Remembering Norm A Victims Story:

Remembering Norm Harriet May Savitz, 1995 The Nittany Lion: An Illustrated Tale, 1997 Remembering the Rescuers of Victims of Human Rights Crimes in Latin America Marcia Esparza, Carla De Ycaza, 2016-12-20 This book explores the significance of remembering the rescuers denouncing human rights crimes as well as protecting and sheltering targeted victims including the dead during the Cold War state violence in Latin America In light of newly unearthed archival evidence testimonial memories and the continued mobilization of human rights groups to preserve Cold War memory this timely book moves beyond the victim perpetrator dichotomy and its discursive studies to focus on those whose moral courage and righteous acts were beacons of hope in the midst of extreme violence Remembering Latin American righteousness a term used in Holocaust literature is important in recognizing that those who resisted human rights violations and protected victims yesterday are those who often keep the collective memory of that past alive today **Authenticity and Victimhood after the Second World War** Randall Hansen, Achim Saupe, Andreas Wirsching, Daqing Yang, 2021-10-01 The Second World War was filled with many terrible crimes such as genocide forced migration and labour human made famine forced sterilizations and dispossession that occurred on an unprecedented scale Authenticity and Victimhood after the Second World War examines victim groups constructed in the twentieth century in the aftermath of these experiences The collection explores the concept of authenticity through an examination of victims histories and the construction of victimhood in Europe and East Asia Chapters consider how notions of historical authenticity influence the self identification and public recognition of a given social group the tensions arising from individual and group experiences of victimhood and the resulting sometimes divergent interpretation of historical events Drawing from case studies on topics including the Holocaust the siege of Leningrad American air raids on Japan and forced migrations from Eastern Europe Authenticity and Victimhood after the Second World War demonstrates the trend towards a victim centred collective memory as well as the interplay of memory politics and public commemorative culture **Publishers Trade List Annual, 1996, 1** R R Bowker Publishing, Trade List Annual 199 Publishers', 1996-09 *Silent Screams* Justin Rivera, *Silent Screams The Tragic Cycle of Domestic Violence Homicides* delves into the chilling reality of intimate partner violence revealing the hidden scars and devastating consequences that leave families shattered and communities reeling This powerful narrative explores the complex dynamics of abuse tracing the cycle of violence from its insidious beginnings to its most tragic end Prepare to be confronted with the heart wrenching stories of victims their journeys of survival and the unbearable loss of loved ones This book sheds light on the intricate web of coercion manipulation and control that traps individuals in a cycle of fear You will encounter the faces of perpetrators unraveling their motivations and understand the systemic factors that contribute to this epidemic *Silent Screams* is not just a chilling expos of domestic violence homicides it s a call to action It explores the legal system s shortcomings examines the societal factors that perpetuate violence and offers a blueprint for change Through the voices of

survivors advocates and experts the book lays out a path toward prevention highlighting the crucial need for education community support and cultural transformation If you are a survivor of domestic violence this book is a testament to your strength and resilience If you are a concerned citizen this book is a call to action If you are seeking to understand the complexities of intimate partner violence this book is a vital resource *Silent Screams The Tragic Cycle of Domestic Violence Homicides* is a crucial exploration of a pervasive social issue It is a powerful reminder that domestic violence is a crime that affects us all and a clarion call for collective action to end this scourge **The Juridical Unconscious** Shoshana

Felman,2002-11-30 This book offers an account of the surprising interaction between trauma and justice Moving from texts by Arendt Benjamin Freud Zola and Tolstoy to the Dreyfus and Nuremberg trials and the trials of O J Simpson and Adolf Eichmann Felman argues that the adjudication of collective traumas in the 20th century transformed both culture and law

The Victim's Voice in the Sexual Misconduct Crisis Mary L. Schuster,2019-11-19 *The Victim's Voice in the Sexual Misconduct Crisis* investigates how a victim's voice identity credibility and proof are challenged or established in the current sexual misconduct crisis Using communication and rhetorical analysis gender studies and law and society perspectives Mary Schuster examines concerns such as victim impact statements offered in sentencing hearings of convicted offenders due process and Title IX requirements in campus sexual assault investigations and laws and Title VII standards governing workplace sexual harassment complaints Schuster also analyzes the testimony offered in the 1991 and 2018 U S Senate Judiciary Hearings regarding the Supreme Court nominations of Clarence Thomas and Brett Kavanaugh social movements such as Me Too and global activists efforts to challenge gender stereotypes and hierarchies This book argues that we cannot outlaw or legislate away sexual misconduct but must instead focus on cultural social and systemic changes in order to change the current climate Moreover the author argues for zero tolerance for sexual misconduct but recommends a gradation of punishment or sanctions for offenders offering examples of successful educational and therapeutic efforts to alter misconceptions regarding sexual misconduct Scholars of gender studies communication legal studies and rhetoric will find this book particularly useful War Memory and Popular Culture Michael Keren,Holger H. Herwig,2014-01-10 This

