1947 Rose was asked to assemble a group of musicians to play at a reception to be hosted by President Truman at Blair House in Washington D C The musicians included Muggsy Spanier George Brunies Pee Wee Russell Pops Foster and Baby DODds But the hit of the evening was President Truman himself who joined the group on the piano to play Kansas City Kitty and the Missouri Waltz I Remember Jazz is replete with such amusing and affectionate anecdotes vignettes that will delight all fans of the music Al Rose does indeed remember jazz And for that we can all be grateful Popular Music Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope
