Remembering The Darkness Women In Soviet Prisons:

Remembering the Darkness Veronica Shapovalov, 2001-08-24 This engrossing collection of prison memoirs by Russian women is the first to portray the direct experiences of the wide range of women who were incarcerated in Soviet prisons and camps. Comprising the stories of women from all classes and backgrounds, this book covers the entire span of the Gulag's existence from the 1920s to the 1980s, including the little-known periods of political repression of the 1960s and 1980s. These memoirs and letters provide a rich portrait of how women led everyday life in prison and in the camps, of the strategies of accommodation and resistance they employed, and the challenges they faced when they reentered Soviet society. Although readers will hear the voices of women who were in excruciating physical and emotional pain, they will also find remarkable testimonies to the agency and resilience of women who struggled against incredible odds. Written by women from all stations in life and from drastically different backgrounds, these stories reconstruct not only the world of the Gulag but also its meaning for society at large. The documents excerpted here point to areas of Soviet history and culture that have yet to be fully investigated, as they illuminate women's experiences of friendship, work, hope, inspiration, loss, and terror. All the works selected for the collection are united by their authors' sense of group and individual identity. To varying degrees, all of them associate their experiences with events and people beyond their personal experiences and immediate surroundings, thus expanding the traditional perspective of women's writing. These riveting stories, never before published in English or Russian, will appeal to scholars and students of Soviet history and literature as well as general readers interested in women's history.

Stalin's Terror Revisited M. Ilic, 2006-03-28 In this ground-breaking collection, a team of leading experts offer a detailed examination of under-researched aspects of Soviet political repression in the 1930s. Drawing on archival documents and materials that have received little attention in Western historiography, much of the information detailed here is in English for the first time.

Criminal Subculture in the Gulag Mark Vincent, 2020-05-14 Despite growing academic interest in the Gulag, our knowledge of the camps as a lived experience remains relatively incomplete. *Criminal Subculture in the Gulag* in its sophisticated analysis of crime, punishment, and everyday life in Soviet labour camps rectifies this. From Gulag journals and song collections to tattoo drawings and dictionaries of slang, Mark Vincent draws on often overlooked archival material from the Moscow Criminological Bureau to reconstruct a fuller picture of Gulag daily life and society. In thematic chapters, Vincent maps the Gulag penal arc of prisoners across initiation, tests, means of communication, the importance of card playing, punishment rituals, and the notorious 1948 '52 cyka bitches' internal prison war between military veterans and 'vory v zakone'. Most importantly, this timely examination of crime and punishment in modern Russia also highlights the lines of continuity between the Gulag systems, late Imperial Katorga, and today's Russian mafia. As such, this impressively interdisciplinary volume is important reading for all scholars of 20th-century Russia as well as those interested in international criminality and penology.

Gender and Peacebuilding Maureen P. Flaherty, Thomas G. Matyók, Sean Byrne, Hamdesa Tuso, 2015-10-16 The twenty first century has brought with it a shift from the notion of human security being located in secure national borders to the need to secure the safety freedom and dignity of all Despite efforts to equalize women's status in the world evidenced by changes in many international projects requiring a gender focus women and men experience most of the world in very different ways according to gender Further the reality is that humans who do not all fall neatly into one of these categories male or female often find their lives further challenged In the 1980s Peace and Conflict Studies first began to acknowledge and study the different experiences males and females have during war and peace Since then there have been books about women and war women working at grassroots

levels to build peace women and transitional justice women and peace education and women s views of human security All of these works have contributed to the discourse of our changing world This book brings together some of those themes and voices and adds more with the final product being more than the sum of its parts We add to the conversation a book that considers foundational fundamental issues that span from the interpersonal to the global Many of the chapters describe empirical research completed with author and community shared here for the first time Part One is a collection of case studies documenting challenges and responses to peacebuilding by women from various parts of the world Part Two focuses on Peace and Conflict Studies PACS as a discipline examining not only what is but also what should be taught This section critiques today s efforts at teaching Peace and Conflict Studies and provides suggestions of how this important work might be shared in more open and equitable ways Part Three enters territory found even less in the PACS literature In this section our authors confront patriarchy engage in a discussion about the contribution queer theory makes to PACS and tussle with the notion of inclusivity with considerations of both gender and disability It then ends with a discussion about the contribution feminist methodologies make to PACS

Gender, Geography, and Punishment Judith Pallot, Laura Piacentini, Dominique Moran, 2012-10-04 Gaining access to a number of penal colonies to interview prisoners the authors show that much in the Russian prison system today is a direct inheritance from the Soviet period with the result that despite wide ranging the reforms since 1991 the Russian penal experience for women is still uniquely painful

The Betrayal Helen Dunmore, 2011-09-06 A magnificent brave tender novel of post WWII Russia from the author of The Siege shortlisted for the Orwell Prize and Commonwealth Writers Prize The Independent on Sunday Leningrad 1952 Andrei a young doctor and Anna a nursery school teacher have forged a life together in the postwar post siege wreckage But they know their happiness is precarious like that of millions of Russians who must avoid the claws of Stalin s merciless Ministry of State Security When Andrei is forced to treat the sick child of a senior secret police officer his every move is scrutinized making it painfully clear that his own fate and that of his family is bound to the child s Trapped in an impossible game of life and death Andrei and Anna must avoid the whispers and watchful eyes of those who will say and do anything to save themselves With The Betrayal internationally acclaimed author Helen Dunmore vividly depicts the difficulty of living by principle in a tyrannical society in which paranoia infects every act and even ordinary citizens become instruments of terror The New Yorker An emotionally charged thriller The Betrayal unfolds breathlessly and with great skill You don t want to put it down Elegant yet devastating The Seattle Times With precise period detail and astute psychological insight Dunmore brings the last months of Stalin s reign to life and reminds us why some eras shouldn t be forgotten Publishers Weekly

Children of the Gulag Cathy A.