collection of essays investigates such diverse vehicles for war commemoration as poems battlefield tours souvenirs books films architectural structures comics websites and video games Drawing on essayists from Australia Canada Great Britain Israel and the United States this work explores the evolution from traditional to contemporary forms of war commemoration while addressing the fundamental question of whether these new forms of memorial are meant to encourage the remembering or the forgetting of the experience of war as well as what implications the process of commemoration may have for the continuation of the modern nation state Instructors considering this book for use in a course may request an examination copy here **Songs for the Forgotten** Julia Burns,2020-10-20 *Songs for the Forgotten* A Psychiatrist's Record combines pivotal moments from Julia Burns's Southern upbringing in the 1970s with case histories accumulated through

three decades of treating psychiatric patients particularly those drowning in the cultural epidemic of child abuse This book is her journal of rupture and return The reader will follow the author's hard won reconciliation In telling panoply of stories including her own Burns argues for the interconnectedness of humanity when one child is hurt our humanity is violated and we are all responsible for undoing that damage If no one steps up to save children to show them they are worth saving the cycle of abuse will continue Songs for the Forgotten offers a strong practical component providing information about trauma and healing Burns illustrates how hope and wholeness can come from remembrance and telling

The Quest for Reparations for Indian Residential School Abuse Konstantin Petoukhov, 2025-05-30 This book explores the complexities and nuances of reparations for victims and survivors of settler colonial violence It centres its analysis on the Independent Assessment Process IAP a financial compensation programme that was designed to address the horrific legacy of Canada's Indian Residential School system which was established to assimilate Indigenous children into settler Canadian society The reader of this book will learn about the impact of the IAP as a mechanism of redress for the physical and sexual abuse that Indigenous children experienced while attending Indian Residential Schools Through the analysis of unique perspectives and first hand accounts of survivors lawyers claims adjudicators and health support workers who participated in the IAP the book tells the stories of former Indian Residential School students struggle for justice It invites the reader to explore several themes related to the IAP that engage with the idea of financial compensation as redress for acts of institutional child abuse in ongoing settler colonialism By bringing insights from several theoretical frameworks to bear on empirical data in a complex yet accessible manner it seeks to address the following questions How does money compensate survivors of institutional child abuse How does settler colonialism complicate state sponsored redress for violence against Indigenous people And how might survivors problematize resist and contest individual reparations for settler colonial violence The target audience for this book includes scholars educators practitioners students and members of the general public whose research interests include settler colonial studies history reparations transitional justice Indigenous studies and critical victimology

American Survivors Naoko Wake, 2021-06-24 The little known history of U S survivors of the Hiroshima and Nagasaki atomic bombings reveals captivating trans Pacific memories of war illness gender and community

Heroes and Victims Maria Bucur, 2009-11-20 Heroes and Victims explores the cultural power of war memorials in 20th century Romania through two world wars and a succession of radical political changes from attempts to create pluralist democratic political institutions after World War I to shifts toward authoritarian rule in the 1930s to military dictatorships and Nazi occupation to communist dictatorships and finally to pluralist democracies with populist tendencies Examining the interplay of centrally articulated and locally developed commemorations Maria Bucur's study engages monumental sites of memory local funerary markers rituals and street names as well as autobiographical writings novels oral narratives and film This book reveals the ways in which a community's religious ethnic economic regional and gender traditions shaped local efforts at memorializing its war

dead **Silenced Victims of Wartime Sexual Violence** Olivera Simic, 2018-03-09 The condemnation of wartime sexual violence as a gross violation of human rights has received widespread support While rape and other forms of sexual violence have attracted considerable local and international attention this often excludes wartime sexual violence among women belonging to so called perpetrator war torn nations This book explores the silence surrounding women s experiences of wartime sexual violence within academic legal and public discourses Olivera Simi argues that the international criminal law and feminist legal discourse on wartime sexual violence can construct a problematic victim hierarchy that excludes and misrecognises certain women s experiences of sexual violence during and after armed conflict The book focuses on the experiences of Bosnian Serb women where the collapse of the former Yugoslavia led to brutal war and gross human rights violations throughout the 1990s Two decades after the war women in Bosnia and Herzegovina are still facing the legacies of the violence in the 1990s Through this case Simi argues that while all women survivors of rape face problems of stigma shame and lack of political visibility their legal and symbolic status differ according to their ethno national identity Drawing on interviews with Bosnian Serb women survivors of rape in Bosnia and Herzegovina feminist activists local media documentary and archival sources the book examines post conflict justice as it is seen lived and interpreted by women who belong to perpetrator nations and will be of great interest and use to researchers students and practitioners within post conflict law and justice international criminal law security studies and gender studies The Story-Takers Paula M. Salvio, 2017-10-31 The Story Takers charts new territory in public pedagogy through an exploration of the multiple forms of communal protests against the mafia in Sicily Writing at the rich juncture of cultural feminist and psychoanalytic theories Paula M Salvio draws on visual and textual representations including shrines to those murdered by the mafia photographs and literary and cinematic narratives to explore how trauma and mourning inspire solidarity and a quest for justice among educators activists artists and journalists living and working in Italy Salvio reveals how the anti mafia movement is being brought out from behind the curtains with educators leading the charge She critically analyses six cases of communal acts of anti mafia solidarity and argues that transitional justice requires radical approaches to pedagogy that are best informed by journalists educators and activists working to remember not only victims of trauma but those who resist trauma and violence Remembering the German Democratic Republic D. Clarke, U. Wölfel, 2011-11-08 Memories of and attitudes to the German Democratic Republic GDR or East Germany within contemporary Germany are characterized by their variety and complexity whilst the debate over how to remember the GDR tells us a lot about how Germans see themselves and their future This volume provides a range of international perspectives **Social Aspects of Memory** Alma Jeftic, 2019-05-14 Social Aspects of Memory presents a compelling study of how ordinary people remember war Whilst the book focuses on the cities of Sarajevo and East Sarajevo during the 1992 1995 war in Bosnia Herzegovina Jeftic also presents narratives from other war torn cities and countries around the world This book adopts a unique approach by looking at how perpetrators and victims as

