knowledge of art therapy and human development across the lifespan with a focus on safety material quality and artistic intent The Art of Changing the Brain James E. Zull, 2023-07-03 Neuroscience tells us that the products of the mind thought emotions artistic creation are the result of the interactions of the biological brain with our senses and the physical world in short that thinking and learning are the products of a biological process This realization that learning actually alters the brain by changing the number and strength of synapses offers a powerful foundation for rethinking teaching practice and one s philosophy of teaching James Zull invites teachers in higher education or any other setting to accompany him in his exploration of what scientists can tell us about the brain and to discover how this knowledge can influence the practice of teaching He describes the brain in clear non technical language and an engaging conversational tone highlighting its functions and parts and how they interact and always relating them to the real world of the classroom and his own evolution as a teacher The Art of Changing the Brain is grounded in the practicalities and challenges of creating effective opportunities for deep and lasting learning and of dealing with students as unique learners **Race, Identity, and Privilege from the**

Davis, 2012-12-29 Its all quiet now in cities like Birmingham Chicago Detroit New York and Newark where blacks once

protested and rioted against their segregated conditions in the 1960s and women burned their bras during the Womens Liberation era in the 1970s But for five years O M Davis a pioneer in equal employment opportunity analyzed employment practices and wrote affirmative action plans for public and private sector clients throughout the United States This was concurrent with her CEO refusing to pay her comparable wages as whites and males citing that although qualified she had two strikes against her of being black and a woman One CEO stated that she had delusions of grandeur while the other stated that she was ahead of her time From 1968 to 1999 O M Davis used the court of law to redress her fight with CEOs across race and gender lines for pay equity and inclusion Along the way she weaves in her enslaved Native American Cherokee ancestry a world conference of women and anecdotes of spiritual inspiration Davis cites the family as the key to her success In Branches of the Vine The Price of Admission she gives you an inside look at her story of inspiration embedded in her stable nuclear Christian family background which she accessed to function in todays society By looking deep within herself she interweaves her enslaved bloodline where her re imagination of past conditions empowers her with knowledge of unity and diversity As a contemporary woman whose world pivots on individualized systemic gender and race discrimination it also becomes the stuff on which she renders decisions in the business world There are certain basic truths that are so solid in the foundation of our being that it can become monumental for any era or new nu world order

**Black Men on Race, Gender, and Sexuality** Devon Carbado, 1999-07 A groundbreaking anthology of essays providing commentary on gender and sexuality inclusion in the antiracist movement In late 1995 the Million Man March drew hundreds of thousands of black men to Washington DC and seemed even to skeptics a powerful sign not only of black male solidarity but also of black racial solidarity Yet while generating a sense of community and common purpose the Million Man March with its deliberate exclusion of women and implicit rejection of black gay men also highlighted one of the central faultlines in African American politics the role of gender and sexuality in antiracist agenda In this groundbreaking anthology a companion to the highly successful Critical Race Feminism Devon Carbado changes the terms of the debate over racism gender and sexuality in black America The essays cover such topics as the legal construction of black male identity domestic abuse in the black community the enduring power of black machismo the politics of black male white female relationships racial essentialism the role of black men in black women s quest for racial equality and the heterosexist nature of black political engagement Featuring work by Cornel West Huey Newton Henry Louis Gates Jr A Leon Higginbotham Jr Houston Baker Marlon T Riggs Dwight McBride Michael Awkward Ishmael Reed Derrick Bell and many others Devon Carbado s anthology stakes out new territory in the American racial landscape Critical America A series edited by Richard Delgado and Jean Stephancic

**Tuskegee's Truths** Susan M. Reverby, 2012-12-01 Between 1932 and 1972 approximately six hundred African American men in Alabama served as unwitting guinea pigs in what is now considered one of the worst examples of arrogance racism and duplicity in American medical research the Tuskegee syphilis study Told they were being treated for bad blood the nearly four hundred

men with late stage syphilis and two hundred disease free men who served as controls were kept away from appropriate treatment and plied instead with placebos nursing visits and the promise of decent burials Despite the publication of more than a dozen reports in respected medical and public health journals the study continued for forty years until extensive media coverage finally brought the experiment to wider public knowledge and forced its end This edited volume gathers articles contemporary newspaper accounts selections from reports and letters reconsiderations of the study by many of its principal actors and works of fiction drama and poetry to tell the Tuskegee story as never before Together these pieces illuminate the ethical issues at play from a remarkable breadth of perspectives and offer an unparalleled look at how the study has been understood over time

