## **Remaking The Body Explorations In Embodiment:**

*Remaking the Body* Wendy Seymour, 2012-11-12 In *Remaking the Body* Wendy Seymour interviews men and women who have suffered profound bodily paralysis and explores how they deal with their appearance relationships sexuality incontinence and sport She finds that even major impairment hasn't annihilated these people's experience of an embodied self She shows that the process of self reconstruction is interwoven with social expectations and argues that the experience of disability highlights the continuous work involved in embodiment for everyone *Remaking the Body* is a major contribution to the field of the sociology of the body and essential reading for rehabilitation professionals and students *Remaking the Body* Wendy Seymour, 1995

**Remaking Humanity** Adam Beyt, 2024-08-22 Drawing upon Edward Schillebeeckx's theology and Judith Butler's philosophy Adam Beyt uses the framework of nonviolent hope to construct a Catholic political theology responding to dehumanizing violence Dehumanizing violence names words institutions or acts violating the inherent dignity of being made in the image and likeness of God Theology can participate in dehumanizing violence by claiming an uninterrogated universality that marginalizes bodies due to their perceived differences such as gender race sexuality or ability The book's constructive project integrates Schillebeeckx's and Butler's thought with queer theory and phenomenology to model embodiment as an enfleshing dynamism between bodies and signification The text then posits Catholic discipleship as incarnating hope by defending the humanum the new humanity announced through God's Reign Combining reflections from Schillebeeckx and Butler this hope centers discipleship as nonviolent world building Concluding with a sustained reflection with the writings of Franz Fanon and Walter Benjamin the final chapter sketches a Catholic solidaristic response to contemporary struggles against the necropolitics of colonizing and state violence through assemblies of hope

*The Sociology of the Body* Kate Cregan, 2006-03-31 Through a provocative analysis this book contextualizes explicates and critically analyses the work of those key theorists and texts that have been most influential in refocusing our gaze on human embodiment Upon this foundation the author builds her own distinctive theoretical framework towards the analysis of embodiment This is a valuable addition to the field of body studies Chris Shilling University of Kent Over the last 20 years the social sciences have witnessed a remarkable interdisciplinary surge of interest in the body The latter is now recognized as a core concept and is the subject of intensive study at undergraduate and postgraduate levels But how can we map this work What are the contributions and differences of the various approaches This lucid and authoritative text Provides a critical evaluation of the work of Elias Aries Foucault Bourdieu Mary Douglas Kristeva Butler Haraway and Bordo Guides the reader through the interdisciplinary influence of these ideas Gives a clear and compelling analysis of the significance of the turn towards the body Explains the complex way in which embodiment is formed across different social formations Clearly organized and powerfully expressed the book provides the best available guide to the turn to the body in the social sciences

Forthcoming Books Rose Arny, 1998-06      **Subject Guide to Books in Print**, 1991      The Theatre of Naomi Wallace

Scott T. Cummings, Erica Stevens Abbitt, 2013-12-18 Naomi Wallace an American playwright based in Britain is one of the more original and provocative voices in contemporary theatre Her poetic erotically charged and politically engaged plays have been seen in London's West End off Broadway at the Com die Fran aise in regional and provincial theaters and on college campuses around the world Known for their intimate sensual encounters examining the relationship between identity and power Wallace's works have attracted a wide range of theatre practitioners including such important directors as Dominic Dromgoole Ron Daniels Jo Bonney and Kwame Kwei Armah Drawing on scholars activists historians and theatre artists in the United States Canada Britain and the Middle East this anthology of essays presents a comprehensive overview of Wallace's body of work that will be of use to theatre practitioners students scholars and educators alike Cosmopolitan Sexuality Ahonaa Roy, 2023-02-16 In a historic verdict the Supreme Court of India in September 2018 struck down Section 377 of the Indian Penal Code and decriminalized homosexuality and granted personal rights and freedom to the LGBTQIA community at large However in December 2018 the Transgender Persons Bill was passed in the Lok Sabha the People's House and lower house of Indian Parliament that has negated and undermined the rights of the trans community in India The Bill omits the reference to a neither male nor female formulation and covers any person whose gender does not match the gender assigned at birth as well as transmen transwomen those with intersex variations the gender queer and those who designate themselves based on socio cultural identities such as hijra aravani kinner and jogta This book articulates the ethnographic and anthropological studies of hijras eunuchs and the popular transgender culture in India through the case study of contemporary Mumbai It studies how their identity is shaped through consumption of various practices of beauty and takes into account the direct provincial dialogues as to how the hijras negotiate different spaces of surgeries clinics and medicine to shape their new forms of identity It highlights how globalizing modernity would build a concrete understanding of the way local patterns of transgender sexuality and eroticism are shaped by this sort of culture It attempts to build a more robust and complex understanding of sexual experiences among these subjects in the locale thus projecting the intersection of local meanings of transgender eroticism that intersect global patterns of similar identities with their desire and sexuality The local specificity of the hijra sexual economy relates to global transgender practices thus proposing a nuanced discourse of space culture and sexuality to the local context of the globalized and modernized India instead of the articulation of global homogeneity of transgender identities *Remaking the Human* Alvaro Jarrín, Chiara Pussetti, 2021-04-01 The technological capacity to transform biology repairing reshaping and replacing body parts chemicals and functions is now part of our lives Humanity is confronted with a variety of affordable and non invasive enhancement technologies anti ageing medicine aesthetic surgery cognitive and sexual enhancers lifestyle drugs prosthetics and hormone supplements This collection focuses on why people find these practices so seductive and provides ethnographic insights into people's motives and aspirations as they embrace or reject enhancement technologies which are closely entangled with negotiations over gender

