The Sense of Beauty George Santayana,1896      *Santayana and the Sense of Beauty* Willard Eugene Arnett,1955      *The Sense of Beauty* George Santayana,2017-05-03 The Sense of Beauty is a book on aesthetics by George Santayana The book was published in 1896 by Charles Scribner's Sons and is based on the lectures Santayana gave on aesthetics while teaching at Harvard University Santayana published the book out of necessity for tenure rather than inspiration In an anecdote retold by art critic Arthur Danto of a meeting with Santayana in 1950 Santayana was reported to have said that they let me know through the ladies that I had better publish a book on art of course So I wrote this wretched potboiler The book is divided into four parts The Nature of Beauty The Materials of Beauty Form and Expression Beauty as defined by Santayana is an objectified pleasure It does not originate from divine inspiration as was commonly described by philosophers but from a naturalistic psychology Santayana objects to the role of God in aesthetics in the metaphysical sense but accepts the use of God as metaphor His argument that beauty is a human experience based on the senses is influential in the field of aesthetics However Santayana would reject this approach which he called skirt ing psychologism later on in life According to Santayana beauty is linked to pleasure and is fundamental to human purpose and experience Beauty does not originate from pleasurable experiences by itself or from the objects that bring about pleasure It is when the experience and emotion of pleasure intertwines with the qualities of the object that beauty arises Beauty is a manifestation of perfection and as Santayana writes the sense of beauty has a more important place in life than aesthetic theory has ever taken in philosophy      Santayana and the Sense of Beauty Willard Eugene Arnett,1955      *The Sense of Beauty; Being the Outline of Aesthetic Theory* George Santayana,2022-07-27 The sense of beauty being the outline of aesthetic theory is an unchanged high quality reprint of the original edition of 1896 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future
