Remembering Sandy Simon, 1999 History of Florida's South Palm Beach County 1894-1998 South Palm Beach County 1894-1998 **O Range Seed Technical Bulletin** Florida State Library, 2002 **Remembering...** Sandy Simon, 1997*

Palm Beach Past Eliot Kleinberg, 2006-05-01 Known for its year-round warmth, beautiful beaches, and famous residents, Palm Beach County is one of the most well-known areas along Florida's Atlantic coast. And although many people know the county as a winter destination for the likes of starlets and snowbirds, few know that German U-boats sank sixteen ships off the coast in 1942. Nor do they know that eleven barefoot mailmen originally took on the mail service between Palm Beach and Miami. In *Palm Beach Past: The Best of Post Time*, author and local journalist Eliot Kleinberg has compiled a collection of historical vignettes which originally appeared in the *Palm Beach Post* about the intriguing people and events in the county's history. Kleinberg reveals little-known facts about the development of the region's prestigious neighborhoods and parks while introducing readers to some of the most captivating and eccentric characters. For readers who want to understand the Palm Beach County of today or those who enjoy local history and just want a good read, *Palm Beach Past* is a must. **Overdue in Paradise** Janet DeVries, Graham Brunk, Dean of Curriculum and Educational Technology Ginger L. Pedersen, 2017-11-13 For more than a century, Palm Beach County's libraries have nurtured and shaped Florida's unique history. From early residents' efforts to bring literacy and a love of reading to the vast tropical wilderness of the nineteenth century to modern-day book festivals celebrating the written word, *Overdue in Paradise* honors Palm Beach County's individuals, social institutions, and municipal governments that created a culture of literacy in one of Florida's largest and most prominent regions. Public, academic, and a variety of specialized libraries developed their own distinctive collections, enriching the lives of residents since Florida's earliest pioneer days. Palm Beach County's vast collections of books, media, and reference materials are both a cause and result of its cultural diversity and have left an enduring legacy on residents and visitors alike. *Overdue in Paradise: The Library History of Palm Beach County* recounts the beginnings of many of South Florida's earliest libraries. This legacy would not have been possible were it not for the valiant efforts of volunteers, professional librarians, and other community-minded Floridians who relentlessly sought out and obtained the resources needed to create collections that would serve their local communities. **Remembering Palm Beach** Seth H. Bramson, 2010-06 Inviting beaches, scenic vistas, magnificent architecture, and a fascinating history have made Palm Beach one of America's premier tourist destinations. Beginning with Henry Flagler's construction of railroads and the Royal Poinciana and The Breakers luxury hotels in the late 1800s, the county has been a beacon for vacationers seeking escape from everyday life and winter weather for more than one hundred years. With a selection of fine historic images from his best-selling book *Historic Photos of Palm Beach County*, Seth H. Bramson provides a valuable and revealing historical retrospective on the growth and development of the area. *Remembering Palm Beach* presents the story of this popular section of Florida told through vivid black and white photographs carefully selected

from the finest archives The images in these pages show how the region grew from almost a wilderness to become a place where beachfront property is coveted *Historic Photos of Palm Beach County*, 2007-11-16 Palm Beach is known all over the world as a place synonymous with the Good Life Named for the beautiful beaches and trees lining the area Palm Beach was first founded in 1909 As the epicenter of fashion for the elite social season Palm Beach has attracted tourists and new residents alike for many years For everyone from Hollywood stars to heads of state from literary and artistic icons to millionaires and international business magnates the allure of this lush area has been irresistible The perfect coffee table book *Historic Photos of Palm Beach* contains nearly 200 photographs collected from Florida's top historic archives

Village of North Palm Beach Rosa Sophia, 2020-10-19 While North Palm Beach itself is relatively young just about retirement age the history of this area is as broad as the horizon Long before this village was founded in 1956 the Jeaga tribe lived and thrived here In 1883 perhaps with a mind to farm pineapples two men began purchasing local plots becoming the area's first landowners From there through fits and starts this idyll of small town life began to take shape The population surged in 1956 when Pratt Whitney built a facility west of town making the village a destination for professionals and their families Former village historian Rosa Sophia traces the long and fascinating history of North Palm Beach touching on the little known and providing broader understanding of the people and events that nurtured the undeniable community atmosphere that exists today