well as new generations who may not remember the war directly manage in the aftermath of war Jeftic explores how our memories of war and violence are formed and how we can learn to reconcile those memories individually and as a collective Drawing on the author's own empirical and extensive research the book explores the connection between memories for significant war events transgenerational transmission of memories bias for in group wrongdoings and readiness for reconciliation between two groups Giving a voice to underrepresented narratives and prioritising the importance of expression as a necessary catalyst for reconciliation this book is essential reading for those interested in collective and transgenerational memory and memory studies especially in relation to the aftermath of the 1992 1995 war in Bosnia Herzegovina

Accounts of Innocence Joseph E. Davis, 2005 Since a new sensitivity and orientation to victims of injustice arose in the 1960s categories of victimization have proliferated Large numbers of people are now characterized and characterize themselves as sufferers of psychological injury caused by the actions of others In contrast with the familiar critiques of victim culture Accounts of Innocence offers a new and empirically rich perspective on the question of why we now place such psychological significance on victimization in people's lives Focusing on the case of adult survivors of childhood sexual abuse Joseph E Davis shows how the idea of innocence shaped the emergence of trauma psychology and continues to inform accounts of the past and hopes for the future in therapy with survivor clients His findings shed new light on the ongoing debate over recovered memories of abuse They challenge the notion that victim accounts are an evasion of personal responsibility And they suggest important ways in which trauma psychology has had unintended and negative consequences for how victims see themselves and for how others relate to them An important intervention in the study of victimization in our culture Accounts of Innocence will interest scholars of clinical psychology social work and sociology as well as therapists and victim activists

Do Overs Bill Munn, 2017-12-13 Ever wonder if you could relive part of your life to experience again the innocence of childhood or to correct a grievous mistake that has haunted you Mack McCoy may have done just that unwittingly Mack is a good man captain in the Dallas Police Department who would describe his career as in the weeds thanks mainly to an incident in which he shot and killed two unarmed teenagers in the act of robbing a pizza restaurant Though cleared of wrongdoing he has become a pariah busted back to captain from deputy chief Mack is paired with a fire captain for a project they both perceived as dead end with no potential growth for either of them and more importantly no redemption for Mack Just as it seems things couldn't get any worse they do A violent traffic accident kills Mack's best friend and leaves Mack fighting for his life Through recovery Mack begins to realize there are certain realities in his life that are quite different from the way he remembers them People begin walking into his life that had passed or played a completely different role in his life in the past New people such as a homeless man and other unknowns that come and go in the shadows and call themselves advocates also become a part of his new reality What happened to Mack while in surgery and what childhood event could be a gateway that changed everything No one expects a Do Over in life Mack didn't expect it

The question is did he take it *Women and Militant Wars* Swati Parashar, 2014-03-05 This book explores women's militant activities in insurgent wars and seeks to understand what women do in wars. In International Relations, inter-state conflict, anti-state armed insurgency, and armed militancy are essentially seen as wars where collective violence against civilians and security forces is used to achieve political objectives. Extending the notion of war as politics of injury to the armed militancy in Indian administered Kashmir and the Tamil armed insurgency in Sri Lanka, this book explores how women participate in militant wars and how that politics not only shapes the gendered understandings of women's identities and bodies but is in turn shaped by them. The case studies discussed in the book offer new comparative insight into two different and most prevalent forms of insurgent wars today: religious-political and ethno-nationalist. Empirical analyses of women's roles in the Sri Lankan Tamil militant group the LTTE and the logistical-ideological support women provide to militant groups active in Indian administered Kashmir suggest that these insurgent wars have their own gender dynamics in recruitment and operational strategies. Thus *Women and Militant Wars* provides an excellent insight into the gender politics of these insurgencies and women's roles and experiences within them. This book will be of much interest to students and scholars of critical war and security studies, feminist international relations, gender studies, terrorism and political violence, South Asia studies, and IR in general.
