Sacred Possessions:

Sacred Possessions Gail Feigenbaum, S. Ebert-Schifferer, Galina Tirnanić, 2011 This innovative study explores how interpretations of religious art change when it is moved into a secular context **Sacred Possessions** Margarite Fernández Olmos, Elizabeth Paravisini-Gebert, 1997 For review see Joseph M Murphy in HAHR The Hispanic American Historical Review 78 3 August 1998 p 495 496 *Inalienable Possessions* Annette B. Weiner, 1992-05-13 Weiner provides not only a new perspective on social and natural reproduction but also a framework through which to compare societies This is an original point of view that will have real effects on the direction of future fieldwork and comparative analysis Ivan Karp Smithsonian Institution [A Collection of Life Stories](#) Miltiades B. Efthimiou, 2024-10-29 Rev Dr Miltiades B Efthimiou an Orthodox protopresbyter of the Ecumenical Patriarchate of Constantinople shares an encouraging message which motivates the reader to aspire to seek the source of all wisdom focusing on the love between God and man Far from a life history written for family and friends this memoir covers a sweeping range of topics from the existence of life in outer space encouragement to reflect on faith with poetic allusions of the Garden of Eden and the ripple effect caused by politics and religion A Collection of Life Stories takes readers on a journey through Miltiades life with key stops along the way providing important reminders that we create our own destiny The stories within cross continents from ancient to modern times weaving a tapestry of history art religion and memorable life lessons These thought provoking reflections encourage the reader to accept what we cannot change change the things we can and understand the difference between the two It s a beautiful testament to a life well lived in faith and authenticity **Origins of Possession** Philippe Rochat, 2014-09-11 Human possession psychology originates from deeply rooted experiential capacities shared with other animals However unlike other animals we are a uniquely self conscious species concerned with reputation and possessions affect our perception of how we exist in the eyes of others This book discusses the psychology surrounding the ways in which humans experience possession claim ownership and share from both a developmental and cross cultural perspective Philippe Rochat explores the origins of human possession and its symbolic development across cultures He proposes that human possession psychology is particularly revealing of human nature and also the source of our elusive moral sense **The Emperor and the World** Alicia Walker, 2012-04-30 Byzantine imperial imagery is commonly perceived as a static system In contrast to this common portrayal this book draws attention to its openness and responsiveness to other artistic traditions Through a close examination of significant objects and monuments created over a 350 year period from the ninth to the thirteenth century Alicia Walker shows how the visual articulation of Byzantine imperial power not only maintained a visual vocabulary inherited from Greco Roman antiquity and the Judeo Christian tradition but also innovated on these artistic precedents by incorporating styles and forms from contemporary foreign cultures specifically the Sasanian Chinese and Islamic worlds In addition to art and architecture this book explores historical accounts and literary works as well as records of ceremonial practices thereby demonstrating how

texts ritual and images operated as integrated agents of imperial power Walker offers new ways to think about cross cultural interaction in the Middle Ages and explores the diverse ways in which imperial images employed foreign elements in order to express particularly Byzantine meanings

The Word Fulfilled Michael W. Pahl, 2024-11-19 What does it mean to follow Jesus in the way we read Scripture As Christians we want to follow Jesus in his teachings and way of life which were significantly shaped by his reading of the Jewish Scriptures By exploring how Jesus engaged the Scriptures we can better understand how we should read our Bibles today thereby following Jesus in the way we study our foundational text The Word Fulfilled offers in depth explorations of how Jesus discussed seven important passages in his life and ministry Through scholarship scriptural engagement and imaginative storytelling author and pastor Michael W Pahl illuminates what Scripture looked and sounded like in Jesus context For anyone who desires to follow Jesus more deeply Pahl helps us step back into the world of early Judaism and into synagogues family kitchens and other first century settings as we encounter afresh the Word of God

Handbook of Spiritualism and Channeling , 2015-03-31 Bringing together scholars from different disciplines and geographies the Brill Handbook of Spiritualism and Channeling presents modern spirit possession in a variety of contexts Weaving together the interrelated movements of Spiritualism along with its specific Franco and Latin American currents articles explore the nineteenth century beginnings of s ances and trance mediumship Channelling an heir to Spiritualism begun in the 1970s and still flourishing today is brought into direct conversation with its predecessors with a view to showing both continuity and disjuncture as the products of new cultural and religious needs The Brill Handbook marks the first extensive collection on these two interrelated movements and examines themes such as gender race performance and technology in each instance

