REMINISCENCES OF A MOSBY GUERRILLA JOHN W. MUNSON,2019 **Reminiscences of a Mosby Guerrilla (Classic Reprint)** John W. Munson,2015-08-08 Excerpt from Reminiscences of a Mosby Guerrilla Every man in Mosby's Command had ample material of which to make an interesting story of his experiences Some of them have contributed portions of their recollections to the writer who has unblushingly adopted them as his own much in the spirit in which he was wont to appropriate whatever was contributed to him by the Yankees during the war He is positive however that he is welcome to use whatever matter they have sent him for the same spirit prevails among the survivors today as when all were welcome to whatever each had in the days when they stood together to acquire it In fact in war times the ancient doctrine of the Scottish clan prevailed in all things For why Because the good old rule Sufficeth them the simple plan That they should take who have the power And they should keep who can If only a whisper could be got from some of the closed lips or the stiffened fingers of the dead be relaxed these pages would be enriched beyond compare with now forgotten deeds but those gallant spirits have long ago told their stories to a Higher Critic and I believe have met His approval About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reminiscences of a Mosby Guerilla John W. Munson,1906 **Reminiscences of a Mosby Guerrilla** John W. Munson,1906 *Journal of the Military Service Institution of the United States*,1913 **Gray Ghost** James Ramage,2010-09-12 Confederate John Singleton Mosby forged his reputation on the most exhilarating of military activities the overnight raid Mosby possessed a genius for guerrilla and psychological warfare taking control of the dark to make himself the Gray Ghost of Union nightmares Gray Ghost the first full biography of Confederate raider John Mosby reveals new information on every aspect of Mosby's life providing the first analysis of his impact on the Civil War from the Union viewpoint **The Unvanquished** Patrick K. O'Donnell,2024-05-07 From the bestselling author of *The Indispensables* the unknown and dramatic story of irregular guerrilla warfare that altered the course of the Civil War and inspired the origins of America's modern special operations forces The Civil War is most remembered for the grand battles that have come to define it Gettysburg Antietam Shiloh among others However as bestselling author Patrick K O'Donnell reveals in *The Unvanquished* a vital shadow war raged amid and away from the major battlefields that was in many ways equally consequential to the

conflict's outcome At the heart of this groundbreaking narrative is the epic story of Lincoln's special forces the Jessie Scouts told in its entirety for the first time In a contest fought between irregular units the Scouts hunted John Singleton Mosby's Confederate Rangers from the middle of 1863 up to war's end at Appomattox With both sides employing pioneering tradecraft they engaged in dozens of raids and spy missions often perilously wearing the other's uniform risking penalty of death if captured Clashing violently on horseback the unconventional units attacked critical supply lines often capturing or killing high value targets North and South deployed special operations that could have changed the war's direction in 1864 and crucially during the Appomattox Campaign Jessie Scouts led the Union Army to a final victory They later engaged in a history altering proxy war against France in Mexico earning seven Medals of Honor many Scouts mysteriously disappeared during that conflict taking their stories to their graves An expert on special operations O'Donnell transports readers into the action immersing them in vivid battle scenes from previously unpublished firsthand accounts He introduces indelible characters such as Scout Archibald Rowand Scout leader Richard Blazer Mosby the master of guerrilla warfare and enslaved spy Thomas Laws O'Donnell also brings to light the Confederate Secret Service's covert efforts to deliver the 1864 election to Peace Democrats through ballot fraud election interference and attempts to destabilize a population fatigued by a seemingly forever war Most audaciously the Secret Service and Mosby's Rangers planned to kidnap Abraham Lincoln in order to maintain the South's independence A little known chronicle of the shadow war between North and South rich in action and offering original perspective on history *The Unvanquished* is a dynamic and essential addition to the literature of the Civil War

Rebel Guerrillas Paul Williams, 2018-10-29 From the

hills and valleys of the eastern Confederate states to the sun drenched plains of Missouri and Bleeding Kansas a vicious clandestine war was fought behind the big battle clashes of the American Civil War In the east John Singleton Mosby became renowned for the daring hit and run tactics of his rebel horsemen Here a relatively civilized war was fought women and children usually left with a roof over their heads But along the Kansas Missouri border it was a far more brutal clash no quarter given William Clarke Quantrill and William Bloody Bill Anderson became notorious for their savagery *Art Recounting Mosby's Berryville Raid on General Sheridan's Wagon Train* Walt H. Sirene,2018-11-08 Four paintings with supplemental documentation presents an illustrated story of Col John S Mosby and his Rangers engaged in the The Berryville Raid one of the most significant of their actions during the American Civil War This was an action in what became known as Mosby s Confederacy which included Fauquier County Virginia and neighboring counties primarily to the north and west The paintings were presented to the Museum in 1919 by Ellen Ritchie Nalle Palmer 1853 1921 fulfilling her late husband s wishes Lieutenant William Benjamin Palmer 1843 1917 was a Mosby Veteran who became a prominent businessman in Richmond VA He appears in the Return from the Raid painting This selection of pages is from the author s document Warrenton Virginia Bispham House *The Mosby Myth* Paul Ashdown,Edward Caudill,2002 Confederate Colonel John Singleton Mosby 1833 1916 was only one of a number of heroes to emerge during the Civil War yet he holds a singular place in the American imagination He is the irrepressible rebel with a cause the horseman who emerges from the forest to protect the embattled farmer and his household and bring retribution to the invader Mosby was the fabled Gray Ghost of the Confederacy a mythic cavalry officer who operated with virtual impunity behind Union lines near Washington D C The Mosby Myth is the first book devoted to explaining Mosby s place in American culture myth and legend The book provides not just a biography of John Mosby s life but a study of his legacy Well written and informative this book is sure to provoke new thought about the effect of the memory of Mosby and the memory of the Civil War on American society and culture **PRODUCT DESCRIPTION**

Mosby's Rangers Jeffry D. Wert,2015-05-26 No single battalion was more feared during the Civil War than the 43rd Battalion of Virginia Cavalry As one contemporary said They had all the glamour of Robin Hood all the courage and bravery of the ancient crusaders Better known as Mosby s Rangers they were an elite guerrilla unit that operated with stunning success in northern Virginia and Maryland from 1863 to the last days of the war In this vivid account of the famous command of John Singleton Mosby Jeffry D Wert explores the personality of this iron willed commander and brilliant tactician and gives us colorful profiles of the officers who served under him Drawing on contemporary documents including letters and diaries this is the most complete and vivid account to date of the fighting unit that was so hated by General Ulysses S Grant that he ordered any captured Ranger to be summarily executed without trial *Special Bibliography* ,1982 *Riding in Circles* J.e.b.
