Jesus Remember Me Howard E. Wong,Rosemarie E. Deiparine,2021-10-27 All religions are pleasing to God but the salvation of our souls can only be made possible by God s grace There is only one true religion that our salvation can be assured the Christian religion Billion called themselves Christians and they were drawn to Christ for what He did for us dying on the cross so we will be justified redeemed and saved What was and is so amazing with the Christian faith was the resurrection of Christ after He died on the Cross In the history of mankind there never been an incident that a man rose from the dead after three days The book revealed who Christ is to us Like St Francis of Assisi prayed all the time to Christ JESUS MY ALL Thus we know why the great saint of Assisi prayed this way Christians likewise do the same and all of our brothers and sister deprived of Christ should remember Jesus as our All

The Joseph Communications Michael G. Reccia,2012-07-05 The Fall Aeons ago everything changed and you were there According to Joseph the ancient highly evolved spirit communicator who has lived in an enlightened sphere of reality for thousands of years you are not yourself there s much more to you than you imagine and you have forgotten the cataclysm that created today s dysfunctional societies and wounded planet In the Fall Joseph s new book communicated through respected trance medium Michael G Reccia he seeks to reactivate that astonishing inner knowledge explaining and revealing your spiritual origins Each chapter is a eureka moment helping you to at last make sense of it all and by the last page many if not all of those elusive answers regarding existence and the great mysteries will be elusive no longer From the beginnings of the universe to the essential part you take in creation and the reason you are here if you seek meaning to life in general and your life in particular you absolutely definitely should read the Fall Your views of spirituality science and reality are about to change forever Joseph The whole point of this book is to explain why you are as you are now why you come back here and why the Earth is a hostile and violent place of seeming lack to give you knowledge that should resonate with your soul from a time before the Fall so you can through your heart centre reason your way out of reincarnation and out of the effects of the Fall Then the planet can be restored to its former purpose and you can be restored

Enlightenment Jamil Voss, 2021-10-02 Enlightenment A Modern Understanding brings clarity and modernity into the world of enlightenment Without disrespect for the ancient teachings this book affectionately called EAMU brings an entirely refreshing and inspiring understanding of spiritual enlightenment that goes well beyond the ancient teachings into the foundation of a whole new genre and science of thought As we moved through history the questions and quests which predicate our satisfaction or dissatisfaction have evolved and it s been many years since the understanding of enlightenment has been revised into modern context This book does so brilliantly kindly and with inspiration and a feeling of poetry all the while being of a scientific mindset but oriented more toward practical applicability than scientific review This book goes into theory and observation in a way that is understandable and because of its comprehensibility paves the way forward for a new discussion with a new understanding of this very ancient but not currently concisely and truly answered topic that we call enlightenment EAMU explains enlightenment in a way that is aspiring modern natural and intellectually catchy The second edition brings added clarity and adds more material