class age nationality and ethnicity      *Embodied Modernities* Fran Martin, Ari Larissa Heinrich, 2006-07-31 From feminist philosophy to genetic science scholarship in recent years has succeeded in challenging many entrenched assumptions about the material and biological status of human bodies Likewise in the study of Chinese cultures accelerating globalization and the resultant hybridity have called into question previous assumptions about the boundaries of Chinese national and ethnic identity The problem of identifying a single or definitive referent for the Chinese body is thornier than ever By facilitating fresh dialogue between fields as diverse as the history of science literary studies diaspora studies cultural anthropology and contemporary Chinese film and cultural studies *Embodied Modernities* addresses contemporary Chinese embodiments as they are represented textually and as part of everyday life practices The book is divided into two sections each with a dedicated introduction by the editors The first examines Thresholds of Modernity in chapters on Chinese body cultures in the late nineteenth and early twentieth centuries a period of intensive cultural political and social modernization that led to a series of radical transformations in how bodies were understood and represented The second section on Contemporary Embodiments explores body representations across the People's Republic of China Taiwan and Hong Kong today Contributors Chris Berry Louise Edwards Maram Epstein Larissa Heinrich Olivia Khoo Fran Martin Jami Proctor Xu Tze lan D Sang Teri Silvio Mark Stevenson Cuncun Wu Angela Zito John Zou      *The Wiley Blackwell Companion to Religion and Materiality* Vasudha Narayanan, 2020-04-27 The Wiley Blackwell Companion to Religion and Materiality provides a thoughtfully organized inclusive and vibrant project of the multiple ways in which religion and materiality intersect The contributions explore the way that religion is shaped by and has shaped the material world embedding beliefs doctrines and texts into social and cultural contexts of production circulation and consumption The Companion not only contains scholarly essays but has an accompanying website to demonstrate the work of performers architects and expressive artists ranging from musicians and dancers to religious practitioners These examples offer specific illustrations of the interplay of religion and materiality in everyday life The project is organized from a comparative perspective highlighting examples and case studies from traditions originating in both East and West To summarize the volume Brings together the leading figures theories and ideas in the field in a systematic and comprehensive way Offers an interdisciplinary approach drawing together religious studies anthropology archaeology history sociology geography the cognitive sciences ecology and media studies Takes a comparative perspective covering all the major faith traditions      *Struggles for Subjectivity* Kevin McDonald, 1999-10-28 This book first published in 2000 examines the urgent social and cultural questions faced by young people      ***The Dark Womb*** Karen O'Donnell, 2022-02-28 The experience of reproductive loss raises a series of profoundly theological questions how can God have a plan for my life Why didn't God answer my prayers How can I have hope after such an experience Who am I after such a loss Sadly these are questions that along with reproductive loss have largely been ignored in theology Karen O'Donnell tackles these questions head on drawing on her own experiences of repeated

reproductive loss as she re conceives theology from the perspective of the miscarrying person Offering a fresh original and creative approach to theology O Donnell explores the complexity of the miscarrying body and its potential for theological revelation She offers a re conception of theologies of providence prayer hope and the body as she reimagines theology out of these messy origins This book is for those who have experiences such losses and those who minister to them But it is also for all those who want to encounter a creative and imaginative approach to theology and the life of faith in our messy complex world

