**Songs and Musicians in the Fifteenth Century** David Fallows, 2024-10-28 The essays in this volume are concerned with song repertoires and

performance practice in 15th century Europe The first group of studies arises from the author's long term fascination with the widely dispersed traces of English song and in particular with the most successful song by any English composer O rosa bella This leads to a set of enquiries into the distribution and international currents of the song repertory in Italy and Spain The essays in the final section taken together represent an extended discussion of the problems of performance both of voice and instrument what they performed and how      *Arranging for Folk Harp* Kim Robertson,2010-10-07 This book illustrates a variety of accompaniment patterns and arrangement techniques for the folk harpist the procedure taught in this book will enable the intermediate to advanced harper to play any melody beautifully on the pedal free harp      *Civic Performance* J. Caitlin Finlayson,Amrita Sen,2020-01-28 Civic Performance Pageantry and Entertainments in Early Modern London brings together a group of essays from across multiple fields of study that examine the socio cultural political economic and aesthetic dimensions of pageantry in sixteenth and seventeenth century London This collection engages with modern interest in the spectacle and historical performances of pageantry and entertainments including royal entries progresses coronation ceremonies Lord Mayor's Shows and processions Through a discussion of the extant texts visual records archival material and emerging projects in the digital humanities the chapters elucidate the forms in which the period itself recorded its public rituals pageantry and ephemeral entertainments The diversity of approaches contained in these chapters reflects the collaborative nature of pageantry and civic entertainments as well as the broad socio cultural resonances of this form of drama and in doing so offers a study that is multi faceted and wide ranging much like civic performance itself Ideal for scholars of Early Modern global politics economics and culture literary and performance studies print culture and the digital humanities Civic Performance casts a new lens on street pageantry and entertainments in the historically and culturally significant locus of Early Modern London      *You Can Teach Yourself Lever Harp* Laurie Riley,Beth Kollé ,2015-10-06 An updated step by step method for playing the harp This book can be used alone or with a teacher the easy to follow method produces results for musicians of all levels and even if you have no prior experience and varying levels of difficulty are presented in arrangements of familiar musical pieces All basic techniques and tunes are clearly and thoroughly explained Specific topics include how to use this book how to sit with your harp how to tune your harp how to use your hands plucking the strings finger placement basic structural concepts of music and 14 tunes      **Kim Robertson/Celtic Harp Solos** Kim Robertson,2010-10-07 Forty six Celtic arrangements for folk harp solo Includes Blind Mary Berceuse excerpt Martin Wynnd's Air Blackberry Blossom Give Me Your Hand Moon Over the Rising Castle and more      *The Indispensable Harp* John Mendell Schechter,1992 A musical instrument that has played a vital role in Latin American music cultures the harp is the subject of this new work the first study of its kind to be published in English John Schechter presents a history of the harp in Spain traces its introduction into colonial Latin America and describes its modern roles in the diverse cultural centers of Mexico Paraguay Argentina Chile Venezuela and Peru He then turns his focus to his own field research in the Quichua culture of

northern highland Ecuador an area that has received considerably less scholarly attention than many of its Latin American neighbors. The reader will meet a community of harp maistrus on the slopes of Mt Cotacachi and become familiar with their culture, their particular instrument and its tuning and their performance practices. Numerous photographs, musical transcriptions and diagrams illustrate and enliven the text. The Indispensable Harp is unique for its integration of aspects of music and cultural history, organology and performance practice, treating in considerable depth both broadly established music ethnographical practices. It speaks to the conclusion that the vital role of the harp in Latin American music history has now been properly acknowledged and documented. Littell's Living Age, 1921

**Music and Instruments of the Elizabethan Age** Michael Jonathan Fleming, Michael Fleming, Christopher Page, 2021. Uses the rare depictions of musical instruments and musical sources found on the Eglantine Table to understand the musical life of the Elizabethan age and its connection to aspects of culture now treated as separate disciplines of historical study. The reign of Elizabeth I 1558-1603 has often been regarded as the Golden Age of English music. Many works of high quality, both vocal and instrumental, were composed and performed by native and immigrant musicians while balladry and minstrelsy flourished in hall, street and alehouse. No single source of the sixteenth century presents this rich musical culture more vividly than the inlaid surface of the Eglantine Table. This astonishing piece of furniture was made in the late 1560s for the family of Elizabeth or Bess of Hardwick, Countess of Shrewsbury 1527-1608. The upper surface bears a wealth of marquetry that depicts amidst the briar, roses and other plants numerous Elizabethan musical instruments in exquisite detail, together with open books or scrolls of music with legible notation. Given that depictions of musical instruments and musical sources are rare in all artistic media of the Elizabethan period, the Eglantine Table is a very important resource for understanding the musical life of the age and its connection to aspects of culture now treated separately in disciplines such as art history, social and political history or the study of material culture. This volume assembles a group of leading scholars in the history of instruments and associated fields to ground future research upon the most expert assessment of the depicted instruments, the music and the decorative imagery that is currently attainable. A final section of the book takes a broad view, placing the Table and the musical components of its decoration in relation to the full range of Elizabethan musical life. The Living Age, 1921
