No Monkey Business in This House! John Urrutia, 2012-07-10 A lot can happen in six centuries Experience the sadness confusion uncertainty conflict and desperation of the Pelliccia as they suffer through plague three wars the Renaissance murder untimely deaths economic depression eventually some comfort and joy During their journey from Carrara Tuscany Italy to Corsica France Puerto Rico and eventually to the United States they had seen and experienced the full range of human experience As they build a new life for their children and their childrens children the family creates the roots of a hard earned family fortune in Puerto Rico coffee plantation only to lose it Anxious but not broken they set their sights on immigration to the United States Once there the family suffers profound hardship during the Great Depression The culture shock financial hardships and generation gaps all play roles in the familys successes and failures As some of the older generation crumbles under the stresses of life in a new world their children find joy and comfort in the rich soil of American opportunity and possibility But through it all one thing remained a constant the love of family In this detailed narrative family history author John Urrutias novel style invites you into the many challenges and triumphs of family *Destroy This House* Amanda Uhle, 2025-08-26 For fans of *The Glass Castle* and *The Liars Club* a tender heartbreaking and hilarious memoir chronicling the challenges of growing up with a desperately scheming father a mother plagued by an acute hoarding disorder and parenting parents while seeking independence The Long family s love was fierce their lifestyle bizarre and their deceptions countless Once her parents were gone Amanda Uhle realized she was closer to them than anyone else yet she found herself utterly confounded by the lives they had led Amanda s striving fashion designer mother and her charismatic wheeler dealer father wove a complex life together that spanned ten different homes across five states over forty perplexing years Throughout her childhood as her mother s hoarding disorder flourished and her father s schemes crumbled contradictions abounded They bartered for dental surgery and drove their massive Lincoln Town Car to the food bank When financial ruin struck they abandoned their repossessed mansion for humble parish housing and Amanda s father became a preacher They swung between being filthy rich and dirt poor devious and virtuous lonely and loved fake and real In *Destroy This House* Amanda sets out to document her parents unbelievable exploits and her own hard won escape into independence With humor and tenderness Uhle has crafted a heartfelt and utterly unique memoir capturing the raucousness pain joy and ultimately the boundless love that exists between all parents and children From This House Elizabeth D'Amour, 2004 Throughout the story the author s psychic symbols of home and family are woven Each home setting contributes to her learning about relationships in a family setting She must learn how to contribute as a healthy family member as a daughter wife and mother She learns that the lessons are hers and not others who abuse her in the name of love that is selfish She realizes that she is the only one who can make her life worth while by going about her business of changing herself The author married at twenty six years old having learned the mores of women s lives in the eighteen hundreds When the social

revolution of the 1960 s came in her life she had four small children She found herself trapped in a non communicative marriage with no skills to sustain her in the outer world The pain of feelings overwhelmed her This was a perfect milieu to causer her to reach out for the process and freedom that social change promised That process eventually engulfed her whole life The story is a series of remembrances from the first forty five years of her life These tiny pictures were put together slowly in order to answer the questions of how she became so frightened of men of power especially what caused her to be so reticent to trust anyone especially herself A thirty five year odyssey of courageously facing all that she could remember This demanded an absolute valiant search for truth She learned how she participated in her own abuse as well as how she came to be in such a sad marriage The author bravely changed great and small parts of her life The author eventually left her children s home for a long time then began to rebuild these relationships being mindful of all that she had learned The author s journey of pain and change eventually reveals a gifted creative and intelligent warm woman Her inner life is candidly described stitch by stitch about her feelings and those of others The Contender Vol. 5 No. 7 Rev. Only his soul actually died, and when it died, it broke in pieces. Then the pieces became souls in their own right, coinheritors of Andy Gage's life. While Andy deals with the outside world, more than a hundred other souls share an imaginary house inside Andy's head, struggling to maintain an orderly coexistence. Aaron, the father figure; Adam, the mischievous teenager; Jake, the frightened little boy; Aunt Sam, the artist; Seferis, the defender; and Gideon, who wants to get rid of Andy and the others and run things on his own. Andy's new coworker Penny Driver is also a multiple personality, a fact that Penny is only partially aware of. When several of Penny's other souls ask Andy for help, Andy reluctantly agrees, setting in motion a chain of events that threatens to destroy the stability of the house. Now Andy and Penny must work together to uncover a terrible secret that Andy has been keeping from himself. **What Happens in This House** Nzinga Cates, 2020-07-23. *What Happens in This House* By Nzinga Cates.