Southeast Florida Pioneers William E McGoun, 2015-10-17 The history of the Palm Beach area the Treasure Coast and Lake Okeechobee is one of turbulence growth and especially change Meet the visionaries and outlaws physicians and poets who shaped this region of southeast Florida from the 1690s through the 1990s Author William McGoun's stories are sometimes hair raising sometimes amusing and always engaging Well researched and dotted with photos from The Palm Beach Post archives this collection of mini biographies reads like a who's who of Florida history

Our Century Jan Tuckwood, 2000 Tall tales and a short history In Palm Beach County and the Treasure Coast most of the recorded history occurs in one century 1900 to 2000 Before the late 1800s only Indians and soldiers roamed the hostile wilderness south of Sebastian Inlet The U S Census of 1830 recorded just 517 people in all of South Florida and the map makers showed Lake Okeechobee as a tiny dot Nobody dared go down into that beast filled swamp to check it out But slowly the civilized world made its way to this wonderland The Jupiter Lighthouse began beaming in 1860 15 years after Florida became the 27th state in the union By 1876 the U S government had built nine houses of refuge for mariners including Gilbert's Bar on Hutchinson Island and Orange Grove in Delray Beach Gilbert's Bar is still standing the oldest building in Martin County What lured the pioneers here Why did they spend harrowing days and nights sailing and poling through narrows and swamps to get to this insect infested jungle Simple True grit and true beauty As Captain Bravo who sailed a steamer from Sebastian to Jupiter in the late 1880s would tell visitors See Lake Worth and die happy YVhen Henry Flagler arrived in 1893 he called the Lake Worth region a veritable paradise And then he had a vision He would bring his railroad all

the way down to Miami even as far as Key West And he would turn Palm Beach into the most hifalutin resort in the world The Standard Oil tycoon launched the 20th century in the Treasure Coast and Palm Beach County But he was not the most important person of the century That title goes to the millions of men and women great and small who developed a frontier into a place so desirable that today s greatest problem is what to do with all the people Our Century honors them and highlights major events of the past 100 years Dust jacket flap *An Illustrated History of Palm Beach* The Historical Society of Palm Beach County,2020-11-20 An Illustrated History of Palm Beach is a nostalgic journey through the history of the town of Palm Beach as told through the photographic collection of the Historical Society of Palm Beach County From an early pioneer community Palm Beach evolved over the past 150 years into today s sophisticated resort starting with the grand hotels of Henry Flagler the Royal Poinciana and The Breakers and elegant mansions of the Gilded Age An Illustrated History of Palm Beach is a primary source look into the development of one of America s most prosperous and enchanting communities

Palm Beach County at 100 Jan Tuckwood,2009-01-01 **Pioneering Palm Beach** Ginger Lee Pedersen,Janet M. DeVries,2021-04-13 A vivid biography of the nineteenth century society couple who helped turn a tropical wilderness into a Gilded Age paradise Palm Beach s sunny and idyllic shores had humble beginnings as a wilderness of sawgrass and swamps only braved by the hardest of souls Two such adventurers were Fred and Byrd Birdie Spilman Dewey who pioneered in central Florida before discovering the tropical beauty of Palm Beach in 1887 Though their story was all but lost this dynamic couple was vital in transforming the region from a rough backcountry into a paradise poised for progress Authors Ginger Pedersen and Janet DeVries trace the remarkable history of the Deweys in South Florida from their beginnings on the isolated frontier to entertaining the likes of the Flaglers Vanderbilts Phippses Cluetts Clarkes and other Palm Beach elite Using Birdie s autobiographical writings from her bestselling books to fill in the gaps Pedersen and DeVries narrate a chapter in Florida s history that has remained untold until now Growing Up in Northern Palm Beach County Ruth Hartman Berge,2014 A childhood in Florida s charming Northern Palm Beach County creates genuine nostalgia for sun sand and running barefoot under palm trees Those memories include hurricanes and Hetzel Brothers Christmases Sir Harry Oakes s haunted mansion and James Munroe Munyon s Fountain of Youth The once quaint little coastal towns from Riviera Beach to Jupiter are now much larger but the memories of s mores and summer camps remain Author Ruth Hartman Berge weaves memories of a boomer childhood in Northern Palm Beach County with the history of the people and the places so many loved in this glimpse into a Florida that no longer exists *Palm Beach County, an Illustrated History* Donald Walter Curl,Fred L. Eckel,1986
