De La Torre,2004-08-23 A guide to the history beliefs rituals and culture of a religious tradition that despite persecution suppression and its own secretive nature has close to a million adherents in the United States alone Santer a is a religion with Afro Cuban roots rising out of the cultural clash between the Yoruba people of West Africa and the Spanish Catholics who brought them to the Americas as slaves With the exile of thousands of Cubans after Castro s revolution in 1959 Santer a came to the United States where it is gradually coming to be recognized as a legitimate faith tradition one about which most people in America s mainstream know very little De La Torre explains the worldview myths rituals and history of Santer a and discusses what role the religion typically plays in the life of its practitioners as well as the cultural influence it continues to exert in Latin American communities today From publisher description

A Study Guide for Cristina Garcia's "Dreaming in Cuban" Gale, Cengage Learning,2016-06-29 A Study Guide for Cristina Garcia s *Dreaming in Cuban* excerpted from Gale s acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs *In the Shadows of the Christian See* Kalman Dubov,2021-12-21 Volume Two continues the vignettes of my time in the chaplaincy of the United States Armed Forces In this volume I review how two Roman Catholic priests were relieved of their ecclesiastical and religious duties at the United States Air Force Academy The first of these was

detailed in the Colorado Springs and Denver media with extensive coverage of the drama of a sexual liaison between the Deputy Wing Chaplain and an Air Force line officer whose relationship began while the woman was an Air Force cadet I also describe how two die hard anti Semites one of whom was a retired Air Force colonel never ceased in their efforts to have me removed from a leadership position and by extension not to have me promoted to higher rank The last vignette covering the final months while in uniform describes a paranoid and obsessive compulsive senior chaplain a poor chap who reflected immaturity and obsessive tendencies because of his fears of attack by juniors officers and enlisted staff His method of leadership was to threaten military court martial against anyone perceived to be part of the conspiracy against him As noted in the description for Volume One it was my poor fortune to serve alongside these creatures They did not earn my respect as I witnessed their foibles and idiosyncrasies their racism and anti-Semitism To the last they personified my resolve never to emulate them They earned my contempt and my condemnation I regret that Fate and Providence paired us for even the shortest time There is a vast difference between the ideal and real worlds It is the rare life that has no challenges no ugliness no moments when there is a desperate urge to leave and not return These volumes reflect a world I hoped would receive me in fairness and decency It is only in the hindsight of years that the ugliness of this reality coalesced into a whole And these vignettes reflect that exposure to and my time in the maelstrom of life in the raw Perhaps there was benefit in staying the course and facing the challenge
