grandmother s Nutcracker tale *The Reluctant Godfather [electronic Resource] : the Legacy of Uncle Quattro : a Novel* Trione, Verdun,2001 **Everything is an Afterthought** Kevin Avery,2011-11-21 What happened to Paul Nelson In the 60s he pioneered rock but when Dylan went electric in 1965 Nelson went with him During a five year detour at Mercury Records in the early 1970s Nelson signed the New York Dolls to their first recording contract then settled back down to writing criticism at Rolling Stone as the last in a great tradition of record review editors that included Jon Landau Dave Marsh and Greil Marcus Famously championing the early careers of artists like Bruce Springsteen Jackson Browne Rod Stewart Neil Young and Warren Zevon Nelson not only wrote about them but often befriended them Never one to be pigeonholed he was also one of punk rock s first stateside mainstream proponents embracing the Sex Pistols and the Ramones But in 1982 he walked away from it all Rolling Stone his friends and rock roll By the time he died in his New York City apartment in 2006 at the age of seventy a week passing before anybody discovered his body almost everything he d written had been relegated to back issues of old music magazines How could a man whose writing had been so highly regarded have fallen so quickly from our collective memory With Paul Nelson s posthumous blessing Kevin Avery spent four years researching and writing *Everything Is an Afterthought The Life and Writing of Paul Nelson* This unique anthology biography compiles Nelson s best works some of it previously unpublished while also providing a vivid account of his private and public lives Avery interviewed almost 100 of Paul Nelson s friends family and colleagues including several of the artists about whom he d written Sister of Darkness Lili Bitá,Robert Zaller,2005 *Trumpet Blues* Peter J. Levinson,1999-11-18 Swing is back in style and with it a renewed interest in the Big Band Era And few players dominated that era more than Harry James whose soaring trumpet solos and romantic hit tunes influenced popular music for a generation Now Peter J Levinson who knew Harry James personally has written a revealing biography of this jazz icon based on nearly 200 interviews with musicians and friends Harry James led a truly colorful life and in *Trumpet Blues* Levinson captures it all Beginning with James s childhood in a traveling circus we follow the young trumpeter s meteoric rise in the 1930s and witness his electrifying performances with the Benny Goodman Orchestra We see how James formed his own band in 1939 an incubator for many pop music stars of the 1940s and 50s including Frank Sinatra Connie Haines Dick Haymes Helen Forrest and Kitty Kallen Combined with James s superb musicianship peerless trumpet technique and talented sidemen this stellar group dominated the war years and the immediate post war period And James himself especially after his marriage to film goddess Betty Grable became one of America s most famous personalities and lived like true Hollywood royalty Levinson describes

their twenty two year marriage with insight and sympathy But he shows how James s marriage and his triumphant late 1950s comeback in Nevada s casinos were slowly undermined by his penchant for compulsive gambling womanizing and alcoholism He gives us the inside story of James s sybaritic life style and probes the profound psychological reasons for James s destructive behavior The first biography ever written on Harry James Trumpet Blues is a scintillating portrait of Swing s brightest star his life his loves and the music that defined an era *Bio-linguistics* Talmy Givón,2002 This book examines the parallels between language evolution and language diachrony Sociality co operation and communication are shown to be rooted in a common evolutionary source the kin based hunting and gathering society of intimates Nineteenth-Century Fiction and the Production of Bloomsbury Matthew Ingleby,2018-11-05 This study explores the role of fiction in the social production of the West Central district of London in the nineteenth century It tells a new history of the novel from a local geographical perspective tracing developments in the form as it engaged with Bloomsbury in the period it emerged as the city s dominant literary zone A neighbourhood that was subject simultaneously to socio economic decline and cultural ascent fiction set in Bloomsbury is shown to have reconceived the area s marginality as potential autonomy Drawing on sociological theory this book critically historicizes Bloomsbury s trajectory to show that its association with the intellectual fraction known as the Bloomsbury Group at the beginning of the twentieth century was symptomatic rather than exceptional From the 1820s onwards writers positioned themselves socially within the metropolitan geography they projected through their fiction As Bloomsbury became increasingly identified with the cultural capital of writers rather than the economic capital of established wealth writers subtly affiliated themselves with the area and the figure of the writer and Bloomsbury became symbolically conflated *Modified* Ann Aguirre,Gennifer Albin,Leigh Bardugo,Michael Grant,Katherine Applegate,Lish McBride,Marissa Meyer,Gabrielle Zevin,2012-07-10 Get ready science fiction and fantasy fans Inside this special edition ebook you get the exclusive chance to read the beginning chapters of seven incredible novels Eve and Adam by Michael Grant and Katherine Applegate Feiwel and Friends Crewel by Gennifer Albin Farrar Straus Giroux Books for Young Readers Shadow and Bone by Leigh Bardugo Henry Holt Books for Young Readers Cinder by Marissa Meyer Feiwel and Friends All These Things I ve Done by Gabrielle Zevin Farrar Straus Giroux Books for Young Readers Enclave by Ann Aguirre Feiwel and Friends and Hold Me Closer Necromancer by Lish McBride Henry Holt Books for Young Readers