Consumption and Spirituality Diego Rinallo, Linda M. Scott, Pauline Maclaran, 2013 This book sheds light on the consumption of spiritual products services experiences and places through state of the art studies by leading and emerging scholars in interpretive consumer research marketing sociology anthropology cultural and religious studies The collection brings together fresh views and scholarship on a cultural tension that is at the centre of the lives of countless individuals living in postmodern societies the relationship between the material and the spiritual the sacred and the profane The book examines how a variety of agents religious institutions spiritual leaders marketers and consumers interact and co create spiritual meanings in a post disenchanted society that has been defined as a supermarket of the soul Consumption and Spirituality examines not only religious organizations but also brands and marketers and the way they infuse their products services and experiences with spiritual meanings that flow freely in the circuit of culture and can be appropriated by consumers even without purchase acts From a consumer perspective the book investigates how spiritual beliefs practices and experiences are now embedded into a global consumer culture Rather than condemning consumption the chapters in this book highlight consumers agency and the creative processes through which authentic spiritual meanings are co created from a variety of sources local and global and sacred and profane alike

Black Religion and Aesthetics A. Pinn, 2009-07-06 A great deal of attention has been given to the sociopolitical and theological importance of Black Religion However of less academic concern up to this point is the aesthetic qualities that define much of what is said and done within the context of Black Religion Recognizing the centrality of the black body for black religious thought and life this book proposes a conversation concerning various dimensions of the aesthetic considerations and qualities of Black Religion as found in various parts of the world including the Americas the Caribbean Africa and Europe In this respect Black Religion is simply meant to connote the religious orientations and arrangements of people of African descent across the globe

Prophets and Ghosts Samuel J. Redman, 2021-10-26 A searching account of nineteenth century salvage anthropology an effort to preserve the culture of vanishing Indigenous peoples through dispossession of the very communities it was meant to protect In the late nineteenth century anthropologists linguists archaeologists and other chroniclers began amassing Indigenous cultural objects crafts clothing images song recordings by the millions Convinced that Indigenous peoples were doomed to disappear collectors donated these objects to museums and universities that would preserve and exhibit them Samuel Redman dives into the archive to understand what the collectors deemed the tradition of the vanishing Indian and what we can learn from the complex legacy of salvage anthropology The salvage catalog betrays a vision of Native cultures clouded by racist assumptions a vision that had lasting consequences The collecting practice became an engine of the American museum and significantly shaped public education and preservation as well as popular ideas about Indigenous cultures Prophets and Ghosts teases out the moral challenges inherent in the salvage project Preservationists successfully maintained an important human inheritance sometimes through collaboration with Indigenous people but collectors methods also included outright theft The resulting portrait of Indigenous culture reinforced the public's confidence in the hierarchies of superiority and inferiority invented by scientific racism Today the same salvaged objects are sources of invaluable knowledge for researchers and museum visitors But the question of what should be done with such collections is nonetheless urgent Redman interviews Indigenous artists and curators who offer fresh perspectives on the

history and impact of cultural salvage pointing to new ideas on how we might contend with a challenging inheritance

Center Places and Cherokee Towns Christopher Bernard Rodning, 2015-08-15 Examines how architecture and other aspects of the built environment such as hearths burials and earthen mounds formed center places within the Cherokee cultural landscape In *Center Places and Cherokee Towns* Christopher B Rodning opens a panoramic vista onto protohistoric Cherokee culture He posits that Cherokee households and towns were anchored within their cultural and natural landscapes by built features that acted as center places Rodning investigates the period from just before the first Spanish contact with sixteenth century Native American chiefdoms in La Florida through the development of formal trade relations between Native American societies and English and French colonial provinces in the American South during the late 1600s and 1700s Rodning focuses particularly on the Coweeta Creek archaeological site in the upper Little Tennessee Valley in southwestern North Carolina and describes the ways in which elements of the built environment were manifestations of Cherokee senses of place Drawing on archaeological data delving into primary documentary sources dating from the eighteenth century and considering Cherokee myths and legends remembered and recorded during the nineteenth century Rodning shows how the arrangement of public structures and household dwellings in Cherokee towns both shaped and were shaped by Cherokee culture Center places at different scales served as points of attachment between Cherokee individuals and their communities as well as between their present and past Rodning explores the ways in which Cherokee architecture and the built environment were sources of cultural stability in the aftermath of European contact and how the course of European contact altered the landscape of Cherokee towns in the long run In this multi faceted consideration of archaeology ethnohistory and recorded oral tradition Rodning adeptly demonstrates the distinct ways that Cherokee identity was constructed through architecture and other material forms *Center Places and Cherokee Towns* will have a broad appeal to students and scholars of southeastern archaeology anthropology Native American studies prehistoric and protohistoric Cherokee culture landscape archaeology and ethnohistory *Handbook of Research Methods in Consumer Psychology* Frank Kardes, Paul M.