*Reading Embodied Citizenship* Emily Russell, 2011-02-25 Liberal individualism a foundational concept of American politics assumes an essentially homogeneous population of independent citizens When confronted with physical disability and the contradiction of seemingly unruly bodies however the public searches for a story that can make sense of the difference The narrative that ensues makes abnormality an important part of the dialogue about what a genuine citizen is though its role is concealed as an exception to the rule of individuality rather than a defining difference *Reading Embodied Citizenship* brings disability to the forefront illuminating its role in constituting what counts as U S citizenship Drawing from major figures in American literature including Mark Twain Flannery O Connor Carson McCullers and David Foster Wallace as well as introducing texts from the emerging canon of disability studies Emily Russell demonstrates the place of disability at the core of American ideals The narratives prompted by the encounter between physical difference and the body politic require a new understanding of embodiment as a necessary conjunction of physical textual and social bodies Russell examines literature to explore and unsettle long held assumptions about American citizenship

*Rethinking Rehabilitation* Kathryn McPherson, Barbara E. Gibson, Alain Leplege, 2015-03-19 This book informs readers about how leading researchers are rethinking rehabilitation research and practice It emphasizes discussion on the place of theory in advancing rehabilitation knowledge unearthing important questions for policy and practice underpinning research design and prompting readers to question clinical assumptions Each author proposes ways of thinking that are informed by theory philosophy and or history as well as empirical research Rigorous and provocative it presents chapters that model ways readers might advance their own thinking learning practice and research

*Being and Dwelling through Tourism* Catherine Palmer, 2017-11-06 Much of the existing literature seeks to make sense of tourism based on singular approaches such as visibility identity mobility performance and globalised consumption What is missing however is an overarching framework within which these valuable approaches can be located This book offers one such framework using the concept of dwelling taken from Heidegger and Ingold as the starting point from which to consider the interrelatedness of being dwelling and tourism The anthropological focus at the core of the book is infused with multidisciplinary perspectives that draw on a variety of subjects including philosophy material cultural studies and cultural geography The main themes include sensuous material architectural and earthly dwelling and each chapter features a discussion of the unifying theoretical framework for each theme followed by an illustrative focus on specific aspects of tourism This theoretically

substantive book will be of interest to anyone involved with tourism research from a wide range of disciplines including anthropology sociology geography cultural studies leisure studies and tourist studies

**The Individual and Utopia** Clint Jones, Cameron Ellis, 2016-03-09 Central to the idea of a perfect society is the idea that communities must be strong and bound together with shared ideologies However while this may be true rarely are the individuals that comprise a community given primacy of place as central to a strong communal theory This volume moves away from the dominant current macro level theorising on the subject of identity and its relationship to and with globalising trends focusing instead on the individual's relationship with utopia so as to offer new interpretive approaches for engaging with and examining utopian individuality Interdisciplinary in scope and bringing together work from around the world *The Individual and Utopia* enquires after the nature of the utopian as citizen demonstrating the inherent value of making the individual central to utopian theorizing and highlighting the methodologies necessary for examining the utopian individual The various approaches employed reveal what it is to be an individual yoked by the idea of citizenship and challenge the ways that we have traditionally been taught to think of the individual as citizen As such it will appeal to scholars with interests in social theory philosophy literature cultural studies architecture and feminist thought whose work intersects with political thought utopian theorizing or the study of humanity or human nature

*Sports, Religion and Disability* Nick J. Watson, Andrew Parker, 2016-04-14 This ground breaking book provides a fascinating insight into the relationship between sports and leisure religion and disability In the shadow of the London 2012 Olympic and Paralympic Games at which athletes that were both able bodied and disabled provided an extravaganza of sporting excellence and drama this text is a timely and important synthesis of ideas that have emerged in two previously distinct areas of research i disability sport and ii the theology of disability Many of the elite athletes at this global sporting mega event often explicitly displayed their religious beliefs and in turn their importance in the context of sport by observing different religious rituals and or utilising the multi faith sports chaplaincy service This raises a whole range of unanswered questions with regard to the intersections between sports religion and disability which to date has been under researched Examples of subjects addressed in this text include elite physical disability sport Paralympics intellectual disability sport Special Olympics reflections on the illness narrative of the cyclist Lance Armstrong through the lens of the theology of radical orthodoxy the application of biblical athletic metaphors in understanding modern conceptions of disability sport the role of sport and spirituality in the rehabilitation of injured British Military personnel and the importance of sports and leisure in L Archa communities This book begins a critical conversation on these topics and many others for both researchers and practitioners This book was based on two special issues of the *Journal of Religion Disability and Health*

*Histories and Practices of Live Art* Deirdre Heddon, Jennie Klein, 2012-12-07 In this dynamic collection a team of experts map the development of Live Art culturally thematically and historically Supported with examples from around the world the text engages with a number of key practices asking what these practices do and how they can be contextualised

and understood