disconcerting problem though intersectionality is widely known acclaimed and applied it is often construed in ways that depoliticize undercut or even violate its most basic premises May cogently demonstrates how intersectionality has been repeatedly resisted misunderstood and misapplied provocatively she shows the degree to which intersectionality is often undone or undermined by supporters and critics alike A clarion call to engage intersectionality s radical ideas histories and justice orientations more meaningfully Pursuing Intersectionality answers the basic questions surrounding intersectionality attends to its historical roots in Black feminist theory and politics and offers insights and strategies from across the disciplines for bracketing dominant logics and for orienting toward intersectional dispositions and practices *The Metal of the Dead* Concha Espina,2003-05 The human dimension in the novel revolves around the romantic entanglements of three youthful women whose different personalities reflect their regional provenance in a somewhat stereotypical manner Aurora is a sweet blond woman from Spain s northern highlands Rosario is a professional newspaper reporter from Madrid and Casilda is a dark haired and passionate Andalusian beauty BOOK JACKET *Workplace Justice* Sharon Kurtz,2002 In 1991 Columbia University s one thousand clerical workers launched a successful campaign for justice in their workplace This diverse union two thirds black and Latina three fourths women was committed to creating an inclusive movement organization and to fighting for all kinds of justice How could they address the many race and gender injustices members faced avoid schism and maintain the unity needed to win Sharon Kurtz an experienced union activist and former clerical worker herself was welcomed into the union and pursued these questions Using this case study and secondary studies of sister clerical unions at Yale and Harvard she examines the challenges and potential of identity politics in labor movements With the Columbia strike as a point of departure Kurtz argues that identity politics are valuable for mobilizing groups but often exclude members and their experiences of oppression However Kurtz believes that identity politics should not be abandoned as a component in building movements but should be reframed as multi identity politics In the end she shows an approach to organizing with great potential impact not only for labor unions but for any social movement *The Christmas Countdown* Holly Cassidy,2024-10-22 From the author of *The Christmas Wager* comes a charming holiday rom com about a young recently heartbroken woman who is tasked by her sister to complete Advent calendar challenges in the lead up to Christmas to reignite her belief in herself the holidays and love again She s given up on love and Christmas but fate has other plans All Callie wants for Christmas is to hibernate She s still reeling from being dumped by her childhood sweetheart and under no circumstances will she go home for the holidays considering her ex will be right next door with his new perfect partner Callie is officially in grinch mode but her meddling sister Anita won t let her give up on life love and Christmas quite so easily Anita stages a Christmas intervention for Callie with a homemade Advent calendar challenge cheerful tasks to push Callie out of her comfort zone and into the holiday spirit inspired by a childhood tradition Callie reluctantly plays along but when she comes face to face with a charming baker who just might be the spoonful of sugar she needs her strict rules on love

and the holidays are tested As they strike a deal to do the activities together could the twenty four little doors on Callie s Advent calendar not only open up one but two closed off hearts      Anna Julia Cooper, Visionary Black Feminist Vivian M. May,2012-08-21 Vivian M May explores the theoretical and political contributions of Anna Julia Cooper a renowned Black feminist scholar educator and activist whose ideas deserve far more attention than they have received Drawing on Africana and feminist theory May places Cooper s theorizing in its historical contexts and offers new ways to interpret the evolution of Cooper s visionary politics subversive methodology and defiant philosophical outlook Rejecting notions that Cooper was an elitist duped by dominant ideologies May contends that Cooper s ambiguity code switching and irony should be understood as strategies of a radical methodology of dissent May shows how across six decades of work Cooper traced history s silences and delineated the workings of power and inequality in an array of contexts from science to literature economics to popular culture religion to the law education to social work and from the political to the personal May emphasizes that Cooper eschewed all forms of mastery and called for critical consciousness and collective action on the part of marginalized people at home and abroad She concludes that in using a border crossing intersectional approach Cooper successfully argues for theorizing from experience develops inclusive methods of liberation and crafts a vision of a fundamentally egalitarian social imaginary      **Half in Shadow** Shanna Greene Benjamin,2021-04-01 Nellie Y McKay 1930 2006 was a pivotal figure in contemporary American letters The author of several books McKay is best known for coediting the canon making Norton Anthology of African American Literature with Henry Louis Gates Jr which helped secure a place for the scholarly study of Black writing that had been ignored by white academia However there is more to McKay s life and legacy than her literary scholarship After her passing new details about McKay s life emerged surprising everyone who knew her Why did McKay choose to hide so many details of her past Shanna Greene Benjamin examines McKay s path through the professoriate to learn about the strategies sacrifices and successes of contemporary Black women in the American academy Benjamin shows that McKay s secrecy was a necessary tactic that a Black working class woman had to employ to succeed in the white dominated space of the American English department Using extensive archives and personal correspondence Benjamin brings together McKay s private life and public work to expand how we think about Black literary history and the place of Black women in American culture      **Race, Gender, and Class in Criminology** Martin D. problem has become so male centered and how this has opened a deep divide between Black women and men The authors turn to their own lives offering intimate accounts of their experiences as daughters wives and leaders They examine pivotal moments in African American history when race and gender issues collided with explosive results from the struggle for women s suffrage in the nineteenth century to women s attempts to gain a voice in the Black Baptist movement and on into the 1960s when the Civil Rights movement and the upsurge of Black Power transformed the Black community while sidelining women Along the way they present the testimonies of a large and influential group of Black women and men including bell hooks Faye Wattleton Byllye Avery Cornell West Robin DG Kelley Michael Eric Dyson Marcia Gillispie and Dorothy Height Providing searching analysis into the present Cole and Guy Sheftall uncover the cultural assumptions and attitudes in hip hop and rap in the O J Simpson and Mike Tyson trials in the Million Men and Million Women Marches and in the battle over Clarence Thomas s appointment to the Supreme Court Fearless and eye opening Gender Talk is required reading for anyone concerned with the future of African American women and men
