Caulfield,2014-12-09 This book explores the performance of Irish collective memories and forgotten histories It proposes an alternative and more comprehensive criterion of Irish theatre practices These practices can be defined as the rejected contested and undervalued plays and

performativities that are integral to Ireland s political and cultural landscapes **Lay Saints** Joan Carroll Cruz,2015-10

These are the footprints that the saints on ascending to heaven left behind upon our earth in order that we following after might attain to the same reward The Venerable Bede In Lay Saints Ascetics and Penitents Joan Carroll Cruz guides you through the lives of fifty eight lay men and women who achieved the heights of sanctity These inspiring biographies present saints who seemed destined for sainthood as well as those who led sinful lives prior to a conversion of heart Find a role model from among these saints as Joan Carroll Cruz explores the acts of charity that you can imitate ascetical practices that lead us closer to God stories of conversion effective acts of penance to atone for prior sins the stories of pilgrims who spent their lives searching for closer union with God Both those who have just begun their spiritual journey and those well advanced on the road to perfection will find a saint to help them take that next step closer to God Through their examples these saints will inspire ever greater acts of charity and remind sinners that there is yet hope for salvation **John Charles**

Print, 2001 Frank Duff Finola Kennedy, 2011-01-07 This is a new biography of the Founder of the Legion of Mary one of the Catholic Church's most effective charitable agencies in the world today In the Legion of Mary Duff built an organisation that depended on each member playing his or her part rather than on any individual leader Describing responsibility as the biggest tonic on earth he believed in sharing responsibility and warned against thinking that others cannot do things as well as we can ourselves The Legion of Mary is an organisation of lay Catholics dedicated to every form of social service and Catholic action for the welfare of the Church and of society Duff's vision of a lay movement was revolutionary in its time and as recounted in this book explains why he faced so much opposition from Church authorities especially in Ireland But Duff who is on the path towards canonisation exemplified the Catholic tradition of charitable work at its best that you do not preach by lecturing but by works of mercy compassion and unselfish altruism This is an inspiring tale *The June 10th*

Twice Round the Black Church Austin Clarke,1990 *Writings on Irish History* ,1989 *Father Mathew's Crusade* John F. Quinn,2002 For centuries the Irish have been famed and often derided for their attachment to alcohol Yet in the 1830s and 1840s Ireland became a temperance stronghold The man almost singlehandedly responsible for this surprising transformation was Father Theobald Mathew 1790 1856 a popular Franciscan friar Over a ten year period five million Irish men women and children took the pledge at his hands while hundreds of public houses were forced to shut their doors or switch to selling coffee and tea By the end of the 1840s however Mathew s miracle was already coming undone The Great Famine was ravaging Ireland and Mathew s years of nonstop campaigning had left him sick exhausted and bankrupt Undeterred he traveled to the United States in 1849 to generate support and administer the pledge to as many new immigrants as he could find Failing health forced him to return to Ireland where he died in 1856 leaving behind a weak and fragmented movement In the late nineteenth century several Irish priests revived Mathew s crusade In the United States Irish American bishops supported the Catholic Total Abstinence Union CTAU and joined hands with the Women s Christian Temperance Union in their war against liquor In Ireland Father James Cullen formed the Pioneers a total abstinence association for devout Catholics While the CTAU languished after the United States Congress passed the Prohibition Amendment in 1919 the Pioneers continued to thrive in Ireland into the 1960s Although the group s membership has declined in recent years there are still today a large number of Irish teetotallers Publisher s website *Seeking a Country* Taura S. Napier,2001 Although there are numerous published studies of Irish literature and several women s autobiographies none has combined these areas of study Literary autobiographies of both women and men have gained popularity and scholarly attention over the last three decades especially twentieth century women s autobiographies This study identifies and examines the Irishwomen s literary autobiography and traces its development through the twentieth century The opening chapter discusses autobiographical trends prior to the present century in Ireland and charts major movements in forming the women s autobiography of the

twentieth century Of particular importance are the ways in which the life stories of Irish women writers both affirm and contradict intercultural theories of women s autobiography how these writers manifest their autobiographical I as a deflected entity and the relevance of class and religious background to the autobiographical voices of women in Ireland The core discussion of the study focuses on the self narratives of Lady Augusta Gregory Katharine Tynan Mary Colum Elizabeth Bowen Kate O'Brien and Eavan Boland
