Honeycutt, 2024-05-14 Are the miracle stories in the Bible actually true Christians and skeptics alike may doubt the veracity of Jesus's miracles Preachers often rely on a dry literal interpretation of his healings and wonders or else try to tame them and explain them away rationally Both approaches in their obsession with historical accuracy miss the truth behind these stories Frank G Honeycutt draws out the deeper truths in the weird incidents in the Bible In a warm conversational style Honeycutt reads iconic miracle stories from the wedding at Cana to demonic exorcisms to enrich the life of faith Digging into these unbelievable stories can widen our spiritual imaginations and point to the promise of Christ's new world Pastors seeking thoughtful resources and any inquisitive reader will find a wealth of pastoral insight and scriptural wisdom in Miracles for Skeptics *The Miracles* Gary Inrig, 2021-04-07 Jesus's miracles are central to understanding who He is because they are inextricably woven into His life and ministry From faith based Christians to hardcore skeptics all will gain insights into the evidence of Jesus's miracles and why He performed them You will clearly see that Jesus's acts of supernatural power were purposeful and were marks of His majesty and revealers of His person Citing Scripture and other

Miracles and the Miraculous, 1885 **The Gospel Miracles: What Really Happened?** Michael J. Lewis, 2014-12-11 The Gospel Miracles examines the thirty five miracles performed by Jesus as reported in the four Gospels The objectives are firstly to try and determine what really happened at the time they were enacted and secondly to see if it is possible to explain

them This exercise is neither an attempt to deny miracles nor to blindly accept the accounts as inerrant but it is an unbiased attempt to arrive at the truth The findings conclude that sometimes there are possible naturalistic or simple alternative explanations to a supernatural one However this does not discount the possibility that Jesus employed natural means at the right time for the right reasons The Gospel Miracles concludes with a summary of some more modern reports of miraculous events

legitimacy of a Christian healing ministry in today's church By studying key passages of Scripture in both the Old and New Testaments examining the thread of healing throughout church history and presenting a theological basis for healing and deliverance ministry Bob Sawvelle demonstrates that through the healing gifts Jesus is still glorified the sick are still healed the oppressed are still freed and God's kingdom advances in the earth as it ever has
